### BRITISH AFFAIRS.

LONDON, July 3.

In the Commons this afternoon, the  
Speaker vindicated the action of Dr. Play-  
fair, chairman of the committee, in report-  
ing O'Donnell. O'Donnell refused to make  
any statement as to his conduct of Satur-  
day, and Gladstone moved that O'Donnell  
be suspended for a fortnight. O'Donnell  
denied that he used the word "infamy,"  
but admitted that otherwise he had spoken  
as alleged. He made a long speech to  
prove that he had not obstructed the busi-  
ness of the House. Gladstone's motion  
was carried 181 to 33.

Gladstone moved a resolution declaring  
the urgency of the Repression Bill.

Parnell offered an amendment that so  
much of the resolution as related to two-  
thirds majorities be dispensed with. The  
amendment was rejected and urgency  
voted, 259 to 31.

DUBLIN, July 3.

It is reported that a plot has been dis-  
covered to assassinate Cardinal McCabe,  
Archbishop of Dublin.

LONDON, July 4.

The race to-day between Laycock and  
Boyd was won by Laycock by five lengths.

SIMLA, July 3.

A rebellion has broken out in Muscat  
against the Imam. The movement is  
headed by the Imam's brother. The  
British man-of-war "Dryad" has pro-  
ceeded to Muscat to protect British sub-  
jects.

### RUSSIAN AFFAIRS.

PETERSBURG, June 30.

The following very important discoveries  
with regard to the Nihilist conspiracy have  
been made by the Russian police. First,  
the names of all persons through whom  
they were in the habit of receiving funds  
have now been ascertained; amongst them  
are the wife of a provincial governor, three  
ladies who are land owners, a daughter of  
a general, a Jewish capitalist, a doctor, a  
well-known author, and a St. Petersburg  
journalist. The funds were collected in  
Russia, chiefly by a Georgian Nihilist, and  
were ostensibly meant to foment an insur-  
rection in the Caucasus. The largest por-  
tion of the foreign subscriptions were  
supplied by persons in London and Berlin.

Second, the police have full particulars of  
the members of the central managing  
committee and its branches at War-  
saw, Kieff, Moscow, Odessa, and  
Wilna; several persons connected  
with them are already under arrest.

Third, a list of members who have joined  
the revolutionary party since 1872, together  
with the names of the members of the  
executive, are also said to have been dis-  
covered. The ramifications of the con-  
spiracy extend over eleven governments,  
and a number of Poles are implicated.

There are altogether six hundred and eighty  
names on the list. It was this group which  
supplied Jeliahoff, Sophia Perofsky, and  
the other Nihilists with money, and pub-  
lished the three revolutionary organs, the  
"Narodnaya Volya," the "Zemla Volya," and  
the "Thorne Peredel." The celebrated Deutsch,  
who was lately rearrested at Kieff after  
escaping from the Moscow police, and all  
the Nihilists who have so far been executed  
are known to have been affiliated to this  
section of the party. Fourth, three more  
comb and dynamite factories have been  
destroyed, and several secret printing  
establishments have been discovered at  
twenty-two versts from vlamza, near a vil-  
lage called Sosnoffka. General Gourko,  
governor of Odessa, has informed the  
Emperor that he could not rely on the  
fidelity of the officers under his command.

In consequence of this report, and despite  
the violent protest made by Gen. Dohnn,  
sixteen artillery officers have been removed  
from their posts and transferred to distant  
garrisons in various parts of the Empire.

Marshall Marka, who has just arrived at  
St. Petersburg, has denounced the conspi-  
racy organized by the nobility and the em-  
ployees of the Kalounga government, who  
had intended to make a manifestation at  
Moscow at the time of the coronation of  
the Czar. Very serious views have been  
taken of this affair by the Government. A  
number of fresh arrests are expected.

The shareholders of the Panama canal  
have authorized the issue of obligations  
amounting to \$250,000 for the purchase of  
the Panama railroad.

## CORRESPONDENCE.

We do not hold ourselves responsible for the  
opinions or statements of our correspondents.

To the Editor of the Examiner.

DEAR SIR,—With reference to an article  
published some time ago in the *New Era*  
and *Patriot*, over the signature of "Neil  
Myers," in which I was put down as a  
maligner of Mr. Bowers, I would say that  
I paid no attention whatever to the same,  
as I was aware that Neil Myers was not  
the author of it. I find, however, that my  
friends are anxious that I should call upon  
some of the parties who were present at  
Byrne's Board meeting to give an explana-  
tion of the case. In consequence, I would  
ask Messrs. David H. Douglass, P. W.  
McLeod, or H. Douglass, to be so kind as  
to give a statement of the facts.

And remain,  
Yours truly,

ROBERT MOONEY.

