Man Found Unconscious Last Night On Road At Bedouque After Accident

Found lying on the highway at Bedouque in an unconscious condition about 10 p.m. last evening, Kenneth Groundwater, who is employed in Summerside but residing in Bedouque, was taken to Prince County Hospital where, with head and other possible injuries, he was still unconscious at midnight.

Groundwater, said to be in his twenties, was found face down on the pavement at the intersection of the Trans-Canada Highway and the road leading from Summerside to Bedouque. Nearby in the ditch was his motorcycle. The injured man, who is believed to have fallen from the motorcycle which may have struck the shoulder of the road, was found by Mr. Reg Reeves of Freetown who was proceeding towards Summerside.

Mr. Reeves sent his son to the nearby home of Harold Clark to summon Dr. H. M. Simms of Bedouque who had the injured man removed to the Prince County Hospital by ambulance. It is reported that Mr. Groundwater is a native of New Brunswick. - S.

Many Entries For Flower Show At S'side Next Week

A much larger and more beautiful display than ever is expected next Tuesday and Wednesday, Aug. 24th and 25th at the third annual provincial flower show being held in the Baptist Church Hall, Summerside. The show is sponsored by the Abegweit Chapter of the I.O.D.E. under the patronage of Mrs. Leslie Simmons.

Voluntariness inquiries have resulted in a large number of entry lists being sent out, with many new exhibitors expected to be displaying their various colorful blooms and the sponsoring committee feels that this year's show should result in one of the finest exhibitions of its kind in Canada.

Additional features this year include a section for potted plants, a children's corner, with a special prize being offered by the Community Planning Association of Summerside and a white basket of red, yellow, green and white flowers depicting the Prince Edward Island coat of arms.

The I.O.D.E. is offering two prizes for the coat of arms display, first prize being donated by Mrs. Arthur Allen and the second awarded by Miss Wanda Wyatt. Two trophies are competed for annually, the Maurice Mill silver rosette bowl for the greatest number of points acquired by an exhibitor in the show and the R. T. Holman silver tray for the best individual decoration. Prizes from various members of the Association are also donating prizes for other phases of the flower show.

Mrs. Daisy Alward of Moncton will judge the centre pieces and table decorations and Mr. Wilfred Cudmore of Charlottetown and Mr. Gordon Warren of the Experimental Station, Charlottetown will judge the floral display which is forecast to be larger and more brilliant than ever before.

Sport Echoes From Prince County

The junior baseball clubs of Summerside and Charlottetown have been busy so far disappointing the home fans. Summerside C. & B. took a close 1-0 decision in Charlottetown under the lights, and then lost a 7-5 affair to Randy Edwards' boys in Summerside. They'd make the cash customers a lot happier if they reversed this procedure.

What looked like a very dull, uneventful contest between the Abie Intermediates and Summerside Intermediates in Charlottetown on Thursday night turned into a hair-raising, thriller-diller in the last of the ninth inning, when with the score 9-1, Summerside went on an seven-run scoring rampage, took a vicious snap at the bat, but failed to bring it home. Joe Bernard was coming platewards with the tying run, but the strong right arm of Elmer McNeill cut him down at the plate, and the first game of the best of seven series was in the Abegweit bag.

We've seen so many ball games decided one way or the other by that long throw from the outfield to the home plate. We often wondered why the fielders didn't practice that throw more often in practice sessions. We were mentioning that to a fan the other day before a ball game, and just as we spoke, sure enough, Johnnie Carroll was making his outfielders throw home after catching the long fly. So it seems the boys do practice that important play after all.

In that first game between the junior squads, which we were unable to attend, someone told me that a fielder caught an infield fly and doubled up one of the runners, but the out was not allowed, as the ball was ruled "dead." This may be a false report. Certainly in the case of the "infield fly" the ball is not dead, and the runners advance at their own risk.

