CHANCE FOR STRONG PENNANT LEAD RUINED

Milwaukee Goes Down To 5-4 Defeat By St. Louis

ST. LOUIS (AP)—Milwaukee's chance to take a commanding lead in the National League pennant battle was ruined Friday night as the St. Louis Cardinals combined Ken Boyer's three-run double with some staunch relief pitching by Lindy McDaniel and Larry Jackson for a 5-4 triumph over the Braves.

The Braves still hold a one-half game lead over the defending champion Brooklyn Dodgers but they are all even in the vital games lost column.

Milwaukee now stands 91-61 and the Dodgers, whose game with the Pittsburgh Pirates was postponed by rain and cold, are 90-61.

McDaniel, who retired the first seven men he faced in relief, was the winner, his seventh against six defeats.

Two of the Cardinal runs were unearned but the Redbirds didn't fold when opportunity knocked. Boyer, 14-for-21 at Busch Stadium against Milwaukee previously this season, was joined by Alvin Dark with two hits and Rip Repulski with three in leading the Cardinal attack. Bobby Del Greco added a telling tie-breaking hit.

Hank Aaron, leading the National League hitters, had two hits, as did Johnny Logan. Rookie Taylor Phillips was the losing pit her.

Fred Hutchinson's men staked starter Tom Poholsky to a 3-0 lead in the first on Boyer's bases-loaded double but he couldn't hold it and the Braves battled back to a 3-3 tie on Joe Adcock's homer and a two-run fifth.

But the Redbirds, intent on avenging a four - game Braves sweep in their last meeting at Milwaukee, broke through against Phillips for two runs, one of them unearned, the other driven in by Del Greco, for a 5-3 lead in the sixth.

KANSAS CITY (AP) — Hal Smith's home run off Gerry Staley in the eighth inning gave Kansas City Athletics a 6-5 win over Chicago White Sox Friday.

The Athletics chased starter Billy Pierce in the seventh when Gus Zernial hit a two-run pinch homer to tie the game 5-5. Vic Power also had a first - inning homer off Pierce.

Minnie Minoso hit a pair of homers, a two - run blow in the first and another in the third off Alex Kellner. Jack Crimian followed Kellner in the third and Wally Burnette, the winning hurler, pitched the last two innings.

Pierce, seeking victory No 21, failed for the third straight time. He has lost nine. Staley's defeat was his third against eight victories.

CLEVELAND (AP) — Rookie southpaw Hank Aguirre foiled Billy Hoeft's bid for a 20th victory Friday night as the Cleveland Indians edged the Detroit Tigers 2-1.

Aguirre allowed only four hits in winning his third victory against five losses, and the only run off him was unearned.

The Indians scored both their runs in the sixth on three hits. Singles by Joe Caffie and Al Smith were followed by Al Rosen's sacrifice fly. Then Rocky Colavito broke the deadlock with a double to left center.

BROOKLYN (AP) — Rain and cold postponed the opener of Brooklyn's crucial windup three-game series with the Pittsburgh Pirates Friday night. It was rescheduled as part of a double-header this afternoon.

The postponement was a disappointment to Dodger manager Walt Alston, whose world champions need a sweep of the three games with Bucs to hold any chance for the National League pennant.

"I'd much rather play them one at a time," he said.

First-place Milwaukee, holding a one-game edge over the Dodgers was at St. Louis for the first of three Friday night. A sweep of the series there would give the Braves the pennant. A Milwaukee defeat plus a Dodger sweep would mean a tie and a pennant playoff.

And two Milwaukee defeats coupled with a Brooklyn sweep would give the Dodgers the flag.

The Pirates will pitch Bob Friend (17-16), who was scheduled to go Friday night, and Ronnie Kline (14-17), manager Bobby Bragan's original choice.

Alston said he will go with Sal Maglie (12-5) and Roger Craig (12-11)—"but you can be sure I'm going to try to put Maglie against Friend this time." Craig was supposed to start against Friend Friday night with Maglie going today in his first appearance since his Tuesday night no - hitter against Philadelphia.

Friend, a 25 - year - old right-hander who has beaten the Dodgers four out of five times this year, was the pitcher who beat Craig 6-5 last Monday night in Pittsburgh, tumbling the Dodgers out of first place.

