THE Telephone Company OF P. E. ISLAND. PARTIES using the Telephone would find talking much more satisfactory if they would observe the following rules:— 1st. Speak with the mouth about four inches from the transmitter. 2nd. Speak in a moderate tone of voice, not too loud and distinctly. 3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear. It is possible to talk and be heard when standing back two or three feet from the transmitter, if you speak loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice. ROB ANGLUS, Manager. ap7

SAVED! The testimonial below refers to a patient who was pronounced incurable by leading physicians in England: From Rev. Dr. Hill. M. F. Kagar, Esq. HALIFAX, N. S. Dear Sir,—I feel that it is due to you that I should say publicly what I have said privately very many times, namely, that I firmly believe your PHOSPHOLEINE was the means of restoring a near relative of mine to ordinary health. The patient was apparently in the last stages of Consumption, but with the concurrence of skillful physicians your PHOSPHOLEINE was tried, and, I am happy to say, with results that I certainly did not anticipate. My friend is to-day in the enjoyment of excellent health. Believe me, yours very truly, GEORGE W. HILL, D. C. L. Rector St. Paul's.

ARE YOU CONVINCED? PHOSPHOLEINE! (Pronounced FOS-FO-LEEN). Can be had from all druggists and dealers at 50 cents per bottle. For sale by Geo. E. Hughes and Reddin Bros., Charlottetown.
