Grain

WINNIPEG, Sept. 13 — (CP)—Early advances in grain prices were reduced or erased in active late trade today on the Winnipeg Grain Exchange when hedging sales became more liberal. Other selling was based on an easier tone on United States markets. Earlier, good buying appeared in barley, reflecting export business. American demand came into oats, while shippers were buyers of both grains. Processors had picked up flax, and United States interested had purchased rye. Export loadings of Canadian wheat included 310,000 bushels to the United Kingdom and more than 350,000 bushels to the Netherlands. Outside reports said about 6,000,000 bushels of Canadian barley had been sold to the United Kingdom. Class two wheat and I.W.A. prices were down one-eighth cent from yesterday. Closing prices: Oats — Oct. 86 1/4 B; Dec. 84 1/4 A; May 87. Barley — Oct. 1.24 B; Dec. 1.18 1/2 A; May 1.18 1/2 B. Rye — Oct. 1.77 1/4; Dec. 1.72 1/2 A; May 1.75 1/4. Flax — Oct. 4.12; Dec. 3.95 1/4 B; May 3.94.

Sugar Ray Planning Charity Title Defence

By Jack Hand NEW YORK, Sept. 13 — (AP)—Sugar Ray Robinson planned a charity defence of his middleweight title in December today while the big town still babbled about his sensational 10th-round technical-knockout victory over Britain's Randy Turpin. Both Robinson and the sturdy Briton talked of retirement in 1952, probably after a third meeting in London next June. In the meantime both fighters will take a long holiday. Robinson stood in his Harlem bar, wearing dark glasses and a patch over a three-stitch wound over his left eye. Waves of well-wishers struggled to grip his hand. Among his visitors was Joe Louis, his longtime pal. "This was mostly for pride," Robinson said after retiring to his office in the rear of Ray Robinson Enterprises, Inc. "I honestly didn't think of the money until after it was over." Meanwhile, manager George Gainford picked up Ray's share of the bulging sellout gate. Counting an estimated \$60,000 from the movie rights, Robinson will get \$246,461.18. Turpin's share will be \$207,976.99. U. S. and British income taxes will eat up most of the bundle. "How long are you going to keep on fighting?" somebody asked Robinson. "Not too long," he answered. "No more than a year. I know I've slowed up in everything." The Harlem dandy couldn't agree with Turpin's claim that the fight should not have been stopped by referee Ruby Goldstein. "He was helpless," he said. "He couldn't defend himself." "I fought smarter fellows," he said. "Stronger too. But those right hand leads—I never saw anything like it." Robinson will devote much time to the Damon Runyon Cancer Fund for the next two months. He'll resume training in mid-November and hopes to fight for the Heart Fund at Madison Square Garden "around Christmas time." He said the rest of his plans were indefinite. Gainford, however, had definite ideas, calling for 1952 defences against Rocky Graziano in February in Chicago or Detroit, against Laurent Dauthuille in Paris and finally a third bout with Turpin in London. Jack Solomons, British promoter, said he hoped to run the third Turpin-Robinson match at White City Stadium next June. But nothing is definite.

Heavy Fog Hampers Tuna Match

(By Jack Brayley) WEDGEPORF N. S. Sept. 13—(CP)—A shrewd team of icy-eyed Scandinavian anglers retained the lead in the 8th international tuna tournament today by landing another bluefin in a match-spelling fog that tonight had officials considering the possibility of moving the final day of the three day contest to Saturday. The tourney was scheduled to end tomorrow and the decision may not be made until just before the starting time at 7 a.m. Weather predictions offer fog patches and these patches have stuck to this area ever since the world big game fishing classic started Wednesday. Scoring is based on poundage, biggest fish and most caught. Here is the standing tonight. First, Scandinavia, 1,621 1/3 points with an 805 pounder yesterday and today's catch of 483 pounds by Arvid Carlander, Stockholm pulp magnate, after an hour's battle. Second, British Empire, 1,570 1/3 points with a 597-pounder yesterday and today's biggest catch of 640 pounds by Dr. Edwin Coetzee, Johannesburg surgeon and one-time all round athlete, after an hour and 59 minutes. Third, Chile, 726 2/3 points with a 660 pounder yesterday and none today. Fourth, Cuba, 664 1/6 points with today's catch of 597 1-2 pounds by Jose Macia of Havana in 55 minutes. The United States remained scoreless and their hopes were buoyed and dashed with five minutes to go at the closing gun tonight. Major Davis Crowninshield of Ipswich, Mass., felt a stiff pull on his line and his boat went into action. There was a give and in the dense fog he couldn't be sure if he had a tuna. It was important to bring the Americans into the scoring so he maneuvered carefully, but finally decided he had hooked an old cable. "It was pretty disappointing but I guess our luck just isn't good," he said. "Maybe we'll do better on the last day." Today was Cuba's first kill. The press camp was literally in the dark all today as zero visibility combined with rough water and a swell to blackout the fishermen and communications. In order to prevent further confusion the press boat was asked to stay away from the fishing grounds and even the committee craft on the scene had difficulty making contact with the fishermen.

(Continued from Page 6) by Frank A. Ryder, Moncton, N. B. Abner the Great swept the three heats in the class for four year old pacers without much trouble. Jackie's Pride, owned by Pound Bros., Charlottetown and driven by Dave Pound won the first two heats of the three year old trot. Frisco the Great won the last heat. Abner the Great led all the way in the three heats in the four year old class. Freddy Scott, driven by Ray O'Brien, made a valiant bid in the first race but could not catch the Sobeys driven horse. Lindy H. with Claude O'Brien in the sulkie finished second in the second race and Randall MacDonald drove Billy Budlong to second place in the third heat. Abner the Great was barred from the betting in the last two heats and Billy Budlong paid off \$55.00 for a win ticket in the final race. Dave Pound drove Jackie's Pride to a double heat victory in the three year old class after putting on stirring track battles with Frisco the Great and Pal's Irene. Jackie's Pride led from wire to wire in the first two heats. In the first heat he was closely followed by Frisco The Great and the finish was so close at the wire that a photo was required. In the second race Frisco The Great spent half his time on the run and Pal's Irene came on to battle it out with Jackie's Pride. Jackie's Pride was leading slightly as they came onto the stretch but Pal's Irene, racing neck and neck with Jackie's Pride, broke shortly before the wire. Frisco The Great was not to be denied in the last heat as driver Don MacNeill took him home ahead of Pal's Irene and Jackie's Pride. Three more beautiful yellow blankets were presented to the race winners, Royal Bank, Jackie's Pride and Abner The Great by Mr. Donald Seaman on behalf of the P. E. I. Harness Racing Club. Each blanket was inscribed with "Maritime champion, 1951, two year old pacer, three year old trotter or four year old trotter as the case applied to the horse."
