House Of David

Ball Team Wins Twin Bill

After winning sixteen ball games in New Brunswick the House of David ball team continued their winning streak yesterday afternoon by defeating the Curran & Briggs ball team of Summerside in a double header, both games ending 3-1 for the visitors.

In the first game Moriki, the bearded catcher, got the first run, hitting a double, stealing second and scoring after Deanglo was caught out on a long fly to right field. Their last two counts came in the eighth when Weniski and Easter scored. Curran and Briggs' lone run was made in the fourth by first baseman Grady who hit a triple and scored when an error was made by Sullivan, the House of David first baseman.

Weniski pitched the full game for the House of David, allowing four hits, walking two, with his team backing him up superbly as he only had three strike outs.

Finch pitched eight innings for Curran and Briggs, allowing six hits, striking out 13. Bernard pitched the final inning striking out two.

Officials, DesRoches at the plate, Savidant and Phillips on bases.

In the second game the House of David got one run in the first by Deanglo and two in the sixth by Shuster and Easter. The lone run for Summerside was made in the seventh by St. Pierre after he had singled and Paul Schurman drove out a long triple. Herson pitched the nine innings for the House of David. He had one strike out to his credit, allowed five hits, his teammates fielded perfectly.

G. Bernard went five innings for the Curran and Briggs squad, allowing three hits. St. Pierre went the last four allowing one hit.

Curran and Briggs committed their only error of the two games in the sixth.

During the games many long drives were made by both teams but brilliant fielding cut down runs and hits.—S

Arrived at Church
Cardinal MacGuigan, accompanied by Bishop Boyle and Father Pitre, arrived at the new church shortly after four o'clock. They were escorted by members of the Fourth Degree Knights of Columbus headed by His Honor Lieutenant-Governor J. A. Bernard and Sir William J. P. MacMillan, K.C.S.G.

The red coated members of the Recce Band played a hymn as His Eminence advanced through the path-splend throng of people in front of the church.

After donning his vestments Cardinal MacGuigan, assisted by Rev. Patrick Walsh and Rev. Richard Ellsworth, began the blessing ceremony, commencing at the door and blessing the exterior of the church.

Returning to the church interior he knelt at the small flower decorated altar while the ceremony continued. The blessing of the interior of the church concluded the solemn ceremony.

Following Benediction Father Pitre, pastor of South Rustico parish and of the new church thanked His Eminence. "May God grant him health, benediction and give him long years of life to carry on his work in Christ's vineyard," he stated.

He also thanked Bishop Boyle, all priests and religious present, Governor Bernard, Dr. MacMillan, Fourth Degree Knights, the Recce Band and all who participated in the ceremony.

Clergy present included: Rt. Rev. P. F. Hughes, Rev. Eugene Murray, Rev. Walter MacGuigan, Rev. P. F. MacDonald, Rev. Ger-

ald MacGuigan, Rev. Earl Dalton, Rev. Wilfred Keefe, Rev. Alfred MacIntyre, Rev. Frank Bolger and Rev. D. Gallant.

Rev. Eric Robin, parish priest at North Rustico was master of ceremonies. The South Rustico choir sang hymns during the ceremony.

The Church was crowded with people during the services. Outside the door the Papal Flag and the Union Jack flapped in the breeze. Along the roadway flew the blue and white symbols of the Blessed Virgin and the Sacred Heart along with the Canadian flag.

Work on the interior of the Church has not been completed. Construction was commenced well over a year ago with the church being officially opened last summer. Mass is celebrated on Sunday's in the Church vestry.

Yesterday morning Cardinal MacGuigan offered Mass at St. Augustine's Church, Rustico, at eight o'clock.

The failure of some of the car

owners who had booked trips for yesterday morning to be in their places at the pier, caused some friction yesterday between the ferry management and the control office. According to the latter, only eight or ten cars missed their sailings, out of 124 cars and several unscheduled trucks which were ferried during the day. The ferry management, however, maintains that the number of absentee cars was greater and that on one early trip the Dunne sailed with but little more than half a load.

This, President R. E. Mutch claimed, was due to issuing tickets for each individual sailing, which he did not consider advisable. It was unreasonable to expect the company to make extra trips at night, he said, if the morning trips were to be made with less than capacity loads.

It is believed by the traffic controller, however, that this contingency will not arise again and that today's schedule will work out to the satisfaction of all concerned.

2. Communist forces captured Uihung, about 22 miles northeast of Taegu. One regiment of the South Korean Sixth Division was forced back 2 1/2 miles. This forced a similar withdrawal by flanking troops of the South Korean 8th Division on the east.

3. The U.S. 2nd Division moved against a toe-hold force of Communists on the east bank of the Nakdong River, southwest of Taegu.

4. The U.S. 25th Division stopped two Red probing attacks on the Masan front in the south, where a hard-hitting U.S. aerial attack Sunday may have temporarily thwarted Communist plans for another eastward push toward Pusan, main U.S. supply port.

American jet and Mustang fighters roared out at dawn today to hit large new troop concentrations in North Korea, and rake Communist forces which plunged seven miles southward during the week-end in their new thrust toward Pchang and its nearby American airfield.

A U.S. spokesman reported this situation was "worrisome." He described fighting as "fluid but still in hand."