DOWN THE BACK STRETCH

The management of Yonkers Raceway, N. Y. are endeavoring to minimize dangers to harness racing drivers by providing them with protective caps. On Monday night Sept. 17 they all appeared out with the caps which bear the same colors as their racing silks. The cap is made of fibre glass. A foam rubber cushion three inches in diameter is inside at the top. A sweat band of foam rubber covered with suede adds to the general comfort and protection of the cap. They had been thoroughly tested by the Pittsburg Plate Glass Company and the Electrical Testing Laboratories of New York City prior to being fitted up for the drivers.

It received a pressure test rating of between 40 to 50 foot pounds square inch; a penetration test in which a 16-ounce plumb bob with as teel point was dropped on the hat, and an impact test which was made by dropping an 8-pound steel ball on the cap from a height of five feet. The cap weighs less than ten ounces, which is little more than the cap now worn, and much less than the improvised protective cap worn by some of the drivers. All caps have been painted to match exactly the colors of each driver, who received them as a gift from Yonkers Raceway.

For the past few days visitors have been arriving in Lexington, Kentucky, many of them there to look over the 324 yearlings that will be sold by Tattersalls, commencing tonight with the sale concluding on October 4th. Of course they will also be there to see the trots over the finest and fastest harness racing mile in the world. The Blue Grass region of Kentucky has been famous for a hundred years as the best spot for producing top thoroughbreds and horses of any class. The climate is ideal for raising stock and the rick, nutritious soil makes growth quickly and it also has the quality of producing good bone. The track known as the "Red Mile" has been the scene of many sensational performances and will continue to be as it is controlled by men with long range views. Lexington in addition to being a harness racing centre is also a running horse centre, most of the best runners being bred and raised in the vicinity of Lexington.

FAMOUS FARM

At Donnerail is the famous Walnut Hall Farm which was establish ed by Dr Ogden Edwards back in the nineties. Its first famous sire was Moko and he was succeeded by others such as Walnut Hall, Volomite, Protector, Scotland and now Darnley and several others. The Walnut Hall Farm now has been divided, the two married daughters of Mr. Edwards owning Walnut Hall Stud and Walnut Hall Farm. Each fall this sale is held in a big yearling barn that has sheltered many champions in the past and tonight and other nights George Swinebroad, famous auctioneer, will be crying the sales under the auspices of Tattersallls, the most famous name in harness horse vendues. It originated in England where Tattersalls has been the leading sale emporium for a hundred years.

About two weeks ago a daughter of Darnley, Time Me, equalled the 2:06 2-5 season's record for a 2-year-old trotter on a half mile track at Reading, Pa. driven by Joe O'Brien. The season's record had been set earlier by another daughter of the Walnut Hall Stud Rodney — Charming Barbara. All over the United States and many parts of Canada other sons and daughters of Walnut Hall and Walnut Hall Stud have been winners or contenders.

The colts and fillies are being led daily but there is no attempt to make speed in this manner. It is just done as light exercise to get them used to being handled. A daughter of Darnley, Notorious, is expected to bring a very high price. Her dam, Norah Volo 3, 2:06 4-5, is a half sister to Scott Frost 2, 2:00, 3, 1:59 2-5. She is a first foal and could be the prize package of them all. Another Darnley filly is a three-quarter sister to Scotch Harbor 4, 1:58 3-5, and no doubt a lot of attention will be paid to six of the get of Scotland. Among them are sisters of trotters that have taken low marks on the Grand Circuit this season.

The Rodney's are also going to come in for a lot of attention Everywhere they have been doing sensational things. Right here in Charlottetown at Old Home Week Ted Genesee, owned by Roy Bevan and driven by Archie Llewellyn, won in 2:10 4-5 — a nice record for a 4-year-old trotter. The above are just a few of the sires which will be represented in the sales which which we gave more particulars of last Saturday. The racing program started yesterday and there is a big possibility that some new world's records will be set up during this meeting. Among those expected to do the trick are the 2-year-old free-legged pacing filly Good Counsel, that set up two world's records already, one better than 2:00, and Noble Adios that won the Little Brown Jug may break the 3-year-old pacing record. Bond Hanover, a 2-year-old trotter in Joe O'Brien's stable, may possible take a mark of 2:00 and then there are aged horses that may set new marks pacing. The trotting record is secure. It was made by Greyhound at Lexington in 1938 driven by Sep Palin, time 1:55¼. The only trotter that has a chance of coming near that record is Scott Frost, but it looks to be too tough a task even for him, sensational trotter though he is.

