SUICIDE SUSPECTED

Actress Marilyn Monroe Dies Tragically At Home

By BOB THOMAS
HOLLYWOOD (AP)—Blonde and beautiful Marilyn Monroe, a glamorous symbol of the gay, exciting life of Hollywood, died tragically Sunday.

Her body was found nude in bed, a probable suicide, she was 36.

The long, troubled star clutched a telephone in one hand. An empty bottle of sleeping pills was nearby.

Miss Monroe, fired from her last movie, had been in seclusion for weeks at her rambling Spanish-style bungalow. At midday she was found by her sister, Eunice Murray, noted a light in the actress' bedroom.

The studio not only dismissed her but sued for \$2,000,000 damages. It claimed she was malingering. She said she had been ill.

In recent weeks there had been reports the film might resume, with Miss Monroe playing opposite Paul Newman. Her original co-star, Dean Martin, was unavailable.

Police said no notes were written. A coroner's representative said an early investigation indicated suicide.

Miss Monroe's lawyer, Milton Ruden, appeared at the home and said he had spoken to her Friday night to discuss a meeting.

"She seemed in good mood," he said. "Naturally she felt very bad that she was not in the picture."

He was still negotiating to resume the picture and she was happy about that possibility," Ruden said.

The actress had been depressed since she was fired from the film in June by the studio where she rose to fame, 20th Century-Fox. In a curious throwback to her early fame as a calendar girl, she had performed a nude swimming scene for the movie.

Police said no notes were written. A coroner's representative said an early investigation indicated suicide.

He was still negotiating to resume the picture and she was happy about that possibility," Ruden said.

STEER MAKES FREEDOM BID

HALIFAX (CP) — An 800-pound steer which made a bolt for freedom from a truck shortly before it was to enter the Nova Scotia Cooperative Abattoir Thursday was still on the loose Sunday night, whereabouts unknown.

When last seen it was weaving through heavy traffic at a suburban Beckingham. The animal may have reached a wooded area on the edge of town. It has been known enough to stay there, the rough terrain means the beast probably still has a few days of freedom left.

Provincial Leaders Meet For Talks

By JIM PEACOCK
VICTORIA (CP) — Leaders of government from Canada's provinces gathered here Sunday for the second of two days of inter-provincial talks.

The event and discuss matters of mutual interest, but the exact agenda would not be determined until the provinces met for the first of four sessions this morning.

It was understood a national power grid, federal - provincial tax - sharing, municipal financial aid, and other issues would be discussed. Legislation was being introduced by some provinces on such topics as early arriving primary schools and on the availability to do so.

Coman's proposed six other persons were treated in area hospitals for minor injuries only, but the persons had been tossed as much as 20 feet as inch-thick storage tanks disintegrated the night pieces flying as far as 900 yards.

AREA EVACUATED
Shortly after the first of a five-ton chunk of an 18,000-pound and steel tank of propane gas was shattered, the new head of the company was visible for minutes.

Many left leaving lights burning and doors unlocked. Police have charged 16 persons with providing after dark, or with leaving the damaged houses.

Tension mounted as fireman used little headway against the inferno as it was discovered several more large tanks were expected to explode.

Princess Margaret, Queen Elizabeth's official representative, and her husband, Prince Philip, were to participate in the ceremonies.

Traffic Accidents Cause Two Deaths In Province

SUMMERSIDE BUREAU OF THE GUARDIAN
Separate traffic accidents Saturday caused two deaths in the province, a man and a boy. The victims were George William Smith, 57, of Linklater Road and James Noye, seven, of MacNeil's Mills.

In the first accident, about 11 o'clock Saturday morning, the boy was fatally injured on the Western highway when he was struck by a car bearing Ontario registration, driven by George Frank Gray of Toronto.

Coroner Dr. W. E. Callaghan impounded a jury composed of John Edward Schurman, Summerside, foreman; Olaf Alton Mackinnon, Summerside; Lorrie Keith Adams, Summerside; Ronald Joseph Macdonald, Wilnot; Maurice George Duffy, Summerside; Joseph LeRoy Gallant, Summerside.

Assumption of atmospheric testing as a "sombrie episode" in the history of the world. In Japan, the blast caused the death of an atomic bomb victim, a government spokesman said.

Whatever the size, the blast carried out Premier Khrushchev's threat to resume testing in retaliation for U.S. Pacific tests.

Uppsala University's seismological institute, which classed the blast as in the range of 40,000 tons of TNT, said it was a higher altitude than the Soviet series of tests.

Records at the institute indicated the test was carried out at the Soviet atomic testing on the island of Novaya Zemlya, in Siberia about 1,300 miles east of Uppsala.

Commonwealth farm exports to Britain joins the six - nation European trade group comprising Britain, France, Germany, Italy, The Netherlands, Belgium and Luxembourg.

But the negotiators failed to agree on a British request to guarantee "comparable" export prices after 1970 for food exports into the enlarged Common Market.

Embarrassing of the highest producing Ayshire herd in the province, W. A. Moase, owner, New Annon, holds the certificate which was presented to him at a field day on his farm Saturday. This is the second straight year that Mr. Moase has won this honor.

Nova Scotia Accidents Kill Three

One person was killed in a traffic accident and two were drowned in Nova Scotia over the weekend. The boy was killed in a car accident in New Brunswick, N.S., Saturday.

Remains were transferred yesterday from the Phillips Funeral Home, Tynes Valley, to the Neil's Mills Funeral services.

He was employed for the past four years as clerk of works for National Defence at RCAP Station Summerside and prior to that worked for Curran & Briggs Ltd. and operated his own greenhouse.

He was killed Saturday and his body was recovered from the water near the site of the accident.

Also surviving are his mother, Mrs. Emily Anderson, Suffolk, England, two sisters, Peggy, Mrs. Reuben Thompson, a daughter, Mrs. Mary, both in England and Frank in England and Edgar in E. Canada.

Funeral arrangements will be announced later.

Red China Gets U.S. Guarantee

GENEVA (Reuters) — Communist Foreign Minister Chen Yi has said the United States gave assurances to his country that it will not back a Nationalist invasion of the mainland.

Chen declared in a Swiss radio interview that the assurances were given during "distinguished diplomatic meetings" between the two countries in Warsaw.

Canadian-Boat Doctor Is Honored In U.S.

HYANNIS PORT, Mass. (AP) — President Kennedy has approved a top civilian citation for Dr. Frances O. Kelsey, Canadian-born medical officer who blocked the sale of the drug thalidomide in the United States.

A White House statement Saturday said Dr. Kelsey, a native of Cobble Hill, B.C., and a graduate of McGill University in Montreal, would receive the honor from the president for preventing "a major tragedy of birth deformities in the United States."

Jamaica To Launch Celebration Today

KINGSTON (Reuters) — Jamaica was to become independent at midnight in a 1947 Sunday night with celebrations that for a few hours were in the streets of the capital, a historic and political road ahead.

The bells in churches and schools in the Caribbean island, 4,000 villages and towns were to peal and shiver in the harbors to yell and most of the island's 1,600,000 inhabitants were ready to dance in the streets under the light of thousands of fireworks.
