NEW YORK

NEW YORK (AP)—Airlines and glamor stocks showed some sharp losses Friday and the over-all stock market declined in advance of the long Labor Day weekend. Trading was moderate.

Volume was 6,080,000 shares compared with 6,250,000 Thursday.

The market rallied above its lows when the Dow Jones industrial average was down to a thumping loss of 13.20. At the close, the average showed a decline of only 4.40 at 787.69.

The market was weak from the start as traders took profits on three days of sharp recovery from the 2½-year lows reached Monday when the seven-month slide appeared to have reached a temporary bottom.

Airline stocks were down 4 or 5 points in some instances. Losses ran that bad or even worse among some of the glamor stocks in other groups.

Standard and Poor's 500-stock index fell .28 to 77.42.

The New York Exchange's composite index was down .13 to 41.81.

The Associated Press average of 60 stocks lost .1 at 283.8 with industrials down .7, rails down .3 and utilities up .9.

Of 1,391 issues traded, 516 rose and 619 fell. New lows for the year totalled 94. There were no new highs.

The blue chips, resurgent in the last couple of sessions, also fell victim to profit taking. General Motors, off 1⅛, and American Telephone, off ⅝, both were among the volume leaders.

Among Canadian issues, Dome Mines advanced 1⅜, McIntyre Porcupine ½. Alcan and Granby Mining dropped ½, Distillers Seagrams, Hudson Bay Mining and Walker Gooderham ¼, Canadian Pacific ⅜, International Nickel ⅛.

Prices declined irregularly on the American Exchange. Volume was 1,370,000 shares compared with 1,410,000 Thursday. Among Canadians, Fargo Oil gained 1-16. Preston lost ¼, Brazilian Light and Power ⅛. Molybdenite 1-16.

MONTREAL

MONTREAL (CP)—Stocks on the Montreal Stock Exchange closed lower Friday for the first time in four days. Trading was light.

Brokers said the upturn of the past three days was not able to establish itself against the prevailing conditions making for a lower market, such as inflation, tight money and higher bond yields. The rally had been a technical reaction to an oversold condition, they added.

Declines beat advances 44 to 34 on the Montreal exchange; combined figures for both lists were 80 to 60.

Brinco was the most active senior issue Friday for the fourth straight day, trading 14,630 shares and finishing ⅛ up at 5⅞.

Alcan, second most active in sales of 12,634 shares, lost ⅝ to 29¾.

Other losses in the generally shaded industrials included Moore Corp., off 1¼ points at 76¾; Canada Cement, Dominion Textile and Massey-Ferguson, each down ½ at 38, 29 and 27 respectively.

Among the winners were Labatt, up ½ at 17¾, and Atlantic Sugar and Imperial Tobacco, each ¼ higher at 9¾ and 14¼ respectively.

UTILITIES DOWN

Utilities were narrowly lower. Maritime Telephone and Nova Scotia Light each weakened ¼ at 22¾ and 10¾, the later figure a new low.

Among senior oils Home A slipped ½ to 20¼ while Imperial added ⅜ at 51⅝.

Hudson Bay Mining fell 1¼ points to 70¾ in late afternoon dealings. International Nickel was off ⅜ at 84⅛.

Papers finished stronger. B.C. Forest advanced ⅝ to 20¾ and Consolidated ½ to 36½.

On the Canadian exchange, Carbec Mines, volume leader in transactions of 128,000 shares, lost two cents at 40½ cents.

Industrial volume was 119,100 shares and mines and oils 722,100 shares, compared with 132,900 and 1,020,500 Thursday.

On index, industrials eased 0.46 at 144.81; utilities 0.28 at 132.27; banks 0.21 at 110.00; papers advanced 0.48 at 109.21. The composite index fell 0.40 at 139.14.

Both Montreal exchanges will be closed Monday, Sept. 5 in observance of Labor Day.

TORONTO

TORONTO (CP)—Losses were trimmed in late trading on the Toronto Stock Exchange Friday, but not enough for prices to reach the plus side.

The modest decline snapped a three-day rally and with it the hopes of investors that the market might be on the way to recovery.

Most analysts agreed the rally would be of short duration, and that it was nothing more than a "technical rally" resulting from an "oversold position."

One said nothing has happened which could account for any sustained recovery.

Volume was extremely light with only 2,132,000 shares changing hands compared with 2,536,000 Thursday. Despite the drop advances outnumbered declines 208 to 161 with 231 issues unchanged.

In the main list, Chrysler was off 2½ to 38½. Ford 5 to a low of 132, B.C. Telephone 1 to 60 and Alcan ⅝ to 29⅜.

Hudson Bay retreated 1¼ to 70¾ in base metals while Dome was up ¾ to 47 in golds.

On index, golds were up .45 to 169.31 and western oils .12 to 97.33. Base metals were off .78 to 87.29 and the TSE .33 to 139.89.

NEW GERMAN AIR CHIEF NAMED

West German Defense Minister Kai-Dwe von Hassel, LEFT, hands appointment to Lt. Gen. Johannes Steinhoff as new commander of the Air Force Friday in Bonn. During the war Steinhoff shot down 167 Allied planes and was shot down 8 times himself. The appointment follows the resignation of Lt. Gen Werner Panitzki who quit in protest over the controversial Fu04C fighter-bomber plane with which the West German Air Force is equipped. Since they were accepted by the Germans 62 of the planes have crashed. (AP Wirephoto via cable from Bonn)
