

Picking Out A Wife.

"I always was partial to the ladies and did a great deal of gallanting them around and making them have as good a time as myself. But when I came to the age at which most men fell in love, I was very careful to single out a lady of my own age, and one who had an extra amount of common sense and good breeding; one who was always considerate of others' welfare, and was not ashamed that she kept house for three young children left orphans when quite young.

"Now after three years of married life, I have never seen my wife untidy. She makes it her business to keep herself looking as neat as her house, and I have yet to see her out of humor or in the least way cross, and although I do not make anything like big wages, yet she manages to keep the house in all necessities, and I have more money in my pocket at the end of the month than I ever had or could manage to save before I was married.

"I think if more young men would look on the practical side of matrimony there would not be so many disappointing unions."

Common sense is the thing. Never mind the pretty face, bright eyes or small feet. Has she a good supply of common sense? It beats music and drawing far enough.

Astonishing Success.

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as \$0,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at 10 cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.
