BARGAINS in fancy goods, cakes, etc., at the Kermesse this evening. Sale at nine o'clock.

SUNDAY SCHOOL CONCERT.—Reserve Thursday evening next for the First Methodist Sunday School.

QUICK MARCH.—March 8 into St. James Sunday school and hear the Xmas Cantata on Monday evening.

LEAGUE MEETING.—Help the temperance cause by attending the League meeting in the Opera House this evening.

CITIZENS.—Attend the League meeting in the Opera House this (Friday) evening and hear the temperance question discussed.

A. O. H.—Regular monthly meeting this (Friday) evening at 7:30 o'clock. Election of officers. Full attendance requested.

St. DESYAN'S CATHEDRAL.—Rev. R. B. Macdonald, of Boston, will preach at the Pontifical High Mass at midnight on Christmas Eve.

LOOK OUT FOR THEM.—Tickets for the grand concert on Friday, the 27th inst., will be for sale at the usual places after nine o'clock to-morrow.

Not Too Late.—It is said that upwards of 60,000 bushels of potatoes from Mount St. Charles were shipped during the fall.

I. O. O. F.—Wildy Lodge, No. 27, meets this evening at 8 o'clock. Nomination of officers and initiation. Full attendance requested. Visitors welcome.

For richness of flavor, the famous BEAVER Chewing Tobacco has no equal. Look for the BEAVER Stamp.

WORTH SEEING.—The artist's studio, with artists at work in the McKay Woolen Company's window is attracting much attention. It is a decided novelty, and is well worth seeing.

CALENDARIAN CLUB.—A special meeting of the Calendarian Club will be held this evening, Dec. 20th, at 8 o'clock, at Club room, to arrange all matters relating to the Burns Concert.

LADIES, clean your kid gloves with Josephine Glove Cleaner. It is not a liquid, leaves no odor, and can be used while the glove is on the hand. For sale only at A. W. Redlin's drugstore.

POINTER FOR CHARLOTTETOWN.—A bean supper and baby show was held at Carleton, N. B., a few evenings ago. The baby show consisted of the auction of a number of paper dolls.

THE CHRISTMAS HOLIDAYS.—The Prince of Wales College closed yesterday for the Christmas holidays. It will re-open on Tuesday, Jan. 7th.

St. Peter's Schools closed to-day.

CHRISTMAS CONCERT.—The annual Christmas concert of the First Methodist Sunday School will be given Thursday evening next. The well-known popularity of these concerts will be fully sustained.

THE KERMESSE will close to-night, when all the fancy goods, etc., remaining unsold will be disposed of by auction. The auction sale will begin at nine o'clock, sharp. A large attendance of bargain-hunters is expected. The snug sum of \$350 has already been realized.

The Tobacco used in the celebrated Tonka Smoking mixture costs more than any other package. Insist on getting genuine TONKA.

THE LOST TRIBES.—The feeling of the large audience present when Mr. Ross closed his lecture last evening was "would it were longer." The lecture was exceedingly interesting, and the identifications of the British people with the lost tribes striking. Mr. Ross is a good reader and pleasing speaker. He ought to have gone upon the platform long ago. It is a pity that he has, for so many years, missed his vocation.

THE MARKET.—There was a large attendance at the market to-day, and sales were lively. Upstairs there was an unusually large supply of poultry. Geese brought from 50c to \$1 each, according to quality and size; turkeys, 70c to \$2; ducks, 50c to 70c, and fowl 45c to 50c per pair. Eggs sold at from 15c to 20c, while but (fresh) brought from 21c to 23c, and by the tub 17c to 18c. There will be market on Tuesday as usual; there will not be a market on Monday.

THE OPERA HOUSE.—It is hoped that our citizens are keeping in mind the entertainment to be given in the Opera House on the evening of Dec. 27th. The programme is a good one and if it should attract a full house. Besides the object is a good one—to help along the P. E. Island. There is one thing in connection with the entertainment for which all should be thankful in advance, and that is that when the living pictures are shown there will be none of that choking smoke which usually accompanies the lights used, as an improved method of illuminating will be tried.

NEW DAILY PAPER.—The Record gives currency to the story that a new Liberal morning paper will shortly be started in St. John, a large wing of the Liberal party in that city and throughout the province being dissatisfied with the manner in which the Telegraph is conducted.

LECTURE POSTPONED.—As the classes in the Charlottetown Business College and Prince of Wales College close to-day for the Christmas holidays, Mr. Woodworth's lecture, to have been given before the students of the first-mentioned institution to-morrow, has been postponed until next month at the request of the students.

It will always be a happy reminder of the pleasant vacation I spent on your beautiful island. I shall not soon forget your 'boys of the wheel'—they are all grand fellows and treated me most kindly."

Long, Long Ago!

There was a time when people did foolish things—blew out the gas, bought gold bricks, prize packages, and what not. There was a time when people expected something for nothing and got it. There was a time when you expected Suits at prices that could not produce them, perhaps with the thought that they grew on trees. They don't. Do not blow out the gas of common sense. Do not expect to buy Suits or Overcoats cheaper than we can sell them. If you do it will be made cheaper, look cheaper and wear cheaper.
