The suggestion was made, in connection with the stories of a big Liberal bribe fund in Sherbrooke, that those approached by the machine should take the Laurier money, and then vote for McIntosh. A local Liberal organ thereupon declared that this is a proposal that the tempted elector should add treachery and falsehood to bribe-taking and vote-selling.

Asthma Can be Cured

And is Being Permanently Cured Daily by Clarke's Kola Compound. Here is What a Hamilton Lady Says:—

Mrs. Gilbert, 105 Rebecca street, Hamilton, writes:—I suffered from a bad form of asthma for over nine years, and, notwithstanding all the doctors could do for me, got worse and worse, so that my neighbours looked for my death at any moment to get relief, but all to no purpose. For six weeks at a time I could not get up or down stairs, and was in a miserable condition.

Sold by all druggists. A free sample will be sent to any person troubled with this disease. Enclose six cents in stamps. Address The Griffiths and Macpherson Co., 121 Church street, Toronto, Ont. Limited.

F. G. A. NOTES

The avidity with which large numbers of the audience in the Kindergarten on Wednesday night came forward to accept of the generosity of the fruit exhibitors really recalled ones boyhood days. The plates of rosy apples disappeared in a jiffy.

D. P. Irving, of Vernon River, the largest contributor to any butter and cheese factory in the province, writes to the F. G. A., most highly commending its worth and expressing the opinion that before very many years the revenue from fruit-growing will exceed that from dairying.

The Ontario Stark on exhibition was not like Mr. Pigott's Stark at all. There is a mistake somewhere. The Pigott apple is every beautiful however.

What a change from the first F. G. A. meeting in favor of Ben Davis! This time the apple had a sole friend in Dr. J. T. Jenkins; now its praise is in everybody's mouth.

The order and intelligence with which the fruit growers did their business was the admiration of every visitor to their sessions.

Why not admit the ladies to the day sessions of the F. G. A. also? In many cases they are horticultural artists of the farm.

PERSONAL.

Mr. B. D. McLellan, M. P., crossed by the Minto to-day en route to Ottawa.

Mr. J. A. McDonald, of Glenslade, is in the city. He is registered at the Queen Hotel.

Mr. Geo. J. McCormac, Inspector of Schools, was a passenger by this morning's train from the east.

Mr. B. Bremner was a passenger by the eastern train this morning, returning from a business trip to Souris and St. Peter's Bay.

Mr. Frank B. Street, of Montreal, one of the best known commercial travellers coming to this province, is a guest at the Hotel Davies.

The death is reported of Mr. Arthur Holland a commercial traveller well known here. It occurred at Chatham, N. B., recently, and was caused by pneumonia.

The honor of burial in Westminster Abbey was offered John Ruskin, but declined by his executors in accordance with his expressed wish to rest wherever he died.

Prof. Gilbert and Mr. Walter Simpson were in the city over Sunday. They agree that Belfast needs a railway. They address a public meeting at Kensington this evening.

Mr. G. W. Stevens, the correspondent, who died on Jan. 19th, wrote to the London Mail an account of the battle at Caesar's camp, which took place Jan. 6. Emeric fever must run its course quickly.

Mr. James Pyle, of Pyle's Pearline, one of the greatest advertisers in the world, and a native of Guysborough, N. S., died last week in New York. He was born in 1823, and was reputed to be many times a millionaire.

Miss Temple has three of her water-color paintings on exhibition in Messrs Mark Wright & Co's window. Intending students would do well to call as early as possible as Miss Temple's classes are being formed.

We have about 400 yards of Axminster carpet which is regularly sold at \$1.35 but which we have found does not give satisfaction for that price which ought to buy the best Brussels. For that reason we have decided to clear it out at 85 cents about its wearing price.

MARRIED.

On Wednesday, Jan. 24th, at the home of the bride's father, Mount Albion, by Rev. J. W. McConnell, Ambrose D. Fraser, to Beatrice, eldest daughter of William Cerver, Esq.

It is well worth calling to see.

EMIGRATION FIGURES.—The emigration statistics published by the British Board of Trade show that 33,727 persons sailed from British ports for Canada in 1899, as against 27,487 in 1898.
