**A QUEER HEAD PANTRYMAN.**—The Jesse Hoyt, a famous New York steamboat, used to have for head pantryman a bent and crippled darkey, whose face was as full of humor as his form was of kinks and knobs. His name was Robert Smith, and his malady was chronic rheumatism. He tried Giles' Liniment Iodide Ammonia for a week of the present winter, and next winter intends to astonish his old acquaintances on the Hoyt by his appearance as a sound man. **Astonishing Success.**

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Group, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 40,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your Druggist about it. Sample Bottles to try sold at 10 cents. Regular size 75 cents. For sale by all Druggists.

Many valuable discoveries and much useful knowledge is kept from the world, because of the immense expense in making them known to the people. This is not the case with Boschee's German Syrup, although but a few years introduced into this country, its sale now reaches in every town and village in the U. S. Its wonderful success in curing Consumption, severe Coughs, Pneumonia, Asthma, and all other diseases of the throat and lungs, was first made known by distributing every year, for three years, over 400,000 bottles to the afflicted, free of charge, by Druggists. No such a test of merit was ever given before to any other preparation. Could you ask more? Go to your druggist and get a bottle for 75 cents and try it. Sample bottles 10 cents.

**CATARRH. Constitutional Catarrh Remedy CURES CATARRH.**

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.:—

DEAR SIR—It is now two years since your 'Constitutional Catarrh Remedy' was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite clear of that ailment, and have not used any since until of late I have taken some for a cold in my head.

A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it you may see proper Yours truly,

W. TINDALL, Methodist Minister. Port Elgin, Ont., Aug. 24, 1878.
