ABSENCE CAUSED CON-
ERN-After going to church yes-
terday morning at eight o'clock,
little Billy Berry, age seven years,
decided to play with some friends
at the opposite side of Town from
his home and he didn't come home
till supper time after having en-
joyed himself all day. He didn't
realize that his absence had caused
his parents, Mr. and Mrs.
Stewart Berry of Water Street,
Summerside, to fear for his
safety and institute a search for him.
As they live near the shore they
were afraid he might have wand-
ered into a small shack and fallen
down a hole in the ice. Police were
notified and the boy's description
was broadcast on the radio.
However Billy came home of his
own accord, unharmed and hun-
gry for his supper.-S

Winners Decided

VANCOUVER, Feb. 11 - (CP) -
Blonde Suzanne Morrow, the
20-year-old Toronto girl who
wants to follow in the footsteps
of Barbara Ann Scott, Saturday
night won the women's Canadian
figure skating title for the third
consecutive time.
Looking like a Cinderella whirl-
ing on a polished dance floor, she
performed near-perfect spins and
leaps to carry her to victory over
Vevi Smith of Toronto, who placed
second. Jane Kirby of Ottawa
was third and the judges listed the
other four contestants in this
order: Barbara Gratton, Toronto,
Maureen Senior, Toronto, Dawn
Steeckley, Oshawa, Ont., and Betty
Hiscock, Toronto.
Peter Firstbrook of Toronto took
the senior men's title away from
Roger Wickson of Vancouver, the
defending champion.
Wickson placed second, Billy
Lewis of Vancouver third and
Donald Tobin of Ottawa, fourth.

STORE ENTERED-A break
occurred some time Saturday night
or early Sunday morning at the
store of Mr. Vincent Savdiant on
Russell Street, Summerside and
about a dozen packages of cigars
and possibly some other articles
were taken. No money had been
left in the till. Entry was achieved
by breaking a basement window
and coming up into the store
through a hatch in the floor. This
hatch is ordinarily locked but
strangely enough Mr. Savdiant had
forgotten to take this precaution
on locking up about ten o'clock
Saturday night. The break was
discovered Sunday morning by a
neighbor who noticed the broken
cellar window. Police are
investigating.-S

W.K.S. Girls Win
Hoop Game From
S'side High
The West Kent School girls
hoop squad defeated the Sum-
merside High School girls
quintet 10-4 in a close, defensive
exhibition basketball game at the
Summerside airport on Friday
evening.
Making a slow start in the first
half when both teams played a
defensive brand of ball and wait-
ing for the breaks, the half ended
with a low score of 4-2 for the
western team, Melkie and Inman
scoring for Summerside and Smith
for the W. K. S. crew.
Finding the range on their
shooting in the final half, W.K.S.
quickly tied the score on a basket
by MacArthur, and added three
more baskets before the frame
ended for their victory. Whitlock
chalked up one, while Guinden
garnered the other two to lead
the scoring parade for the night.
Melkie, Dewar, Clark and In-
man were the stars on the high
school squad, while MacArthur,
Guinden, Whitlock and Hawkins
were outstanding for the West
Kenters.
The following are the lineups
and scoring:

Take Steps To Increase
Milk Prices In S'side

A move to raise the price of
milk by one cent a quart was start-
ed at a meeting held in the Sum-
merside Town Hall on Saturday
afternoon at which the Summ-
erside Milk Producers and Distrib-
utors Association was re-organized
and officers elected.
The retail price of both raw and
pasteurized milk in Summerside at
present is 16 cents a quart and by
a unanimous motion passed at the
meeting the Provincial Milk Board
is to be requested to authorize an
increase to 16 cents a quart.
Officers elected for the re-organ-
ized body are: President, Lloyd
Waight; vice president, Kenneth
Walker; secretary-treasurer, Elmer
Offer; directors, Talmadge Mont-
gomery, Harold Linkletter and
James Chappel.
Mr. Ernest Walker, who was the
last president to have been elected
by the Association, presided at the
first part of the meeting and
introduced Mr. Roland MacDonald,
president of the Charlottetown Milk
Producers and Processors Associa-
tion, and Mr. Percy Gay, secretary
of that organization. In his open-
ing remarks Mr. Walker said he
had been approached by about a
half dozen men from the district
to have a meeting in regard to "try-
ing to get more for the milk" and
he said that the meeting was open
for consideration of this matter.
There was some discussion re-
garding the fact that in Summ-
erside raw and pasteurized milk
sells at the same price while in Char-
lottetown raw milk is one cent
cheaper. It was the opinion of the
meeting that the same price for
both types of milk should continue
to apply in this area.

