Murray River and Vicinity

...The many friends of Mrs. William Whiteway Dover are sorry to hear that she is a patient in the King's County Hospital.

Mr. and Mrs. Conn Murphy, Charlottetown, were recent visitors to Murray River where they were the guests of Mr. and Mrs. Fred G. Johnston and Mr. and Mrs. Emerson K. Johnston.

Miss Janie Whiteway, employee of the King's County Hospital, Montague, was a weekend visitor to her home in Dover, guest of her parents, Mr. and Mrs. George Whiteway.

Mrs. Tena Stymest, Murray River, has returned to her home after spending a few days in Charlottetown, visiting friends.

Bristol and Vicinity

Mr. Joseph A. MacDonald was a business visitor to the city recently.

Mr. Anthony Dunn has returned from a very pleasant motor trip to Boston, where she spent two weeks with friends and relatives.

Mrs. Margaret Villard was a business visitor to the city recently when she visited some good friends in hospital.

Mrs. Melvine Burns entered the Charlottetown Hospital on Friday afternoon, Nov. 16th, where she underwent an operation the following morning. She was Josephine MacDonald before her marriage and resides in the city now.

New doors have been installed at the basement entrance of the Memorial Hall. This is a big improvement for those who are going to bowl as the alleys are in the basement and the main hall and show rooms above.

Father Frank Alward, of the S.D.U. staff, celebrated two masses here on Remembrance Day in the absence of the pastor who is away on business. Father Frank, a native of this vicinity, is a wonderful preacher, and is always welcome back home.

Mr. Reuben Drake and Mr. James Kennelick have done a wonderful job of cutting the trees along the old back farm road. Those using the road are high in their praise of the job done on the dangerous turns where the trees had grown almost across the road. The men cut the trees back a hundred yards into the woods to give a clear view of the bends.

Friends are pleased to learn that the condition of Joe MacDonald, of the Charlottetown Hospital veterans' section for the past six weeks, is improving and he expects to be out before much longer. He has been suffering from severe back and leg trouble.

A resident of Bristol, Miss Mabel O'Brien, has something she will long remember, and that is a hand shake with our future Queen and Duke when they were here. Miss O'Brien was a guest at the state dinner and the memory of meeting the royal couple face to face will never die.

Friends are sorry to hear of the passing of Mrs. Danny Sinnott at her home in Sinnott Road after an illness of several months. She had been a patient in the Charlottetown Hospital for some time but her illness was beyond medical aid and she was moved home where her last weeks were spent with her family. She passed away early Sunday morning, Nov. 11th. Her funeral was held to the Church of St. Laurence on Tuesday morning, and was largely attended.

Protestant Clergy Backs Criticism of Liquor Policy

MONTREAL, Nov. 20—Protestant clerical leaders, including officers of the Quebec Temperance League, have endorsed a province-wide campaign launched by Roman Catholic archbishops and bishops for stricter enforcement of liquor laws and the progressive reduction of the number of licensed liquor dispensing establishments.

Beginning today a petition will be circulated in all Roman Catholic parishes for signatures to be sent to Premier and Attorney General Maurice Duplessis, urging him to order stricter enforcement of the laws which, the petition maintains, are not being observed in this province, particularly on Sundays and other religious holidays.

Rt. Rev. John Dixon, Bishop of Montreal, said that though "we were not consulted on the project... it displays very laudable initiative."

Rev. Ralph E. Spencer, minister at St. Luke's United Church and president of the Quebec Temperance League, praised the five points emphasized in the petition and said that government action on all of them "should result in an improvement throughout the province."

Damages Case Is Continued At Georgetown

An action for damages amounting to \$50,000 brought by Helena L. Robertson, plaintiff, executrix for Allan Herbert Robertson, deceased, testate as defendant, and Chester Burke, third party, continued yesterday in Georgetown. Mr. Justice Mark R. McGuigan is presiding.

The plaintiff is claiming damages in the death of Allan Herbert Robertson "caused by the negligent operation of the defendant's railway by a level crossing."

The case began Monday. When court resumed yesterday testimony of Chester Burke, Fortune, was continued. He had been on the stand when court adjourned Monday. Burke was driver of an automobile in which Allan Herbert Robertson was a passenger when he was killed at a level crossing accident near Cardigan on Sept. 25, 1935.

Other witnesses at the morning sitting included Fred Currie, C. N. R. conductor, Georgetown, and Mrs. Winnifred Burke, Fortune, wife of Chester Burke and a passenger in the car at the time of the accident.

