SPECIAL NOTICES.

Holloway's Pills and Ointment.—Bilious disorders —In no organ of the body does disease present itself so frequently and in such varied forms as in the liver, and in no affections is it more important to apply immediate and safe treatment. Holloway's remedies happily place the means of cure within the reach of all: his Pills, aided by energetic friction with his Ointment on the right side, will soon relieve the troublesome dyspeptic symptoms, and perseverance with these preparations will ensure perfect recovery, without any great restrictions in habits or diet. This treatment safely reduces the enlarged liver, so often indicative of too great indulgences in the pleasures of the table, nor is it less efficient in promoting perfect digestion.

TO DYSPEPTICS.

All who suffer the tortunes which this disease inflicts in one form or another of its many phases, can be permanently and speedily cured by using

The Oxygenated Bitters.

The "Weekly Novelette" of Sept. 18, says:

Dyspepsia is one of the prevailing diseases of our country. This is owing both to climate and the almost universal habit of eating our meals too rapidly to admit of proper digestion. But in spite of these adverse circumstances, this disease, even when it has become chronic, disappears rapidly by the use of the Oxygenated Bitters, which have been found to prove an infallible remedy.

From Mr. JOHN D. NASH,

Well known throughout the British Provinces as an extensive Auctioneer.

HALIFAX, N. S., June 16, 1860.

Messrs. SETH W. FOWLE & Co., Boston, Mass.,

Gentlemen:—Having a very high estimation of the value of the OXYGENATED BITTERS, for *dyspepsia* and *debility of the digestive organs*, I take pleasure in giving you a statement of their operation in my own case. Several years since I was severely afflicted with a most aggravating form of DYSPEPSIA, which rendered my ordinary duties a burden. I tried many remedies with no benefit, until I made use of the OXYGENATED BITTERS, and I can say with the utmost confidence that THIS REMEDY ENTIRELY ERADICATED EVERY SYMPTOM of which I was suffering, by the continued use of eight bottles although the first bottle produced a decided change for the better. I consider this remedy to be of inestimable value to those whose stomachs have become deranged by the use of intoxicating liquors or by high living. I now keep them by me, and find their use to be a great promoter of good health.

Yours respectfully,
JOHN D. NASH.

Rev. Sylvanus Cobb thus writes in the "Boston Christian Freeman."

MRS WINSLOW'S SOOTHING SYRUP.—Are all the mothers who read the "Freeman" acquainted with this article, which we have advertised for the last few months? We would by no means recommend any kind of medicine which we did not know to be good—*particularly for infants.* But of this Syrup we can speak from knowledge; in our own family it has proved a blessing indeed, by giving an infant troubled with colic pains quiet sleep, and its parents unbroken rest at night Most parents can appreciate these blessings. We are entirely opposed to the prevalent practice of drugging infants, and would sooner lose our night's rest than consent to such a course. But here is an article which works to perfection, and which is harmless; for the sleep which it affords the infant is perfectly natural, and the little cherub awaks as "bright as a button." And during the process of teething, its value is incalculable. We have frequently heard mothers say they would not be without it from the birth of the child till it had finished with the teething siege on any considerations whatever.

We have spoken of this Syrup for the benefit of our readers who are parents. We know its good value, and have experienced some of the rich blessings which result from its use. Mrs. Winslow is no quack, but a woman of long experience as a Nurse and Female Physician.

All the humanitarian movements of the times although little known as such, can hardly be over estimated in its importance upon the well being of our widely scattered communities. The population of the American States is in many sections so sparse, that skilful Physicians are hardly available to them. Vast numbers of our people are obliged to employ in sickness such medical relief as they can hear of from each other, or indeed any they can get from any quarter. Hence arises the great consumption of Patent Medicines among us, greater by far than in any of the old countries, where skilful physicians are accessible to all classes. Unprincipled men have long availed themselves of this necessity, to palm off their worthless nostrums, until the word has become synonomous with imposition and cheat. One of our leading Chemists in the East, DR AYER, is pursuing a course which defeats this iniquity He brings not only his own but the best skill of our times to bear, for the production of the best remedies which can be made. These are supplied to the world, in a convenient form, at low prices, and the people will no more buy poor medicines instead of good, at the same cost, than they will bran instead of flour. The inevitable consequence of this is, that the vil compounds that flood our country are discarded for those which honestly accomplish the end in view,—which cure. Do we over estimate its importance, in believing that this prospect of supplanting the by-word medicines, with those of actual worth and virtue, is fraught with immense consequence for good to the *masses* of our people.—*Gazette and Chronicle, Peru, Ia.*

AYER'S SARSAPARILLA

Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOLOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins: cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt people enjoy better health, and live longer, for cleansing the blood.—Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

THE DOCTOR FOR ALL!

HOLLOWAY'S PILLS.
Chest Complaints.

