

Our Dear Friends:

In 1864 when the momentous meeting took place in Charlottetown between Newfoundland, Nova Scotia, New Brunswick, Prince Edward Island and The Canadas which led to the formation of our nation, R. T. Holman had been in Summerside for seven short years. During this time he had paid off all debts incurred in a former partnership, had moved his premises to larger quarters, and was busy planning the erection of a large additional warehouse to look after his expanding trade.

In the next century, just as Canada grew from the original small group of British Colonies to the ten vital provinces that extend from the Atlantic to the Pacific, so did Holman's expand from the small frame store to two fully equipped departmental complexes in Summerside and Charlottetown which serve our customers from North Cape to East Point.

In 1964 on the Centennial of the original meeting from which grew our nation, Holman's, still owned by the Holman family continues to show its faith in the prosperity of the people of this province by an improvement program to make shopping in our stores more convenient, more economical and more satisfying for You. In fact, our slogan for the Centennial Year will be, "Holman's the store with more in '64—More services, more effort, more merchandise, more quality more satisfaction.

May this Centennial Year bring you a happier, more prosperous and fuller life.

Sincerely,

HOLMAN'S OF P.E.I.
