Time To Change Next Weekend

Clocks throughout the Island will be pushed ahead one hour this weekend as the province officially joins the Dominion-wide move to Daylight Saving Time, for the first time since 1947. The official time change is scheduled for Saturday, April 27, at midnight. The decision to put P.E.I. in line with other provinces with regards to time was made during the recent session of the legislature.

The time change is expected to be a boon to summer tourists, who frequently became confused over the lack of time conformity within the province itself and between the Island and the mainland. Most businesses and offices operated the past few years under a type of daylight saving time called "advanced summer hours," while a number of communities, CNR trains, and ferry connections remained on standard time. The provincial legislature, in 1947, passed the Time Uniformity Act which said there shall be "one standard uniform time" in use throughout the province, and unless altered by order-in-council, the official time is standard time. No government since 1947 has, until this year, passed an order-in-council to institute Daylight Saving Time.

West Prince Trade Bd. Marks Anniversary

ALBERTON BUREAU OF THE GUARDIAN

A distinguished gathering of board of trade members attended a banquet in Alberton last night to observe the 60th anniversary of Alberton and West Prince Board of Trade, members from the Crapaud - Victoria board, representatives of the Maritime Provinces Board of Trade and the Canadian Chamber of Commerce joined with members of the West Prince Board in celebrating the founding 60 years ago.

The guest speaker was Dr. Frank MacKinnon, principal of Prince of Wales College. Most of those present were accompanied by wives bringing the attendance close to the 100 mark.

Messages of congratulations were read from Alberton branch of the Royal Canadian Legion; George McMurdy, Kensington Board of Trade; B.E. Wood, Crapaud - Victoria board; Heber Canfield, president, Crapaud - Victoria board; E.C. Moore, president, Kensington board, and Rev. Gerald Steele, member of the West Prince Board at present in Nova Scotia.

Dr. MacKinnon said, "The West Prince board, acted as master of ceremonies and spoke briefly on membership. A board of trade is neighbours getting together to bring out ideas, he said, and trying to persuade the powers that be that the ideas are sound."

Mr. Bryan referred to the need for a recreation centre in Alberton and the proposed ferry at West Point, as projects of considerable merit and benefit to all Islanders.

CONGRATULATIONS

Brief remarks of congratulations were given by George Rogers, Charlottetown, who paid special tribute to the secretary of the West Prince board, C.R. Leard; Edgar Cannon, president of Summerside; A. T.

MACNAUGHT

(Continued from page 1) their commitments on the causeway as the Conservatives. "The Tories made a political football out of the causeway," he charged. "I want the opportunity to make a thorough study of all the available reports on the technical and economic feasibility of the project before making any statements about it."

Mr. MacNaught said that he has been approached by three or four people who have indicated their interest in the position of lieutenant-governor of P.E.I. Before the election it had been expected that Mr. Dieckmeyer would appoint Conservative Premier Walter Shaw. Now, with the change of government, a supporter of the Liberal party is expected to receive the appointment to succeed F. Walter Hyndman. Mr. MacNaught said the appointment was one that will have to be made fairly soon and the office was not without its attractions.

MOVING TO OTTAWA

The new Island cabinet members plans to close out his Summerside law practice as soon as he can. His family will be moving to Ottawa with him before long and in the meantime he hopes to get home as often as possible. He plans to fly to the Island this week before returning for another round of almost daily cabinet meetings next week.

Of his immediate work as solicitor general, he said he will be dealing with the commutation and remission of sentences and will be in close touch with the national parole board. Cases requiring special attention for parole will come to him and he will be assigned to him by the cabinet, one of these perhaps being the looking after of all bankruptcy cases which are now handled in a branch of the department of Justice.

He hopes to secure an executive assistant from the Island, in the meantime he is being assisted by a staff member headed by Mrs. R. Copp as private secretary.

community to join in the celebration in order to deserve the name, "The Cradle of Confederation."

IMPORTANT CROP

Corn is important source of staple foods for West Pakistan's 43,000,000 people. About 1,000,000 acres are grown annually.

The confederation building will be a 12-story building in an urban area and in 100 years it will be the first memorial to the founding of Canada, Dr. MacKinnon stated. In closing he urged every

RAMSAY FUNERAL — The funeral of Mrs. Peter Ramsay was held at Elmshade United Church, Wednesday afternoon. The service was conducted by Rev. David MacDonald.