No diseases are more frequent, few more dangerous, than affections of the respiratory organs. The first symptoms of catarrh, bronchitis, and influenza may always be radically removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of blood, relieve any overgorged veins, moderate the hurried breathing and enable the lungs to do their office with ease and regularity. These Pills, by their purifying powers, cleanse the blood from all impurities, and fortify the system against consumption, asthma and similar complaints.

Stomach, Liver, Kidneys, and Bowels.

From various causes these organs are frequently getting out of order, and require some suitable medicine to regulate them. Holloway's Pills effect this object with wonderful celerity and certainty. They do not distress the system or weaken the frame; they thoroughly invigorate the digestive organs. They gently excite the stomach and liver, stimulate the kidneys to perform their functions efficiently and act upon the bowels without griping or any other annoyance; again, taken an hour before dinner, they cannot be equalled as a "Dinner Pill" as they entirely prevent acidity, flatulency, nausea and biliousness.

Windy or Watery Dropsy.

Whoever is afflicted with these complaints should at once have recourse to Holloway's Pills. They act most energetically on the glandular and absorbent system, purify the blood, and impart a vigour which age or other causes may have temporarily taken away. They excite the kidneys to increased activity, and thereby stimulate the absorbents to remove the fluid already collected.

Disorders Peculiar to Women.

There is no medicine equal to Holloway's Pills for correcting the ailments incidental to females. They may be taken with safety for any irregularity of the system. As they remove all cause of maladies, and so restore, by their grand purifying properties, females of all ages to robust health.

Influenza, Diptheria and Sore Throat.

How all important it is to check the first departure from health! all may do so by taking Holloway's Pills, without risk or restriction. In all diseases affecting the blood, nerves, and muscles, or in cases of fever, sore throat, colds, cough, asthma and shortness of breath the earlier they are taken the better.

Children's Complaints.

Diseases incidental to children, such as feverish attacks, scarlet fever, measles and all diseases of the skin, may be immediately checked, and soon cured by these purifying Pills, which may be reduced to a powder, and given in doses of one two or three nightly, according to the age of the sufferer. Holloway's Ointment is soothing, cooling and healing and is better adapted than any other remedy for all external ailments.

Indigestion, Bile and Sick Headaches.

No organ in the human body is so liable to disorder as the liver, and none is more apt, when neglected, to become seriously diseased. When nausea, flatulency or acidity on the stomach, warns us that digestion is not proceeding properly, Holloway's Pills regulate every function, give strength to every organ, speedily remove all causes of indigestion, bile and sick headaches, and effect a *permanent* cure.

Lumbago, Rheumatism and Gout

In these diseases, the blood is always in a highly inflammatory state; the stomach is also disordered, and the liver and kidneys unnaturally torpid. A few doses of these Pills, taken in time, will rectify all these symptoms by their cooling and purifying properties.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	Tic-Doloureux
Asthma	Erysipelas	Lumbago	Tumours
Bili's Complaints	Female Irregularities	Piles	Ulcers
Blotches on Skin	Fevers, all kinds	Rheumatism	Venereal Affections
Bow'l complaints	Fits	Retention of Urine	Worms, all kinds
Colics	Gout	Scrofula, or King's Evil	Weakness, from whatever cause &c., &c.
Constipation of the Bowels	Head-ache	Sore Throats	
Consumption	Indigestion	Stone and Gravel	
Debility	Inflammation	Secondary Symptoms	
Dropsy	Jaundice

CHILDREN TEETHING
MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP,
FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

USED TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years' experience, AND PLEDGE OUR *REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE.* In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases *of DYSENTRY and DIARRHŒA IN CHILDREN,* whether it *arises from teething*, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New-York, is on the outside wrapper. Sold by Druggists throughout the world.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD,

And for the *speedy* cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre, or Swelled Neck.

Zebulon Sloan of, Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your *Sarsaparilla a most excellent* alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration of the uterus.* The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER. Sir: I cheerfully comply with the request of *your* agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease.* One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER. Sir I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y Getchell. of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver* My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries, and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

Reliable Testimony.

We call the attention of the reader to the following letter from President Smith, of Wesleyan University:

MIDDLETOWN, Conn., Feb. 28, 1859.

SETH W. FOWLE & CO. — Gentlemen: — I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unprotending recommendation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of service to other members of my family.

Very respectfully yours,
AUGUSTUS W. SMITH.

STODDARD, N. H., Sept. 30, 1859.

Messrs. SETH W. FOWLE & CO.,

Gents: — I was, for many years, a great sufferer from Dyspepsia or Waterbrash, and tried almost everything within my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail; but his confidence inspired me to persevere, and after using to the extent of half a dozen bottles, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent for the various forms of Dyspepsia, that has been produced. Yours,

STEARNS FOSTER.

OXYGENATED BITTERS. — To such of our readers as are troubled with the debility incident to the approach of warm weather, we cordially recommend the use of the Oxygenated Bitters as an invigorating tonic, — containing no alcohol in its composition, and possessing more real merit than any preparation of the kind we have ever known. — *Ogdensburg Republican.*