FUTURITY STAKES

The futurity stakes sponsored by the Canadian Standard Bred Horse Society, were held at the Western Fair, London, Ont. September 13th. In the Two Year Old Futurity Trot Ruth Chestertown, owned and driven by Harold Berry, St. Mary's, Ont., was 1-2, Emma Volo, owned by Alex. McDonnell of Hamilton, Ont. was 3-1, Golden Riddle, Roland Farms, 2-3. Time, 2:23, 2:22 1-5. Looking back at our own futurities held here on the night of September 12th, we find that the Two Year Old Trot was won by Palacona, owned and driven by E. Newsom, Summerside, with 1-1, Lady Lakeburn (Akins) 2-2, Miss Cyclonic (MacKay) 3-3. Time, 2:19, 2:23 4-5. So our friend Mr. Newsom and others who took part in that race may feel quite happpy in that they raced in faster time than the two year old futurity in Ontario which has a larger number of 2-year-old trotting performers to draw from.

Through the kindness of Harry Day we learn that Angie Allen, formerly of Halifax, drove two winners at Saratoga Raceway Tuesday night. In the AA Pace he won with Brevity Hanover 2:05 2-5, Ray Davis 2. Time 2:07 3-5. He also won with Lady Bohemia in 2:07.

Good time and close finishes

HUNTERS' CORNER

Good Hunting On Monday

The morning of morning's, in the hunter's calendar, is just around the corner. The season on ducks, geese, Huns and pheasants opens on Monday morning at one-half hour before sunrise. Woodcock and Wilson's snipe are also legal game on Monday. The duck and goose season closes on December 9th. The brant season opens on October 29th and closes on November 27th. On Woodcock and snipe the season closes on November 2nd and on Huns and pheasants on November 11th. As this date falls on a Sunday it really closes on November 10th as hunting on Sunday is not allowed.

Duck and goose prospects are excellent. I never saw so many geese present during the last week in September since the eel grass died in the early thirties—1933 I believe is correct.

The duck hunting on the opening morning could be a disappointment to some hunters. The ducks appear to be concentrated in certain specific areas. Three weeks ago ducks were pretty evenly distributed but for reasons best known to themselves they have pulled out of the early season feeding grounds and marshes, ponds, etc., that held a goodly supply of puddlers are practically barren of birds at the moment. They could drop in on the old feeding ground but its more probable the bulk of the flight will hie themselves to the tidal flats once the air begins to throb with the rumble of gunfire. The duck men will want to make every shot count in the first half hour for their chances will dwindle with the passing of the hours and minutes from then on. There is no doubt about our duck crop in 1956—it was tops—but the extent of the bag will depend largely on how they react after the opening

Scout, Guide And Wolf Cub Track And Field Meet Today

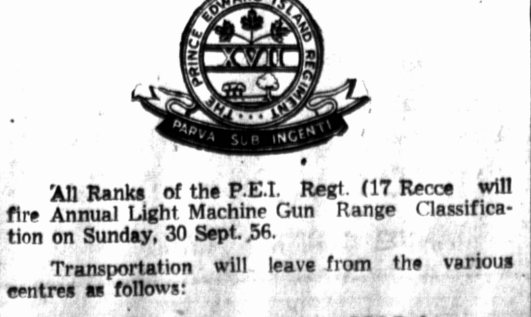
Boy scouts, Girl guides and wolf cubs meet today for a Provincial Track and Field meet at Memorial Field, an annual get-together which has drawn more interest each year.

An interesting list of sporting events has been prepared, and the placing in charge of an experienced group of officials guarantees the races will be run off efficiently and in record time. It is hoped that a large crowd will be on hand to cheer on the young competitors and to give support to their efforts.

Scouting has advanced immensely in this province during the last number of years indicating an active interest on the part of the officials, and an inherant desire on the part of our youth to take the advantages of Scout training.

Each phase of the program has a decided part to play, not the least of which is sport which is and should be, a major factor in youth training and one of the strongest elements of scouting.

PULPWOOD CUTTERS and FARMERS



The MALL SAW

With it your cutting troubles are over. No more hard to handle jumpy vibrating and heating on a tough cut.

Complete with Guide $264.95

It's all in the new ROLLER BEARING nose guide giving you this added cutting speed of 3000 ft. per minute. NOW you can NOTCH, LIMB, FELL and even plunge cut with ease and have power to spare.

CHECK on this POWER PACKED saw now. See it. Test it. Better still own it.

We Service and Supply All Parts—No Delay.

