

DUNE DU SUD
ILES DE LA MADELEINE

[De notre Correspondant Spécial]

Mardi dernier, 15 octobre, l'épouse de M. Placide Chiasson donna naissance à une fille, qui a reçu au baptême, les noms de Marie Radégonde. Parrain et marraine, M. Benoit Eloquin, oncle de l'enfant et Mlle. Arthémise Chiasson, sa sœur.

Hier, le 20 octobre, la goélette de Olivier Chevarie est partie des Iles chargée de maquereaux, qu'elle doit aller porter à Souris : elle doit ensuite se rendre à Pictou.

Aujourd'hui, mardi, deux jeunes hommes des Iles, M. Hélier Boudrault et M. William Arsenault doivent prendre le Steamer pour aller à la Métapédia, où ils se proposent de passer l'hiver.

Hier, nous avons eu une grosse pluie, accompagnée d'éclairs et de tonnerre ; mais elle n'a duré qu'une partie de l'avant-midi.

Les gens sont très avancés d'arracher leurs patates. Il n'y en a pas une grande quantité. On attribue cela à l'abondance des pluies cette été.

Headache is not of itself a disease, but is generally caused by some disorder of the stomach, liver or bowels. Before you can be cured you must remove the cause.

Burdock Blood Bitters

It regulates the stomach, liver and bowels, purifies the blood and tones up the whole system to full health and vigor.

NERVOUS AND SLEEPLESS

There is just one cure and that is plenty of food for the blood and nerves, which is best supplied in Ferrozone, than which no blood builder, nerve tonic or strength producer is better. Ferrozone promotes healthy digestion, which results in improved nutrition. The blood grows rich and red, furnishes stability to the entire system, and the store of nerve force and energy increases daily. A rebuilding of the constitution, new spirits, health and strength, all come from the use of Ferrozone. This marvelous renovator is sold by Druggists for 50c. a box, or six boxes for \$2.50. UN HOMME SAUVAGE.

Un homme sauvage habite, paraît-il, les bois qui se trouvent dans les environs de plusieurs fermes de Brewer, à six milles de Bangor, et terrorisent tous les habitants de cette région qui n'osent plus sortir de chez eux.

De très haute taille et les épaules très larges, l'homme sauvage a des proportions gigantesques. Son corps au dire de ceux qui l'ont aperçu, est couvert de longs poils rouges très touffus. Il se promène complètement nu, et sa barbe a plus de trois pieds de longueur. L'homme sauvage, qui a un aspect terrible, n'aime pas la société, car il s'est mis à plusieurs reprises à la poursuite des hommes ou des femmes qu'il a rencontrés sur son chemin.

'WONDERFUL!'

SAYS LONDON, ONT.

Mr. John H. Barnstead,
Halifax, N. S.

Dear Sir,—

I was afflicted with Rheumatism in my hand, and tried a bottle of your Oil with surprising results. The first application relieved the pain at once, and before I had used the bottle my hand was entirely cured.

I consider your Ethiopian Rheumatic Oil a wonderful preparation, and shall certainly recommend it to all my friends.

Yours truly,

C. F. ALLISON,
