PERSONAL.

Mr. Benj. C. Richards left today for Sydney.

Dr. Shaw left this morning for New Glasgow.

Mrs. F. P. Carvell returned last evening from an extended visit to the Old Country.

Prof. Hamill, D. D., left by the Princess today for Halifax to attend the Nova Scotia Sunday School convention.

Messrs. Goffe and Kirkwood, assistant editors of the Canadian Trade Review, left this morning on return to Toronto.

Mr. John A. Robertson, of Montreal, one of the best known commercial travelers on this circuit, is at the Hotel Davies.

It is pleasing to learn that Dr. Conroy is recovering from his severe illness. He was able to be out for a short time yesterday.

Mr. G. Crawford of St. John, who has been in Charlottetown for several days, crossed to Pictou by the Princess to-day en route to Sydney.

Father McKinnon, who was Chaplain of the San Francisco regiment in the Philippines during the war with Spain, arrived last night from Washington where he had gone from Manila on official business. He leaves early next week for Washington, on return to Manila.

Dr. Russell, M. P. for Halifax, is a clever man, who has, as the Gazette remarks, placed his intellect at the absolute service of his party. Again and again he has been put up in the House of Commons to argue impossibilities, and even to make talk about nothing when the Government had no business to bring forward. He has now received his reward for subserviency. His constituency have no further use for him, and the Liberal executive have waited upon him to ask upon what terms he will retire from the field.

Mr. George E. Casey, for twenty-six years M. P. for West Elgin, announces his retirement. When Mr. Casey went into the Liberal convention for renomination he found "the machine" was working against him, the evidence being the fact that there were more ballots cast than there were accredited delegates at the meeting. Seeing what he was up against, he gave way before his new Liberal opponents.—Gazette.

FAMILY RECORD

One of the most beautiful pictures in colors. Upon a background of PURE GOLD rests the FAMILY RECORD in the shape of a handsome volume with GOLD CLASPS upon a cover of crimson velvet with a beautiful GOLD TASSEL. On the pages, under different headings, are spaces in which to write the name and date of birth. On either side is a beautiful scroll on which to record marriages and deaths. On top of the picture are the words, "FAMILY RECORD" in the richest lettering known to the printer's art. Under this are spaces for father's and mother's pictures. In the lower part of the picture is a BEAUTIFUL HOME SCENE, THE DEAR OLD GRAND PARENTS, THE HANDSOME, STAINLESS HUSBAND AND HAPPY YOUNG WIFE, THE LOVING DAUGHTER and BABY-BY—THE IDOLIZED GRANDCHILDREN—all gathered around the table, with grandfather reading a portion of Scripture to all. A truly beautiful scene. Underneath are the words, "GOD BLESS OUR FAMILY." Around this picture are eight spaces for photographs of other members of the family, each space enclosing a gem flower piece. Elsewhere on the picture are scattered creeping vines, buds and blossoms in rich confusion, the whole resting on, and thrown in a bold relief by the gorgeous background of solid gold which produces a picture of DAZZLING BEAUTY.
