Are Your Hens Healthy?

Owing to extreme heat, moisture and other causes, there has been much dullness and disease among poultry the past summer, and especially among chickens and young pullets expected to lay this fall and winter. For this reason it would be a great mistake to kill off all the old hens when the moulting season is at hand and the hens have stopped laying, get fat, and seem to be eating their heads off; because it is a fact that a year old hen, if properly cared for helped in the moulting season to get her new coat quickly so she can be got to laying early, will lay more and better eggs than young pullets, particularly if the pullets are weakened by diarrhœa, cholera, gapes, etc. Many people have learned by experience that Sheridan's Condition Powder given once, daily, in the food, will supply the needed material to strengthen and invigorate sick chickens or moulting hens and get them to laying earlier than anything else on earth. Mrs. Edwin Brown, East Grsenwich, R. I., says: "I could not do without Sheridan's Condition Powder when hens are moulting. It is the only thing to keep them healthy. I use it for gapes and diarrhœa, for when chickens are small they often droop and die. To a pint of clabbered milk I add a teaspoonful of the powder, mix well, and let the chicks eat all they will once a day; it does seem to be just what they need, they soon become so vigorous. People laughed at me when I began to use Sheridan's Powder, and I had no idea I should win a premium. They laugh best who laugh last, however. I got more eggs than any of my neighbors, and some of them had over 100 hens. We hatched 66 chickens from 77 eggs, obtained while forcing our hens to lay with your powder; so you can see there was no trouble about eggs hatching." I. S. Johnson & Co., 22 Custom House Street, Boston, Mass. (the only makers of Sheridan's Condition Powders), will send, post paid, two 25 cent packs of Powder and their Poultry Raising Guide for 60 cents. The book alone costs 25 cents. For $1.00 five packs of Powder and book; for $1.20 a large 2½ pound can (regular price) and book; six cans $5.00, express prepaid. Send stamps or cash. Interesting testimonials sent free; also, for 5 cents, a sample copy of the best poultry paper published. d6i w1i

Consumption Can Be Cured

By proper, healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healing and health-giving virtues of these two valuable specifics in their fullest form. Sold by Druggists, 50c. and $1.00

Healthfulness of Corn., Celery, &c.

Corn is claimed to be a medicinal as well as a fat producing food. The medicinal effects of corn arise in part from the roughness of the particles gently irritating the surface of the intestines, &c., and in no way can you have the full medicinal properties as from the corn in the ear; green corn is then food and medicine combined. Celery, perhaps contains more medicinal properties than any other plant. It is the American's cure-all, or rather preventive, for they go under the head that prevention is better than cure, and there is a good deal of inconsistency in the average American, and as a rule they are inveterate smokers; they smoke to soothe the nerves, at the same time eat largely of celery to nullify the bad effects of the tobacco upon the nervous system. Celery acts as a gentle laxative, cools the blood, relieves the kidneys, feeds and nourishes the brain and nervous forces and aids materially in the building up of the entire system; it assimilates with other food assisting in its proper digestion. The celebrated Dr. Hall, of New York, advises if you are sick to diet for it, and our advice is not to gulp down quack medicines, but by a judicious observance of the foods best adapted to your requirements, to build up a constitution that will stand.

Gay & Son keep a full supply of Celery, Corn, Cabbage, Pickling Cucumbers, Tomatoes, Fruits, &c, Orders attended to promptly. Send for our wholesale prices. Address

ROBERT PALMER & CO.,

THE LATE PROF. PHELPS.

The above is a portrait of the late Prof. Edward E. Phelps, M. D., LL.D., of Dartmouth College, He was a strong, able man, who stood high in the literary and scientific worlds. It is not generally known, but it is, nevertheless, the truth, that Prof. Phelps was the discoverer of what is known to the Medical Profession and Chemists universally as Paine's Celery Compound, unquestionably one of the most valuable discoveries of this century. This remarkable compound is not a nervine, an essence, a sarsaparilla or any devised article, but a *discovery*, and it marks a distinct step in medical practice and the treatment of nervous complications. It has been freely admitted by the best medical talent in the land, and also by the leading chemists and scientists, that for nerve troubles, nervous exhaustion, insomnia, debility, senility and even the dreaded and terrible Paresis, nothing has ever been discovered which reaches the disorder and restores health equal to this discovery of Prof. Phelps

Paine's Celery Compound is now being prepared in quantities, and can be procured at any reputable druggist. An attractive bunch of celery is to be found on every wrapper. It has become specially popular among professional men, mind workers, ladies burdened with exciting social duties and frequenters of the leading clubs.

CARVELL BROTHERS, Charlottetown, Wholesale Agents for Prince Edward Island

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**