Rural Youth Fair Sports Show Keen Competition

Sporting events at the Rural Youth fair yesterday afternoon, drew many entries and a great deal of interest from the large crowd of spectators. Each class was well-filled and marked by keen competition with the winners closely chased by the runner-up. Summerville and Miscouche tied for sporting honors with twelve points each, while Stella Maris was in close place with ten points.

The following are the winners:

100 yard dash (Girls 12 and under)—Grangie Carruthers, O'Leary.

100 yeard dash (Girls any age)—Mary Rogers, Freetown.

3.-legged race—Peter Steele and Justin MacNeill, Miscouche.

High Jump—James Cain, Summerville.

Bag Race—Aeneas Gallant, Stella Maris.

220 yard dash (Boys)—James Cain, Summerville.

220 yard dash (girls)—Rose MacLellan, St. Georges.

Relay Race (Girls)—Rosealie DesRoche, Miscouche.

Relay Race (Boys)—Peter Steele Miscouche.

100 yard dash (Boys 12 and under)—Gordon MacCallum, Brackley Point.

100 yard dash (Boys any age)—James Cain, Summerville.

Abbies To Play Peakes Sunday For Island Title

Mr. Jimmie MacDonald has called a special practice for the Abbie Intermediate A baseball team today at the Old Diamond at 2 o'clock.

Mr. MacDonald has arranged for the Abbies to play Peakes, Intermediate B champions, on Sunday at Peakes for the Island Crown, a game which should prove to be the outstanding one of the year

Jim Greengrass Philly Outfielder Out On $500 Bail

PHILADELPHIA (AP) — Jim Greengrass, outfielder for the Philadelphia Phillies, was held in $500 bail for the grand jury Friday, charged with striking another patron in a tavern.

Franklin W. Lazos, 35, appeared with a witness at arraignment before Magistrate Nathan A. Beifel. Greengrass' attorney waived a hearing and there was no testimony.

In Lazos' warrant for the 29-year-old ball player's arrrest, he stated the incident occurred in the early morning hours of Sept. 18 in a midcity spot.

He said Greengrass was in the place with another member of the National League baseball club not otherwise identified. He said he was punched in the eye for no reason.

As the six-foot-one, 202 - pound Greengrass left the magistrate's office, he was served with a summons in a civil action also brought by Lazos, who stands five feet, seven and weighs 140 pounds.

Quebec League To Play 67-Game Schedule

MONTREAL (CP)—The Quebec Hockey League announced Friday night it will play a 67-game schedule in the coming season, opening with a game between Montreal Royals and Quebec Aces at Quebec Oct. 11.

All six teams in the loop will see action Oct. 14, Quebec at Shawinigan, Trois - Rivieres at Montreal and Ottawa at Chicoutimi.

Montreal Junior Canadiens—bolstered by several professiona players and renamed Ottawa Canadiens — will play 20 regular league games, compared with 67 by the other teams.

With Ottawa as home ice, Canadiens are entering the senior circuit for the first time this year. The juniors also will operate in Laurier Cup competition, as in former years.

GIRLS COMPETE IN SACK RACE

Photographed above is the girls sack race at the Rural Youth Fair Sports held yesterday at the Charlottetown Exhibition grounds.

Durelle Placed On Ineligible List By Boxing Fed.

MONTREAL (CP) — The Canadian Boxing and Wrestling Federation decided at its annual meeting Friday to place Yvon Durelle, Canadian light heavyweight champion, on the "ineligible list."

The move was considered as being tantamount to a suspension for the Baie Ste. Anne, N.B. boxer who has been at odds with his manager Harry Sheppard of Montreal.

Sheppard appeared before the meeting and testified that Durelle owes him $300. He said he would be willing to forget the debt if anyone, including Durelle, would buy Durelle's contract for $300.

It was believed Durelle would be taken off the ineligible list as soon as the managerial dispute ends.

The meeting considered the possibility of a bout between Durelle and Gordon Wallace of Brantford, Ont., for the Canadian light heavyweight title. Wallace is ranked as British Empire light heavyweight champion.

However, the meeting decided that the fight could not be held as long as Sheppard owns a piece of both fighters.

Harvey Knox Quits As Manager Of Stepson

HAMILTON (CP) — Harvey Knox, who pulled his promising stepson, Ronnie, out of Hamilton Tiger-Cats of the Big Four football Union Wednesday, quit Friday as his manager.

"When I manoeuvred him into a setup such as the one in Hamilton, I'm not helping him,'" Harvey said. "He can make his own moves from now on."