Island sports in general, and especially activities in and around Summerside will suffer a serious loss when James Hogan, Prince County physical fitness director, resigns his position to accept the position of personnel manager at R. T. Holman Ltd. Jimmie has been a leading spirit in Summerside sports for some years now. He was a tireless worker for the cause, and his integrity was unquestioned. As an umpire, one of the best seen in these parts, he was fearless in his decisions, and hued to the line, even when the chips fell all around the home plate. Jimmie has the driving force and personality to make good in a big way in his new job, and it will be very difficult to get a successor that will measure up to his high standard in the sports world. Jimmie will naturally not divorce himself entirely from sports activities as his heart is in "the game." Help to the sporting fraternity goes without saying, and sports fans can take some measure of comfort from that fact.

The Air Force Daks, with this ash blonde bombshell, Judy Preboy, in the leading role, have taken a 1-0 lead in the ladies Island softball championships. The game was as close as you can get it with a decision. 11-10 score gives an idea what a merry scrap this series will be before a champion is crowned. We hope the powers-that-be haven't scheduled the remaining games to conflict with other important playoff fixtures as the fans would like, and are entitled, to see them all if it is possible to stagger the games at all.

Aussies Lead In Canada Cup Play

Water Acceptable For Swimming

As a result of recent reports that the water in Summerside harbour was unfit for swimming, the Summerside Y's Men's Club, which sponsored swimming classes and water safety tests at Linkletter Shore, felt it advisable to have the water in that area tested by the Department of Health and Welfare.

The results were extremely encouraging as a representative from the department, after conducting the tests, reported that the water was very acceptable for swimming. Mexico Defeats Canada in Opening Davis Cup Matches

MEXICO CITY (CP)—Mexico's Davis cup team defeated Canada in two straight singles matches Friday, leaving the visitors a long uphill climb to avoid elimination in the second round of the North American zone play-offs.

And uphill appeared to be the key word for the Canadians. Despite 10 days of practice, Lorne Maine of Toronto and Vancouver and Bob Bedard of Sherbrooke, Que., had difficulty coping with the unaccustomed things Mexico's 7,500-foot altitude does to a tennis ball.

Mario Llamas whipped Main 6-3, 6-4, 6-3 in the opening match. Then Gustavo Palafox, the Mexican national champion, disposed of Bedard 8-6, 6-3, 7-6, 6-0.

Main and Bedard had practised long enough to condition themselves physically to the thinner Mexican atmosphere. But they appeared unprepared for the behavior of the ball at the high altitude, which made it move faster.

A further bad break hit Bedard when he suffered a stomach ailment early in the last set and barely went through the motions

feet with huge forearms hanging by its side. A dog doesn't stand on its hind legs just to get a better look at a person neither does a man crawl out of the bushes on his hands and knees, at least not under ordinary circumstances.

The young hunter got out for home with the speed of the wind. He must have been wearing Seven League boots for they tell me he only touched the ground every 22 yards . . . a measured chain.

Funeral Service At Reads Corner

The funeral of Mrs. William Arthur Matheson of Reads Corner, whose death occurred on Wednesday, August 4, was held from his late home on August 6, at 2 p.m. The service was conducted by his pastor, the Rev. J. H. Bishop of Charlottetown, and interment was in the Wilmot cemetery. The estate in which he was held was attested by the large attendance of friends and relatives at the funeral.

The pall bearers were Brecken Simmonds, Brenton Waugh, Bennett Crozier, Hiram Lecco, Wymon Cairns and William Letfury. Mr. Matheson was the son of the late Donald and Amanda MacNeill Matheson and was in his 73rd year.

He is survived by his widow, the former Wanda Small of Wilmot, who tenderly nursed him during his six years of illness, and two sons, Alfred on the homestead, Arthur at Bedford and Kenneth of England, who with his wife and son left three days before his father's death for England after spending two months with his parents, and Mrs. George Dixon of Moncton.

He is also survived by eight grandchildren and four sisters, Mrs. Misese Anne and Georgina and Mrs. Marjory Chamption, Travellers Rest, Mrs. Clarence Gensaul, who with her husband and family had left a week before for her home in California after spending four weeks on the island, and one brother, Charles Matheson of Alaska.

