MISS HOLLIDAY'S AFTERNOON NAP.

By HOWARD FIELDING.

Copyright, 1895.

Table with columns: Day of Week, Sun rises, Sun sets, High water. Rows for Sunday through Tuesday.

Does not readily pass over the... was so terror-stricken as to be of no use to me. He dared not touch the body. The slight of the blood, which had started me, seemed utterly to have unmanned him.

The Transvaal Trouble. PRETORIA, March 19.—At the trial today of the members of the Johannesburg... "I find Dr. Hilton," I cried, "and send him here instantly. Tell no one else."

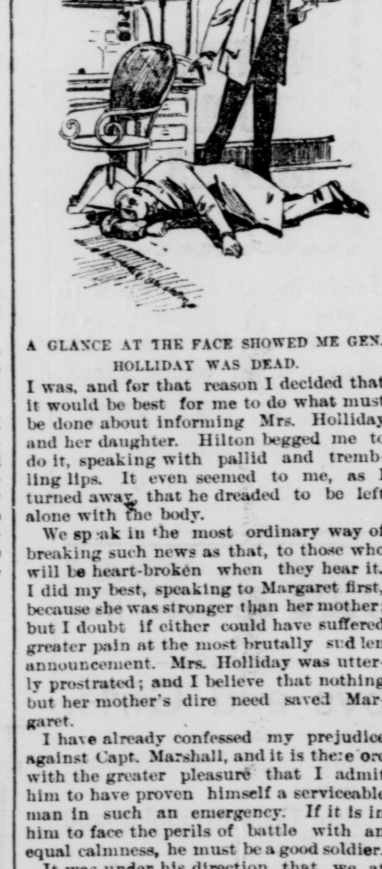

THAT... BEAUTIFUL WHITENESS. WHICH YOU SO MUCH DESIRE TO SEE AFTER THE CLOTHES HAVE BEEN WASHED, CAN BEST BE SECURED BY USING SUNLIGHT SOAP.

Gold as a Money Metal. Will it be possible for our monetary systems to survive the addition of such an overwhelming flood? Our present system was framed to meet exactly the opposite conditions which now present themselves.

EVENING SESSION OF CHARLOTTETOWN BUSINESS COLLEGE And Writing Academy. Now Open from 7.30 to 9.30 p m. Those who wish to learn the science of Accounts should attend this Session. L. B. MILLER, PRINCIPAL.

P. E. Island Railway. On and after THURSDAY, 5th December, 88, the trains of this Railway will run daily Sun days excepted as follows:--

My feeling for Marshall was not cordial. I would have much preferred to see Margaret engaged to Horace Preble, whom I liked exceedingly. Two years before, I had believed that they would make a match; but my uncle's influence had turned the scale in favor of Marshall.

The Curfew. On the 19th of March 1895, the curfew ordinance, which is being introduced here for the city council throughout the United States under the auspices of the Boys and Girls National Home and Employment Association, passed in the city council here.

EPP'S COCOA. BREAKFAST-SUPPER. "By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavored beverage which may save us many heavy doctor's bills. It is the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle miasms are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."

BRISTOL'S PILLS. Cure Biliousness, Sick Headache, Dyspepsia, Sluggish Liver and all Stomach Troubles. Are Purely Vegetable, elegantly Sugar-Coated, and do not grip or sicken.

RIPANS. ONE GIVES RELIEF. "Yo may paint with a very big brush, and yet not be a great painter."--Carlyle. The secret of good painting is GOOD PAINT! The whole secret is right material. For your Spring Painting use nothing but our Pure Paint and unadulterated Linseed Oils. The work will be as good as ever when all trace of inferior paints have been washed away. In painting, poor materials are dear at any price.

DODD'S KIDNEY PILLS. POISON in blood is sure to do havoc somewhere. The only Preventive is sound kidneys, the only Cure, kidney medicine, the only Medicine is Dodd's Kidney Pills.

I FOUND HER THERE WHEN I ENTERED. All feature had been added to the house, considerably to the detriment of its external appearance. By the general's orders. He made it his parole ground in had weather, and there he stood, looking down upon her beautiful face, and she did not know.

Deepest Depths of the Ocean. By slow degrees we are getting to know the contour of the sea bottom almost as well as we do that of the surface of the land, but it cannot be said that we have found the deepest water on the earth. Depths of 15,000 to 27,000 feet have been reached in the North Atlantic from time to time, and one of 27,000 feet was discovered in the North Pacific off the eastern coast of Japan, where there is a remarkable gulf of depression. All these measurements have, however, been outstripped by one recent one, made south of the Friendly Islands in the South Pacific by H. M. S. Penguin. A depth of 29,400 feet had been marked when the sounding-line gave out before the lead had reached the bottom. A fresh sounding will therefore have to be made before we can tell the full depth of water at this spot.—Public Opinion.

PARALYSIS CURABLE. Stricken Ones to be Seen Everywhere. This Form of Living Debt Cured by Dodd's Kidney Pills. The most startling example of human helplessness is the paralytic. The victim excites your commiseration, and you feel that you are doing him wrong when you see him in the street. He of the palsied hand stiffly pressing the numb side is to be seen everywhere. The most convincing proof that this disease is in the course of a kidney ailment is the fact that Dodd's Kidney Pills cure. Not generally recognized as a kidney ailment, it resembles kidney treatment. Do you ever know of a cure? Just think a moment! If you do not must have been the work of Dodd's Kidney Pills, for no other medicine ever yet cured.