Sounds Warning
When some of those present sug-
gested that a two-cent increase
should be asked for, Mr. Elmer Of-
fer, speaking as proprietor of the
Ideal Dairy to his own patrons,
warned that it was possible to price
themselves out of the market. Much
of the milk they supply to him
goes to the U.S. airforce base in
Newfoundland, Harmon Field, and
they come here for it because of
the lower price but if the price be-
comes too high they might very
well buy their milk at Sydney, N.S.
which is a shorter haul for them,
he said.
Mr. MacDonald and Mr. Gay ex-
plained at length the set-up of the
organization in Charlottetown and
said that they would welcome am-
algamation with the Summerside
group, as combined, they would
have more strength. They said that
by having a strong organization in
Charlottetown both producers and
processors have benefited. Asked if
there is any move in Charlottetown
in favor of a price increase they
indicated it is very slight.
The situation there is somewhat
different from Summerside, it was
explained, because there is a dif-
ference of one cent in the price of
raw and pasteurized milk. Raw
milk sells for 15 cents a quart in
Charlottetown which is the Summ-
erside price for both types, while
pasteurized milk sells in the cap-
ital for 16 cents.

Mr. MacDonald expressed the
opinion that if there is any virtue
in pasteurized milk it should be
worth a cent more. Considerable
time was taken up in a general and
informal discussion about a price
increase and the amount that
should be requested and it was
finally decided that the secretary
should write to the Milk Board and
ask for an appointment when three
of the directors would go to Char-
lottetown and present their case
for a one-cent increase. One argu-
ment to be presented is that the
increase would bring the price of
pasteurized milk in Summerside up
to the level of that in Charlot-
tewtown.
The Charlottetown representatives
promised that their organization
would not ask for a price increase
there without first advising Sum-
merside of their plans. The main
reason given by speakers for the
need of a price increase is the in-
creased cost of production.
The dues of the Association were
set at \$1.00 per year and milk pro-
cessing plants were authorized to
deduct this amount from the milk
cheques. It was also decided that
the annual meeting of the Associa-
tion will be held on the third
Tuesday of November in each year.

Quebec Musher
Wins Dog Derby
OTTAWA, Feb. 11 - (CP) - A
lanky six-foot Quebec musher -
Emile Martel of Loreteville-Sat-
urday won the 100-mile interna-
tional dog derby. He received the
Ballard dog challenge trophy and
first prize money of \$1,000.
Driving six cross-bred hounds,
he completed a time of nine hours,
one minute and 11 seconds. The
race was run in three daily laps of
33-1/3 miles which ranged through
the heart of the capital and twist-
ed through suburban areas.
Flashing a victory smile and
wearing a green parka, the 46-
year-old musher crossed the fin-
ish line flanking the Union
Station as thousands of spectators
cheered.
Gasping for breath, Martel sat
for a few minutes.
Then he said: "This is one of
the happiest moments of my life
I really made it."
Last year he finished second
behind Wilf Lepine of Quebec
City. Lepine this year was fifth.
Laird Ouellette of The Pas,
Man., finished fourth.
Second place went to Bill
Shearer, furniture dealer from
Boston. He finished one minute
and 29 seconds behind Martel
with a combined time of nine
hours two minutes 30 seconds.
The gruelling grind was run in
temperatures as low as 25 below
zero.
Placing third was Dr. Roland
Lombard of Aburndale, Mass.,
with a total of 9:07:45; fourth,
Ouellette, with 9:16:56; fifth,
Lepine with 9:23:51; sixth, Tony
Landry, Azilda, Ont., with 9:27:00.
The three-day race took its toll
of dogs. Twenty-two died during
the first day but only 12 crossed the
finish line in the final heat.
