White Plans Legal Action Against Toronto Argonauts

MESA, Ariz. (AP) — Wilford (Whizzer) White, released by Toronto Argonauts of the Big Four after a knee injury last fall, says he plans to take legal action against the football club.

White said Friday at his home here he will bring a breach of contract suit against the club in a Toronto court.

"Harry Sonshine, Toronto business manager, agreed to an injury clause in my contract," White said. "But when I was hurt he dropped me. Toronto has made me an offer to settle out of court, but the amount is far below what is due me."

White declined to name the amount he seeks.

Watson Fumes Over Players Dismal Weekend Showing

By AL VICKERY

FORT WILLIAM (CP)—Upsets highlighted the opening draw of the Dominion high school curling championships here Monday as defending champion Saskatchewan and the high regarded Manitoba and Ontario rinks went down to defeat.

Second round was scheduled for 9 p. m. AST with the following games set: British Columbia-Ontario; Prince Edward Island-Saskatchewan; Northern Ontario-Quebec; Nova Scotia-Manitoba; and New BrunswickAlberta.

Saskatchewan skipped by Bob Hawkins of Regina wilted on the home stretch to lose a 9-7 decision to British Columbia's Howard Ink of Trail.

Wayne Petch and his mates from Kirkland Lake representing Northern Ontario had too many guns for Manitoba's Jack Robson of Kenora, winning easily 14-3 in nine ends. New Brunswick's Eric Rockwell of Saint John got away to a fast start and held on to whip Ontario's Bill Fraser of Sarnia 13-8. Barry Coleman of Lethbridge took advantage of two big four-enders to give Alberta a 12-5 victory over Quebec's Gordon Garret of Pointe Claire.

A steady Nova Scotia foursome skipped by Jim McGinnis of Sydney took Prince Edward Island's David Silliphant of Summerside 12-8.

Saskatchewan and British Columbia were tied 4-4 after six ends but Ink pulled away with a three count on the seventh as Hawkins' boys missed on their first five rocks. Coming home four down Hawkins ran short of rocks and could count only two.

Petch and his Northern Ontario quartet left little to be desired as they outcurled Manitoba all the way. Robson gave up after the ninth when Petch scored a six. The two rinks played on even terms for four ends but Petch pulled ahead 5-2 on the fifth and never looked back.

Rockwell also made Fraser give up before the 10th was completed with the New Brunswick rink knocking out everything in sight while holding a commanding five point lead.

Although Quebec and Alberta scored on five ends apiece the westerners came through with a seven point margin due to the four enders. Quebec skip Garret who curled brilliantly himself was faced by too many packed houses when he entered the hack as his front end missed at crucial times.

Nova Scotia broke up a 3-3 dead lock at the third by scoring a two and then a three on the next two ends. McGinnis' crew showed plenty of skill at both the draw and knockout games and only a three ender by the Islanders on the last end made the result close.

HIGH-SPEED MOTOR READY

CHICAGO (AP)—The chief of naval research said Tuesday a motor now available might propel a manned rocket plane to an altitude of 750,000 feet at a speed of 3,500 miles an hour. Rear Admiral Rawson Bennett said at a meeting of navy officials and midwest industrial leaders: "If such an aircraft were built, it would be strictly a research vehicle to study problems of high - altitude flight, such as nearly weightless flight at the edge of the earth's gravitational field."

Aussie Schoolgirl Breaks Own Mark

SYDNEY, Australia (AP)—Australain schoolgirl Lorraine Crapp broke her own 440-yard women's free-style swimming record Saturday night for the second time in two days.

In the finals of the Australian championships, the 16 - year - oid swimmer covered the distance in five minutes, 5.9 seconds—eight seconds faster than the record she set Friday night.

Jack Solomons Says Moore-Pompey Bout Slated For June

LONDON (AP)—The world light heavyweight title bout between champion Archie Moore of San Diego, Calif., and Yoland Pompey of Trinidad has been postponed from March 13 to June 5, promoter Jack Solomons announced Monday night.

The London fight has been the subject of much controversy in the last few weeks. Moore has encountered difficulty, Solomons has said, in meeting the weight limit for a light heavyweight bout.

Solomons said he had agreed to postpone the fight in a telephone conversation with Charlie Johnston, Moore's Manager.

Johnston agreed to put up a "substantial deposit" to ensure that Moore would keep the new date, Solomons said. The promoter added that Moore would arrive in England four or five weeks before the contest.

Until Monday night Solomons had insisted that Moore must go through with his scheduled championship fight against Pompey. He said a few nights ago that he agreed on the telephone with California fight authorities to permit Moore to appear in a bout in San Francisco against Howie King if Moore came here in time for the March 13 Pompey fight.

SEEKS NEW FIGHTER

But now Solomons said he intends to get a new opponent for Pompey for the London date. He hoped, he said, it would be either Joey Maxim or Moses Ward.

After Kid Gavilan, the former world welterweight champion, lost a strange decision to Britain's Peter Waterman at another Solomons' London production, Moore complained immediately. Almost every sports writer said Gavilan was an easy winner.

Moore said he would not get in the ring against Pompey in London unless he had an American referee.

Then Moore said it was too cold in London and anyway he couldn't make the weight.

Moore Will Fight But Not For Title

SACRAMENTO, Calif. (AP) — Archie Moore balked Friday against going through with his scheduled light championship fight in London March 13 against Yolande Pompey of Trinidad.

He passed along his decision to Joseph M. Genshlea, secretary of the California Athletic Commission and unofficial intermediary in Moore's long-distance argument with the British Boxing Board of Control.

Moore agreed to box in London on the 13th against someone other than Pompey—and not for the title. He said it is too cold over there now and he feared he could not make the weight.

The light heavyweight champion said he would prefer to meet Pompey outdoors in June when he thought the gate would be bigger.

Earlier, Teddy Waltham, secretary of the British Boxing Board of Control, asked the California commission by cable to call off the Monday night fight in San Francisco between Moore and Howard King of Reno.

Waltham said Moore's contract with London promoter Jack Solomons excluded any bout before the title fight.

A NOTE TO PROSPECTIVE
HOME BUILDERS

Owing to weather conditions prevalent this winter all across Canada, the lumber cut has been drastically reduced and we therefore believe we can look forward to a severe shortage and a consequent increase in most Building Materials.

We were fortunate in having ordered early and have now on the way from B. C. one car consisting of plywood and doors and another of 24" "B.C. Royals" Red Cedar Shingles.

If you are building this year we suggest you place your order now and avoid disappointment later.
