WASHING Made easy and pleasant by the use of Boston Chemical Washing Powder.

THIS Soap Powder, prepared by a practical Chemist, is superior for washing clothes, cleaning paint work, removing grease from woollens and takes the place of other soap for cleansing purposes. One package with five minutes labor makes two gallons of pure soft soap. Thousands of families have adopted its use and give it the preference over all other saponaceous compounds.

For Restoring, Preserving & Beautifying THE HAIR

THIS elegant preparation is an effectual remedy for Baldness or Falling out of the hair. It prevents and completely eradicates Scruif and Dandruff, strengthens the Roots of the hair, causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scruif, dandruff, and other impurities, which so frequently cause premature decay, and loss of the hair.

The Hungarian Balm is especially adapted to ladies use and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it once and you will be convinced of its superiority over all other compounds for the hair. Much more might be said in favor of this inestimable compound, but it is deemed unnecessary, as the proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it. If you are losing your hair and wish to preserve it. If you are troubled with Dandruff and wish to remove it. If you have any humour of the Scalp and wish to cure it. If you are troubled with Nervous Headache and wish to cure it.

If you have hair cutters at the roots of the hair and wish to destroy them. If you have harsh, dry and wiry hair, and wish it to become soft, pliable and beautiful as Silk; and if you wish to preserve rich, graceful and luxuriant tresses to the latest period of life use PERRY'S HUNGARIAN BALM. Price 25 and 50 cents, in large bottles. W. R. WATSON, Charlotte town, Agent for P. E. Island.