When the court resumed at 2:15 in the afternoon, Walter Hyndman, life insurance underwriter of Charlottetown was called, and Mrs. Burke completed her evidence later. She was followed by Alston Burke, Bay Fortune, son of Mr. and Mrs. Chester Burke, and a part-time service station operator, Mrs. Helena L. Robertson, the plaintiff, who was on the stand when court adjourned until this morning.

LONDON, Nov. 20—(Reuters)—Britain's radio star with the sepulchral voice, Valentine Dyall, who vanished last week, telephoned the BBC from Paris last night to apologize for his absence.

The 40-year-old actor, who chills British audiences with tales of horror and mystery, was reported missing last week. A BBC spokesman said Dyall reported that he was unable to keep his broadcast date for "personal reasons."

Considerable Evidence 6,000 U.S. Soldiers Were Victims Of Atrocities

By Nate Polowetzky TOKYO, Nov. 21—(Wednesday)—General headquarters said yesterday there was considerable evidence that approximately 6,000 United States soldiers captured by the Communists were victims of "death by atrocity."

The statement from Gen. Matthew Ridgway's headquarters emphasized, however, that "there is no conclusive proof as to the number of dead" among the 10,836 Americans still missing.

The estimate was 500 higher than that made last week by Col. James Hanley, chief of the Eighth Army's war crimes section.

Both the Chinese Communist and the North Korean radios denied Hanley's charge. The Communists in turn accused the United Nations command of killing or starving to death 17,000 Red prisoners.

Hanley apparently anticipated this. His report declared that all Red prisoners were well cared for in accordance with the Geneva Convention governing treatment of prisoners-of-war.

While public information officers would not comment, the latest statement from the headquarters of the Supreme U. N. Commander apparently was issued at Washington's prompting.

The U. S. Defence Department asked for clarification of a statement issued by Ridgway during the week-end which backed up Hanley's report of atrocities but gave no figures.

Valleyfield W.I. Annual Meeting

The November meeting of the Valleyfield Women's Institute was held on Wednesday night, Nov. 14 at the home of Mrs. W. A. MacLeod, with the vice-president, Mrs. J. MacPherson presiding. The meeting opened by singing the "Island Hymn" followed by repeating the collect in unison.

Seven members responded to roll call by paying the annual fee and the secretary, Mrs. H. VanBuskirk, read the minutes of the last annual meeting which was held at the home of Mrs. M. A. MacLeod. She also read the minutes of the last meeting which was held at the home of Mrs. Herb and Miss Jean MacKenzie.

The treasurer, Mrs. W. A. MacLeod, reported on \$63.38 on hand. The correspondence was then read. This being the annual meeting, a review showed that eleven meetings were held during the year with a membership of thirteen. Two members, Mrs. J. MacPherson and Mrs. Alex Martin, were absent.

All letters received from supervisors, executive convenors, as well as all correspondence have been read at meetings by the secretary. All meetings were held in the homes of members. Besides the above-mentioned hostesses, the following entertained during the year: Mrs. H. VanBuskirk, Mrs. H. MacPherson, Mrs. J. MacPherson, Mrs. Angus Martin, Mrs. Fraser, Mrs. W. A. Bruce, Mrs. J. MacPherson, and Mrs. Alex Martin.

Committees visited and treated sick and shut-ins, and also bought a new kettle and treats for the school. Funds were augmented by lunch fees at meetings, various responses to roll call, and commissions on Christmas cards. Remittances were received from Eaton's and Simpson's, and proceeds used for charity. C. L. O. convenors flourished from the Red Cross for the children, and contributions were made to the King's County Hospital, T. B. League, Salvation Army, Cancer Fund, and San Radio Fund.

A new family in the district was welcomed and it was remarked that this branch receives five copies of "Institute News".

The following officers were elected for the coming year: President, Mrs. Clemeth Nickerson; vice-president, Mrs. J. A. MacPherson; secretary, Mrs. H. VanBuskirk; treasurer, Mrs. W. A. MacLeod. The meeting closed by singing "God Save the King", after which the hostess served a delicious lunch.

Grain

WINNIPEG, Nov. 20 (CP)—Prices were irregular at the close today on the Winnipeg Grain Exchange. The easier tone was prompted by late declines on Chicago markets.

Early in the trade here, most grains moved up to new seasonal highs, but these advances were reduced or erased as offerings increased towards the close.

Flax dropped off below previous closing levels, but other grains held firm. Good commercial demand gave the grains the good tone in early stages.