New Manager For PC Hospital Announced

The appointment of a manager for Prince County Hospital was announced yesterday by members of the Board of Trustees.

Assuming the duties of this newly created position is Mr. Philip Rickard who comes to this country with 18 years of experience in the field of hospital administration in England. He will take up his new position at the Prince County Hospital in about 10 days.

Mr. Rickard, who recently met with the Board of Trustees has returned to Toronto to bring his wife and family to Summerside.

Under the new set-up the matron, Mrs. S. J. MacLellan, will be able to confine her responsibilities to the care of patients and supervision of the nursing and house-keeping staff, while Mr. George MacQuarrie will continue his work as secretary-treasurer.

Finals In Prince County "B" League Are Announced

The finals in the Prince County Intermediate "B" Baseball League have been scheduled as follows: On Sunday, August 22, the Tignish Royal Aces will tackle the Wellington team at their diamond at Richmond near the new Catholic Church, while Lennox Island will travel to Grand River to battle the Grand River players on the same day.

Following Sunday, August 23, the two visiting teams will play return games, with double headers if need be, on their own diamond to determine the best two teams out of four to play off against the winning team of Queen's and King's Counties for the Island cup. All games will start at 2 p.m.

A great deal of interest is anticipated in these games for reason that during the last two years the Tignish Royal Aces have won both the Prince County and Island trophies.

All-American Final In Can. Golf Championship

By W. R. WHEATLEY Canadian Press Staff Writer LONDON, Ont. (CP) - Harvie Ward, Jr., of San Francisco and Big Bill Campbell of Huntington, W. Va., scored lopsided victories and Friday in the semi-finals of the Canadian amateur golf championship, and the week-long tournament comes down to an all-American final for the third time in its history.

Ward trounced 21-year-old Lyle Crawford of Vancouver 9 and 7 and Campbell also ended his match on the 29th green with 8 and 7 victory over Harry Haverstick, Jr., of Lancaster, Pa.

The ultimate winners ran up such wide margins in the morning half of Friday's play that the sparse gallery of about 300 had little to enthuse over.

In the Canadian amateur and Campbell's second.

Big Bill, 32-year-old insurance man, was runner-up in 1952 at Vancouver to Larry Boucher of Inglewood, Calif. This year he was runner-up in the British Open.

Previous to 1952, the only time the Canadian final has been an all-American show was in 1929, at Jasper, Alta., when Eddie Held of New York defeated another New Yorker, Gardiner White.

Ward, a native of Tarboro, N. C., is 28 and has long ranked as one of the top-notch amateurs in the United States. He won the British amateur in 1952 and was runner-up last year.

ble to come in at 73.

The favored United States team of Sam Sneed and Jimmy Demaret finished at 144, three strokes back of Canada.

Sneed, who set an unofficial course record of 63 Thursday, could get untracked. He was over par on six holes and shot four birdies for a 74. Thursday, he never saw the wrong side of par in his blistering round.

Demaret played steady, unseasonal golf in turning in a 70. His card included four birdies.

50th Anniversary of Egmont Bay, Mont Carmel Exhibition On Monday

The fiftieth anniversary of the founding of the Egmont Bay and Mont Carmel exhibition will be celebrated Monday, August 23rd on the exhibition grounds at Abrams' Village.

The first exhibition in this district was held in 1904 on the school grounds at Urbainville as an incentive to the farmers and young people of that area to strive for improvement in the growing of farm produce and the raising of livestock. It proved an overwhelming success and the remainder of the parish were invited to participate and as more space was needed the exhibition site was moved to Egmont Bay parish hall and adjoining grounds.

Mont Carmel was admitted to the organization the next year, but it wasn't until 1938 that the present site of Abrams' Village was purchased to accommodate the ever growing function.

Congratulations are being extended to the progressive citizens of these communities who are ever looking ahead to make the Egmont Bay and Mont Carmel exhibition one of the Island's finest. - S.
