Last night at the Provincial Sanatorium the Young People of Central Christian Church in company with Mr. M. D. Dunbar, the pastor, brought a devotional service of hymns and choruses, completing a month of weekly services held under the auspices of the Charlotteville Ministerial Association and under the direction of Mr. Dunbar.

Improved Heater Service For Potato Shippers

In addition to the present service provided for the protection of perishable shipments for United States points routed via Vancouver, Maine and Van Buren, Maine, heater service is now available beyond these points under Rule 510 of The Perishable Protective Tariff at no extra cost. However in order to obtain this heater service beyond these points, cars destined beyond the border should be billed as follows: "Standard Heating in Canada, Maine Potato Shippers Service in their territory. Rule 510 beyond. Keep heaters burning to destination."

Canadian Legion Monthly Meeting

The regular monthly meeting of the Charlottetown Branch of the Canadian Legion was held last evening with Ira M. Brown, first vice-president, in the chair. Thirty new members were in attendance and all committee reports were read and accepted. Operation preparedness was discussed and Norman Lowther, Dominion representative of the P. E. I. Command of the Canadian Legion spoke on this issue. An open meeting will be held on Wednesday, January 31st to which the public is urgently requested to attend. A committee of three was appointed to attend to the publicity of this meeting, comprising Comrades Phil Palmer, Stan Bryant and Ivan Whelan. DOWLING - WHISTLE A very pretty wedding was solemnized in St. Dunstan's Basilica on Sept. 21, 1950, when Cecilia, youngest daughter of Mr. and Mrs. James Thistle, became the bride of Leo Arnold, son of Mr. and Mrs. Leo Dowling, both of Charlottetown. Rev. James Kelly performed the double ring ceremony and Nuptial Mass. The bride's brother served as altar boy. The bride entered the church on the arm of her father, while the Girls Choir, in which the bride is a member, sang very lovely and appropriate hymns. The bride looked very winsome in a floor-length gown of white slipper satin and carried a bouquet of roses and carnations. Her finger-tip veil was caught from a coronet of pearls. She was attended by her sister, Miss Lillian Thistle as bridesmaid who wore a floor-length gown of blue taffeta with matching headress and carried a nosegay of mixed flowers. Miss Betty Coady was maid of honor in a gown of yellow taffeta with matching headress and also carried a nosegay of mixed flowers. The groom was ably supported by his brother, Kelvin. After the ceremony, the wedding party drove to the home of the bride where a lovely wedding breakfast was served to the immediate family of the bride and groom. Mr. Eugene McNeill proposed the toast to the bride. The table was tastefully decorated with a three-tier wedding cake. After the breakfast, the happy couple left via Wood Islands, to New Glasgow, N.S. On their return, a host of friends and relatives gathered at the Whalen Hall, where a reception was held, everyone having an enjoyable time. Previous to her marriage, the bride was tendered showers at the homes of Miss Betty Coady and Mrs. Eugene Guindon, where many lovely and useful gifts were received.

350 Members Of Special Force Released In Dec.

OTTAWA, Jan. 25 - (CP) - The army released more than 350 members of the special force in December, official figures indicated today. The force recruited 235 new men in that month but its over-all total at the end of the month was 122 down from the total at the end of November - 10,268 compared to 10,391. This indicated a loss of 358 men or roughly three per cent of the total strength of the force recruited to back up Canada's obligations to the United Nations or Atlantic Pact. Authorities said the wastage - the military term - is above the normal peacetime rate but contended it is not exceptional for a force recruited swiftly and with low standards for enlistment. Part of the December wastage was traced to medical checkups. McNEILL - DOWLING A very pretty wedding took place in St. Dunstan's Basilica on Oct. 17, 1950, when Dolores Arlene, daughter of Mr. and Mrs. Leo Dowling, became the bride of Richard Eugene, son of Mr. and Mrs. Albert McNeill, both of Charlottetown. Rev. Francis MacDonald officiated at the Nuptial Mass, the double ring ceremony being used. The bride, given in marriage by her father, looked charming in a floor-length gown of white brocade satin with sweetheart neckline and tapered sleeves, her finger-tip veil was of French illusion, she carried a bouquet of pink carnations. The bridesmaid was Miss Catherine McNeill, sister of the groom. She wore a floor-length gown of pink brocade satin with matching mitts and headress and carried a nosegay of pink and white carnations. The bride's sister, Miss Sheila Dowling, was maid of honor, in a floor length gown of blue brocade satin with matching mitts and headress. She also carried a nosegay of pink and white carnations. The groom was attended by Mr. Leo Doyle. The ushers were Mr. Frank Gormley and Mr. Noel Wilson. The soloist was Mr. Frank MacIntyre, who rendered very beautiful and appropriate hymns. Mrs. Joseph Dougan was organist. After the ceremony, the wedding party drove to the home of the bride, where a sumptuous breakfast was served to about 50 guests. The bride's table was attractively decorated with a three-tier wedding cake and silver baskets of cut flowers. A toast to the bride was proposed by her uncle, Sgt. A. J. Dowling. The bride's mother wore a blue suit with a corsage of pink roses. The groom's mother chose green with a corsage of white roses. After the breakfast, the happy couple left on a trip to Moncton, N. B. On their return a reception was held at the Whalen Hall, where upwards of a hundred guests had a very enjoyable time to the music of the Charlottetownians. Previous to her marriage, the bride was tendered showers by Miss Ella LeClair, Mrs. Eric More-side and Miss Kay McFarlane, where many beautiful and useful gifts were received. Large Attendance At Annual Burns Concert

