How COLDS affect Your KIDNEYS

The kidneys are very delicate organs, easily affected—especially by a cold. Their duty is to filter impurities and excess acids from the blood. When you have a cold extra work is thrown upon your kidneys. Dodds' Kidney Pills help your kidneys clear your system of excess acids and poisons caused by colds, and give you a chance to shake infection sooner—feel better faster. If you have a cold get and use Dodds' Kidney Pills.

REXALL DRUGGIST Announces The 1952 Fall One Cent Sale

Mr. J. Edward Dalton, local Rexall druggist, today announced plans for his semi-annual Rexall Original One Cent Sale to be held October 16-17 and 18 in his drugstore at 21 Central Street, Summerside.

"The theme of the Rexall One Cent Sale this Fall is 'It's Your Chance to know Rexall and Save Money,'" Mr. Dalton said. The semi-annual One Cent Sale was originated by the Rexall Drug Company in 1914, and has become an international institution, he explained.

According to Druggist, J. E. Dalton more than two hundred and fifty of Rexall's nationally advertised products will be available to the public from coast-to-coast in Canada on the money-saving "Two For The Price Of One Plus 1c" plan. The products on sale will include packaged medicines, vitamin products, oral hygiene needs, cosmetics, stationery, household needs, first aid supplies and hundreds of other Rexall items.

"This sale means that the people of Summerside and vicinity will be saved many hundreds of dollars on purchases of necessities for good health, good grooming and good housekeeping," Mr. Dalton said, "and it is the Rexall druggist's major contribution towards smashing high prices and helping to bring down the high cost of living."
