Mt. Stewart Makes Good Showing

The miserable weather yesterday afternoon did not dampen the enthusiasm of the 65 donors who were on hand at the Red Cross blood donor clinic held in St. Andrew's Hall at Mount Stewart between 2 and 4 p.m. Forty-two of these donors were residents of Mt. Stewart while the remaining 23 were from the following districts: Pisquid East and West, Cherry Hill, Head of Hillsboro, Charlottetown, Glenroy, Savage Harbor, Bristol Lot 40, Georgetown and Peak's. The fact that 41.5 per cent of these donors were "new" ones is proof that more people are realizing the need there is for their support of this free Red Cross blood transfusion service from which so many are benefiting.

NOTICE

I will not be receiving potatoes at my warehouse in Souris except by appointment, until further notice.

been fine it would have been possible for donors from the surrounding area to be present and in this way there would not have been any difficulty in reaching the objective of 100. Members of the Ladies' Aid of the United Church and the Catholic Women's League provided delicious refreshments which they served themselves while a group of ladies who had received first aid training under Miss Ida MacKay, Public Health Nurse, looked after the donors on the rest beds. Members of the Junior Red Cross of Mt. Stewart school played a very important part in carrying out other tasks in connection with the clinic's operation.
