

The P.E.I. Chess Championship took place over the Labor Day weekend at the University of Prince Edward Island. U.P.E.I. President Meincke opened the proceedings at 10 a.m. Saturday morning and it took until Monday evening at 7 p.m. before the dust settled. While the organizers hoped for a few more participants, the 22 who entered represent a proportionately larger number than other provinces.

Clearly ahead of the pack at the end of the regulation 6 matches were Dr. Peter MacKean from Kensington and Ron Waterman from Alliston with 5 1/2 points each, the half point coming when they played an exiting tie with each other. Peter's high standing was easy to forecast as, although he is new to the Island, his rating of 2000+, which puts him at 69th out of the 4200 players in Canada, gives him an enormous 600 point margin over the members of the P.E.I. Chess Club. Ron was an unexpected surprise as he had not been rated by the Canadian Federation of Chess, but judging by his performance at this tournament he will be close to the top of subsequent tournaments in the Maritimes.

In a log jam for third place were Ian Galloway, Mel Gallant, Jean-Louis Beauregard, Angello Mella and Brian Craig. The prize for the Top Junior went to Bruce Cameron. The top under-1300 rated player was Terry Chaisson. The King's County prize went to Harvey Jordan and the Prince County prize was taken by Vince Gallant.

During the course of the year there will be other tournaments. Why not join the P.E.I. Chess Club and enjoy the competition? Instructions will also be given.

Details from Professor Galloway at extension 246.

STRATEGIES FOR PEACE AND SECURITY IN A NUCLEAR AGE: An International Conference.

October 27-30, 1983.

Over 24 distinguished international speakers (from the U.S., U.S.S.R., Europe, Japan, and other countries) provide the focus for dialogue on the critical issues. Anyone welcome. Although Conference registration is limited to 800, only one-third of the places are being held for the general public and institutional

representatives on a first-come, first-served basis. (The balance of the places are reserved on a quota basis for students and educators.)

As demand for available spaces will be great, and as there is a discounted fee for early registration, please apply early.