Extra chairs were rushed into the auditorium of the P. W. C. last evening to accommodate an overflowing crowd which gathered for the annual Burns Concert. Sale of tickets at the door was stopped fifteen minutes before the show commenced in order that those who had purchased tickets in advance might have seats. The concert was under the distinguished patronage of His Honor Lieut. Governor T. W. L. Prowse and Mrs. Prowse, Premier J. Walter Jones and Mrs. Jones and His Worship Mayor B. Earle MacDonnald and Mrs. MacDonnald. Sponsored by the Men's Brotherhood of Zion Presbyterian Church, the show got off to a rousing start with pipe selections by the Caledonia pipers, and humorous opening remarks by chairman W. R. Shaw. The Charlottetown Male Chorus under the direction of Mr. Stanley Lancaster, and accompanied by Helen Stewart MacRae, added fresh laurels to its crown as it sang five numbers with Mr. Preston Beck as baritone soloist in one selection. Extremely well played violin solos by Basil Phillips and humorous Harry Lauder selections by Donald and Wallace Wood were very well received. Unaccompanied Scottish songs by the Brooklyn male trio were followed with dances by the Highfield Highland Dancers. These young girls, under the direction of Mrs. J. MacKinnon, appeared three times during the evening and finished each of their numbers to hearty and enthusiastic applause. Concluding the first half of the program Helen Stewart MacRae and Enid Davison combined their talents in piano duets, and John A. Campbell entertained with Gaelic solos. It was pleasant to see in the latter of these songs how many of the audience joined in the singing of the choruses. The Caledonia pipers also opened the second half of the program with pipe selections, and the Scottish theme was carried on in solos by baritone Frank MacIntyre, Miss Betty Beers, another of Charlottetown's more popular entertainers sang two lively Scotch songs. The genial master of ceremonies, W. R. Shaw, spoke briefly on the life of Robert Burns and slated he belonged to all people. He told the large audience how he had heard some of Burns' beloved songs sung in countries of Europe by people of all nationalities. An exhibition of old-time fiddling by Jack Webster and more numbers by the harmonious Brooklyn trio helped round out a very pleasant and entertaining evening. Accompanists for the program included Frank Johnston, Mrs. E. C. Johnstone and Helen Stewart MacRae.

Fish Cooking Demonstration

Approximately three hundred persons attended the lecture and demonstration of fish cooking held yesterday afternoon, under the sponsorship of the P. E. I. Fisheries Federation. The demonstration was held in conjunction with the East Coast Fisheries Conference which concluded last evening in Charlottetown, and which was attended by delegates from the Eastern States and the Eastern Provinces of Canada. The afternoon was opened by Mr. S. H. Burhoe, Charlottetown, past President of the P. E. I. Fisheries Federation who introduced Mr. Lorne Baker of Yarmouth and Ottawa, Director of Inspection and Commercial Services of the Department of Fisheries, Ottawa. An interesting demonstration of the best methods of economically preparing sea foods was given by Miss Edith L. Elliot and Miss Vivianne Maquet of the Home Economics Section of the Department of Fisheries, Ottawa. At the close of the lecture, recipes and bulletins were issued to all those present. Guests invited to the demonstration were members of the P. E. I. Innkeeper's Association; P. E. I. Home Economics Association; the Executive of the P. E. I. Women's Institute, wives of the visiting delegates, and the general public. An attractive display of canned products of this province was set up against the North wall of the auditorium, and questions asked by those present about the many foods on exhibition were answered by Mr. W. E. Agnew, Director of Trade for the P. E. I. Department of Industry and Natural Resources.

Gov't Boosts Payments For Western Wheat

OTTAWA, Jan. 25 - (CP) - The Government today jacked up initial payments on Western grain deliveries, boosting the flow of purchasing power in the hands of Prairie farmers. Increases of 20 cents a bushel for wheat and barley and 10 cents a bushel for oats - applicable to all current-crop deliveries made to the Canadian Wheat Board - are expected to bring grain producers an extra \$100,000,000 in payments in the 1950-51 crop year. Initial payments are made when the grain is delivered to the board. In addition, a final payment based on total crop-year sales, likely will follow after the crop year is ended next July 31. The increases in initial payments, sparked by strong world markets for Canadian grain, will move the yardstick on preliminary delivery prices this way: 1. Wheat will bring \$1.60 a bushel, instead of the former \$1.40, basis No. 1 northern in store at Fort William, Port Arthur or Vancouver. 2. Oats will go up to 75 cents a bushel from 65 cents, basis No. 2 Canada western in store Fort William or Port Arthur. 3. Barley will bring \$1.13 a bushel, basis No. 3 Canada western 6 row in store Fort William or Port Arthur. The Board currently is selling No. 1 northern wheat at about \$1.90 a bushel; No. 2 oats at \$1.05, and No. 3 barley at \$1.65. On that basis, it would appear that farmers can anticipate substantial final payments when the crop year is ended. LONDON, Jan. 25 - (Reuters) - The Cabinet is expected to make a definite statement on Britain's re-armorment, and a military call-up plan before Gen. Eisenhower reports to the United States Congress next Thursday on the state of the Atlantic nations defences, observers here said today.

