

SPORTS AT THE RINK.

A Good Attendance But a Rather Slow Programme.

The sports at the rink last night were very well attended. The programme was rather short throughout, however, and some of the most interesting events were not pulled off. The half mile run was very close between L. B. McMillan and D. A. McKinnon, the former winning by two or three yards. The tug of war between teams from Nos. 1 and 2 Cos., C. A., was won by No. 1. In the boys race Jas. McMillan was thrown by what seemed to be a foul so that he took no place in the finish. The violin selections by Mr. W. A. Grant accompanied by Miss McLean were very well rendered. The following were winners in the different events:—
50 yards dash—J. Harry Ritchie.
220 yards run—1, Harry Ritchie, 2, D. S. McKinnon.
Half mile run—1, L. B. McMillan; 2, D. A. McKinnon.
Boys race, 110 yards—1, F. Rice; 2, V. Woods.
Pole vault—1, Harry Gaudet; 2, Wm McDonald.
Running high jump—1, Wm Flood; 2, Harry Gaudet.
Hop step and jump—1, Wm Flood, 2, Wm McDonald; 3, Geo Newson.
Tug of war—No 1 Co, C. A.

GRACE CHURCH.—The service in Grace Church tomorrow morning will be of a unique character. The sermon by the Pastor on "Beware of Dogs" will be illustrated by recitations of the silver medalists of the Demorest contest, and others. The singing by a choir of over twenty children will be a special feature. A sermon to teachers at night.

DEATH OF STEPHEN MACDONALD.—Mr. Stephen Macdonald, whose death at the comparatively early age of 44 years we announce today, was well known and deservedly esteemed. He was for several years engineer of one of the ferry steamers plying between Charlottetown and Southport, and was well liked by his associates and the travelling public. A year or two ago he was attacked by cancer, and was obliged to retire from active work. He leaves a widow and three children to mourn their loss.

WITH A FORGED CHECK.—The Cincinnati Commercial Tribune says: Several days ago one of the local banks discovered that a check drawn in favor of the Methodist Book Concern, which had been deposited by it and gone through the Clearing House in regular form, was a forged one. As the check however was only for \$5, instead of sending it back to the clearing bank the teller took it to the Methodist Book Concern and told them it was a forgery. After looking at it carefully in a thoughtful manner the head of the firm said that a man purchased a Bible with that check.

THE ART OF SAVING.—Fiber and Fabric, a trade journal, tells the following story, which speaks for itself: A young man who went to Boston last fall succeeded in getting work at \$1 a day. He had no money and doubted his ability to live on such wages. He found a lunch room in Washington Street, where twenty-one meal tickets were sold for \$1, or at the rate of 4 1/2 cents a meal. He obtained a room for \$1 a week. As a result of his steady labor and persistent economy from Oct. 1st to March 20th, he had been able to buy two new suits of clothes and put \$75 in the savings bank. He now has \$125 in the bank and hopes by next spring to have cash enough to start a little business of his own.

OPERA HOUSE.—The Frankie Carpenter Co., scored another success at the Opera House last evening. "Triss," a comedy-drama of western life and picturing incidents of the old mining days in California in "49" was presented in an excellent manner. Too much cannot be said in praise of Mr. Grady's rendering of the character of "Judge Lovetoddy," while Miss Frankie as "Triss," a rough child brought up among the miners, captivated and highly pleased the audience. The songs of both Mr. Grady and Miss Frankie were well received and they responded to several encores. Tonight the "Ranch King" will be presented, Mr. Grady playing the part of negro. The famous cake walk as presented on Wednesday evening will be repeated by special request. As this is the last performance to be given here by this company, they should be greeted this evening by a large audience.