Hazel Green, July 4, 1882.

## The Methodist Conference.

EDUCATIONAL INSTITUTIONS AT SACKVILLE.

Dr. Inch, President of Mount Allison  
College, spoke to the Conference on the  
affairs of the institutions at Sackville, N. B.  
The doctor referred to the many ap-  
peals made on behalf of the educational  
work. This Conference virtually settled  
the question of consolidation by the decid-  
ed stand they took last year. During one  
year \$50,000 have been raised for the En-  
dowment Fund. The college was organ-  
ized twenty years ago without material  
resources. When the New Brunswick  
grant was withdrawn an endowment of  
\$60,000 was raised. Four years ago a new  
departure was made in the separation of  
the academy and college. Formerly they  
had been connected financially. During  
the first four years of the existence of the  
college, 14 graduated; during the second  
four years, 13; during the third, 14; dur-  
ing the fourth, 23, and during the fifth,  
28. It has been decided to build the new  
college. This is a necessity. About enough  
money has been raised to finish the  
academy. The Board of Governors pro-  
ceed in faith with the college. Of the \$50,  
000 raised last year \$48,000 were subscribed  
by only thirty-five persons. Can we not,  
then, expect that all the rest of the Metho-  
dists in these Provinces will be able to  
raise the \$20,000 required for a college  
building? There is no fear for the future.  
There has been a great deal of oppo-  
sition to these colleges, who have tried to  
chase students and professors, furnish  
our students with study and with comfort  
order to ensure their attendance.  
continue their strong attachment  
Mount Allison by her Alumni.  
A committee appointed for the pur-  
introduced resolutions concerning Mount  
Allison to this effect: (1) That this Confer-  
ence has heard Dr. Inch with pleasure, and  
(2) it approves of the building of the col-  
lege, as proposed.

## SOME APPOINTMENTS.

Election of chairmen of Districts and  
appointment of financial secretaries resulted  
as follows:

Halifax District—Chairman J. Lathern;  
Fin. Sec., F. H. W. Pickles.

Truro District—Chairman, W. C. Brown,  
(Pres. of Conf.); Fin. Sec., Benj. Hills, A. B.

Cumberland District—Chairman, J.  
Cassidy; Fin. Sec., A. D. Morton, A. M.

Guyboro and Cape Breton District—  
Chairman, W. H. Evans; Fin. Sec., J. B.  
Giles.

Annapolis District—Chairman Thomas  
Rogers, A. M.; Fin. Sec., D. W. Johnson, A. B.

Liverpool District—Chairman, C. Jost,  
A. M.; Fin. Sec., J. M. Fisher.

Yarmouth District—Chairman, R. Smith;  
Fin. Sec., W. H. Heartz.

Rev. S. F. Huestis was appointed a mem-  
ber of the Central Missionary Board.

The question of establishing Legislatres  
for England, Scotland and Ireland, which  
would deal with purely local matters, is  
being discussed in many quarters. The  
*Ulster Herald* thinks:—"The time must  
eventually come when Great Britain will  
be driven, by the very pressure of the ac-  
cumulating demands upon the time of Par-  
liament, to extend to the Islands the system  
of government which she has so long and  
so advantageously granted to the most  
important of her colonies. Parliament  
might as well undertake to do all the leg-  
islation needed for Canada or Australia as to  
do all the legislation for the kingdom at  
home. And until this fact is recognized,  
the colonies of Great Britain will continue  
to be better governed than Great Britain  
herself."

When druggists, lawyers, and doctors, and  
even preschens occasionally, besides many  
others of various professions too numerous to  
mention, manifest a special interest in any one  
article we very naturally conclude it has some  
healthy bearing on their lives, or they would  
scarcely lift their voices with one accord to  
extol its virtues and place it before those going  
through life burdened with rheumatism.  
Filled with rapture over immediate relief,  
the sufferer ever after refers to St. Jacobs Oil,  
the Great German Remedy, as the most sur-  
prisingly efficacious of all remedial agents. We  
recently observed in a new Jersey exchange  
the following item in support of the above:  
Mr. Isaac Correy, Manager Salem, N. J.,  
Glass Works, remarks: I am pleased to say  
that I have used the Great Remedy, St.  
Jacobs Oil, for rheumatism with excellent  
results; other members of my family have also  
been greatly benefited by it.

The Pope has created a new diocese in  
Ontario, that of Peterborough, which in-  
cludes the counties of Northumberland,  
Durham, Peterborough and Victoria. Mgr  
Jamot, formerly vicar general of the diocese  
of Toronto, and now Bishop of Sarepta in  
partibus, has been appointed Bishop of the  
new See, which takes from the diocese of  
Kingston nine of its wealthiest parishes.
