

First Baptist Church Hears Annual Reports

The First Baptist Church of Charlottetown held its annual meeting last evening and progress indicated continuing progress in practically all phases of the church's activities.

Following a devotional period conducted by the interim minister, Rev. Carl V. Farmer, the moderator, W. L. D. Breakey, presided over the business session.

Although the congregation keenly felt the departure of its former pastor, Rev. Harold Mitchell during the year, the members of the various churches with gratifying results, Mr. Mitchell who had led the congregation in the erection of a new building had also inspired the members to a high degree of spiritual and effective activity.

Mr. Farmer has through his ability and concentration also inspired them to continue a and even intensify their efforts. Mr. Farmer will serve the church until March when the pastor-elect, Rev. Malcolm Harlow of Calgary is expected to take over his duties.

The report of the clerk, Ross Ross showed a resident membership of 627 with 146 members on the non-resident list. Interest has been well maintained in all departments from the cradle roll, through the Sunday School, midweek youth groups and adult organizations.

Catholic leaders have served with exceptional zeal and consecration and replacement teachers and leaders when required have been quite readily available, it was reported.

High Standard The music of the church has been of a high standard under the direction of the organist and choir director, Mrs. V. Leigh Dineley. Senior and junior choirs have been efficient in attendance and faithful in performance thanks to Mrs. Dineley's leadership, it was stated.

The church ushering and related duties for the year were carried out under the careful supervision of chairman, Caspar Verrie.

Toward a more efficient operation of the Sunday School program, the reports of the board of Christian education and Sunday School, re-emphasized a number of urgent needs in the way of space and equipment facilities and it is recommended that an immediate start will be made to carry out the recommendations.

REDUCE DEBT The financial report presented by treasurer, S.H. Burhoe, showed a net building debt of approximately \$109,000. From a total of \$24,000 raised during the year it had been possible to meet current expenses, meet interest payments and reduce the building debt by approximately \$13,000. More than \$8,000 had been received for a denominational missionary fund and extension projects.

The budget for the ensuing year was presented by Robert B. Nicholson and adopted after some revision. The budget for 1963 totals \$56,000.

Semmens; treasurer, Nelson Robinson; assistant treasurer, Eric MacNeill; superintendent of Sunday School, R.J. Rupert; moderator, C. Leslie Gillespie; assistant moderator, S.W.