Harvey pulled 21-year-old Ronnie out of Ticats because, he said, the team hired him as a "clown" to draw crowds and not as a quarterback. The Knoxes left when Hamilton officials refused a Knox senior demand to let Ronnie play 30 minutes of today's game with Montreal Alouettes.

Ronnie is under contract there to Metro-Goldwyn-Mayer.

Harvey Knox also announced that Ronnie has been given his outright release by Hamilton. He said that at least three National Footballl league clubs were interested in Ronnie.

Maurice Tomkin Pro Footballer Died Thursday

LEICESTER (AP) — Maurice Tomkin, professional cricketer and footballer, died in a Leicester hospital Thursday night. He was 37 years old. Tompkin had an operation a week ago after complaining of pains in his back.

He toured Pakistan last year with an English cricket team and formerly played football in the English Soccer League for Leicester City, Huddersfield Town and Bury.

Gunnar Nielsen Races Last Time On Danish Track

COPENHAGEN (AP) — Gunnar ielsen, Denmark's greatest male athlete, Thursday night raced on a Danish track for the last time. He will compete once more in the Olympic 1500-metre run at Melbourne in November.

Fever-ridden and tired, Nielsen decided to cancel all appointments for races here and abroad.

In Thursday's race, staged as his farewell performance in Denmark, Nielsen had to go all out to beat Norway's Arne Hammersland. Nielsen clocked a mediocre 3.50.5 for 1500-metres, far below his usual standard.

Annual Meeting P. E. I. And Nfld. Golf Union

The Annual Meeting of the Prince Edward Island and Newfoundland Branch of the Canadian Ladies Golf Union was held on Wednesday September 26th. 1955 at the Charlotttetown Golf Club. At this Meeting the activities of the Clubs were discussed and the election of officers for the ensuing year took place. The resignation of Mrs. George H. Buntain as President of the Club was accepted as she has been appointed to the National Executive, as National Handicap Manager.

The members of the Executive for the coming year are: Honorary President, Mrs. Gladys MacQuarrie; President, Mrs. R.F. Norman; 1st Vice President, Miss Sally Basler; 2nd Vice President, Mrs. R. W. Ball; Secretary - Treasurer, Miss Mabel S. Adams; Handicap Manager, Miss Blanche Hogg; Pars Manager, Mrs. R.A. Horne; Team Chairman, Mrs. F. M. Cannon; Chairman, Junior Develop- Assistant Chairman Junior Development, Miss Marion Howatt.

To Attempt Forming Island Hockey League

Mr. Cleaver MacLean, president of the Island Hockey League, has called a special meeting of all representatives to be held at City Hall Sunday afternoon at 2.30 P.M. for the purpose of forming an Island Senior Hockey League.

Last year this League which comprised teams from Charlottetown, Summerside and Montague provided a high brand of hockey for Island fans. Owing perhpas that these were all Island boys, spectator interest was of an outstanding quality and each game was well patronized. Without question this League, which will provide the only senior hockey on the Island this year, deserves every support from hockey fans. Mr. MacLean, who is trying to get the League functioning again this year, wants every hockey player and fan interested to attend this initial meeting in order to give the promotion as much support as possible.

Landy Undecided To Compete In Two Metre Events

MELBOURNE (AP) — Australian miler John Landy is still undecided whether to compete in both the 1,500 and 5,000metres in this year's Olympics.

"I will wait to see how my tendons treat me in next month's trials," he said Friday.

Landy added, however, that he is not worried about tendon trouble.

He said he thinks he has a better chance in the 5,000-metres but stressed that the considers himself no gold medal certainty in either event.

SANITARY DISPOSAL OF REFUSE AT REASONABLE COST

Many cities and towns are improving their refuse disposal methods and saving money at the same time, by the use of a sanitary landfill.

The nuisances and health hazards of the open dump are eliminated. The high costs of incineration are avoided. Lower collection costs are made possible, because there need be no separation of trash and garbage.

Few men and machines are required. One man, in fact, can maintain a sanitary landfill for a community of 40,000 or less. With proper equipment, he can excavate the site, spread and compact the refuse, then cover it with earth to proper depth.

Well-compacted sanitary landfills normally settle about 20 per cent during the first two years. After this major settling takes place, these landfills can often be converted into parks, recreational areas, airfields, or even into industrial, business or residential sites.

CATERPILLAR*

Ask us for proof! We can supply data on sanitary landfill methods, equipment and results. Contact our place of business for detailed information.
