* Exhibition

All games start at 1:30 p.m.

Miss Barb Mullaly would like to extend a warm welcome to all freshman girls, as well as all returning girls with an invitation to participate in the excellent intramural program which the department has to offer. Contrary to what you may think about intramurals, you do not need to have any previous experience to participate. The purpose of the program, states Barb, is to provide recreation for the student in an atmosphere where she is able to learn a new skill or improve on an existing one if this is her desire.

It is the hope of the department that the number of students involved in the program will be large, because only in this way can there be a truly successful program. Therefore the department urges all to get involved in your program.
