Jersey Joe And Ex-Manager Talk For Grand Jury

CHICAGO (AP)—Former heavyweight champion Jersey Joe Walcott and ex-fight manager Jack Begun of Chicago appeared before the Cook county (Chicago) grand jury Monday but reportedly failed to give proof of alleged irregularities in Illinois boxing.

Both men met with state's attorney John Gutknecht before briefly facing the grand jury after being subpoenaed last week.

"It is evdient that the statements made recently in connection with the boxing game (by Wallcott and Begun) are wild statements," said Gutknecht. "No factual information was brought to the state's attorney's attention. Unless other witnesses volunteer that they have knowledge of actual corruption in the Cook county or Illinois boxing game, there is no action that can be taken at this time."

Begun wrote in a Chicago amusement circular that the recent middleweight title bout at Chicago Stadium in which Johnny Saxton lifted Carmen Basilio's crown on a close decision was not on the up and up.

Walcott told newsmen after his meeting with Gutknecht that "there is a handful of men in boxing that boxing would be better without—but I have no intention of giving names."

Barbara Ann Scott's Trainer Barred From Olympic Arena

LAKE PLACID, N. Y. (AP) — Gustave Lussi, one of the world's foremost figure skating instructors who numbered Barbara Ann Scott among his former pupils, has been banned from the Olympic arena here for the summer season.

The North Elba town board, whose park district operates the arena, unanimously voted the ban Monday night after Lussi, a naturalized U. S. citizen, had questioned whether foreign instructors should have preference over citizens in renting ice time.

The park district rents ice space to instructors and allocates time for them to use it.

Lussi had accepted time from 12 midnight to 5 a.m. Later, he said, he found it impossible for some of his younger pupils to receive instruction during those hours.

"I don't question the right of aliens to teach here but I do question the fact they get preference over an American citizen," he told a reporter.

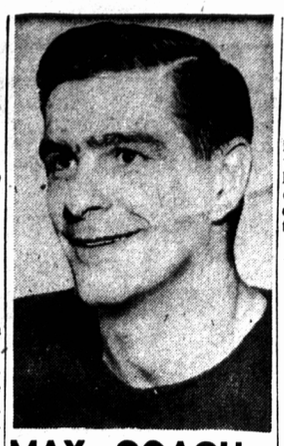
Lussi said he went to immigration officials because two Canadian and one British instructor were scheduled to teach at the arena this summer.

K.C. A's Pick Up Groth On Waivers

KANSAS CITY (AP) — Kansas City Athletics picked up outfielder Johnny Groth via the waiver route from the Washigton Nationals Monday in an attempt to strengthen their outer defences.

At the same time the As sent catcher Billy Shantz and outfielder Al Pilarcik to their Columbus farm has been with the club two seasons.

The 29-year-old Groth, who bats and throws right-handed, has been in the majors since 1946 playing with Detroit, the old St. Louis Browns and Chicago White Sox before going to Washington. Last year he hit .254 in 95 games and drove in 28 runs.



MAY COACH

While retiring from active participation in hockey, Bob Goldham veteran Detroit defenseman, will probably remain in the Red Wing fold in a coaching capacity. The popular rearguard, now 33, was offered the coaching position with Hamilton's Junior "A" club, a farm club of Detroit, but has not made his decision yet. Goldham played a key role in Detroit's seven championship years and won renown for his "second goalie" style of throwing himself in front of pucks.

Cards Trim Staff To 12

ST. LOUIS (AP)—St. Louis Cardinals trimmed their pitching staff to 12 Monday by releasing righthander Barney Schultz to Omaha of the American Association and optioning southpaw Luis Arroyo to the same club.

Manager Fred Hutchinson expressed regret at having to release Shultz, 29, who had allowed only one run in 10 innings this spring. Strong competition has made staff-trimming painful and difficult, Hutchinson said.

General manager Frank Lane said he felt that Arroyo, good enough as a rookie last year to be named to the National League all-star team, wasn't taking his pitching job seriously enough.

Arroyo has a 6.23 earned run average this spring, the worst on the club.