Disagree New Cold Remedies Of Value

BOSTON, Jan. 25 - (AP) - Three antihistamine cold remedies tried out by Boston University doctors in tests on 1,214 persons had about as much effect, the doctors said, as plain milk sugar pills. The study by Professors Francis C. Lowell and Dr. Irving W. Schiller of the B. U. School of Medicine, was described by the university as one of the largest of its type ever attempted in the United States. And the New England Journal of Medicine, publishing the survey, said the care taken in the study of an intelligent, co-operative group "left no doubt whatever of the results." The Journal, in its editorial, said it was "an honest and conscientious attempt to determine the value of antihistamines in the common cold... there was absolutely no evidence to indicate that the antihistamines had any effect on the occurrence, duration or severity of any of the symptoms ascribed to the common cold." On Monday of this week, two other studies of antihistamine drugs on colds were made public with reports that the drugs improved some cold symptoms although no claim was made that the remedies cured the colds. One survey by four American doctors, printed in a Swiss medical publication, said reports of relief after antihistamine treatment were 18.5 per cent higher than reports of improvement from persons who received a "fake" remedy. The other study covered tests on 1,008 Lewton Reformatory inmates at Washington, D. C. where relief of symptoms and sometimes shortening of colds was reported. Dr. Lowell and Dr. Schiller said: "We were unable to distinguish any effect of the three drugs in the dosage used on the common cold that differed significantly from the placebo (milk sugar)." The doctors listed the drugs they studied as propylpyridamine (trimeton), pyriminamine maleate (neoheteran), and thonzylamine hydrochloride (neohetramine). Today were each sentenced to 112 days detention by a Court Martial.

Egg Production Steadily Increasing

Egg production in Prince Edward Island is increasing steadily, reports Mr. F. M. Nash, District Inspector, Poultry Products. Quality is good. The market is active but largely speculative. Paying prices are unsteady. Quotations are moving up and down but gradually seeking lower levels. Generally supplies appear plentiful for Maritime Consumption with the result a surplus is accumulating on dealers' floors. The prices quoted are those being paid generally throughout the Province. Producers can expect the price poultrymen can expect to receive for the product when it is taken to grading stations. Paying prices to operators of grading stations for the graded product is the price the operators receive for the product for the work entailed in grading, packing in new cases and trays, coat of light, heat, etc. plus a nominal profit. Wholesalers and dealers buy this graded fully processed pack of eggs from grading stations distributing same to retailers, therefore the price wholesale to retail is the wholesale cost of distributing the product. Retail to consumers is the price retailers or grocersmen are selling eggs to the consumer or housewife. Prices are quoted on a quality basis which quality is distinguishable by the grade name. There is a difference in quality or weight between each grade therefore there should be a difference in the price of each grade - the top price being for Grade A Large and the price being lowered for each grade until the low price is based on Grade C. The lowest quality egg offered for sale. The grades in order of quality and weight are as follows: Grade A Large, Grade A Medium, Grade A Pullet, Grade B and Grade C. Here are the prices prevailing presently in Prince Edward Island: Station operators are quoting producers for ungraded eggs, delivered: Grade A Large 34.5, A Medium 33, A Pullet 28, Grade B 28, C 19. Dealers are quoting station operators for the graded pack: A Large 40, A Medium 38, A Pullet 33, B 33, C 24. Wholesalers are quoting retailers: A Large 42, A Medium 40, A Pullet 36, B 36, C 27. Eggs retailing to consumers in cartons: A Large 39.5, A Medium 35, A Pullet 43, Grade B, 43.7, C 35.

Move To Conserve Stocks of Codeine

OTTAWA, Jan. 25 - (CP) - Pharmaceutical firms have launched a move to reduce sales of tablets and preparations containing small quantities of codeine, but available to consumers without doctors' prescriptions, it was learned today. The move, undertaken voluntarily after a survey showed an upsurge in the use of such preparations, is aimed at conserving stocks of the drug that might become scarce should the international situation deteriorate. The step is expected to eliminate the need of putting the preparations on the list of those requiring doctors' prescription. The firms decided not to put tablets containing codeine in large packages of 100. They will sell smaller packages. The manufacturers also decided to increase the price to wholesalers in an effort to reduce the profit and thereby discourage sales. As far as can be learned here the price to consumers will not be affected.
