**West Prince Hunters Have Little Success**

**ALBERTON BUREAU OF THE GUARDIAN**  
West Prince hunters were out in force on the opening day of the season on migratory game birds but only a small minority managed to bag this year's reduced quota of six ducks and three were no reports of anyone shooting five geese. Green wing teal were fairly plentiful and although small, made-up for the scarcity of black ducks in some sections. Some fine blue wing teal were picked up by Alberton gunners. Several O'Leary sportsmen bagged a few geese in the grain fields but a fine calm day resulted in the geese remaining off shore and the big hunt for these wily birds is expected to come later in the season. For the third consecutive year there were no reports of anyone sighting Hungarian Partridge which were virtually wiped out in the area during the destructive freezing rain storm in January 1956. There is no season on pheasants in the area.

**Golden Jubilee Marked By Canadian G. Guides**

A shipment of golden tulip bulbs has arrived in Charlottetown from Holland part of a huge order of three-quarters of a million bulbs to be planted by Girl Guide companies and Brownie packs from coast to coast to mark the Golden Jubilee of Guiding in Canada in 1960. The 3,000 tulips, ordered by the Guides and Brownies of P.E.I., will be planted as a "thank you" to the province for its cooperation with the Guide movement since its formation here. The bulbs are all Golden Harvest tulips and will be planted in (tearful-shaped) bed. They will bear a small notice stating that they are the gift of the Guides and Brownies to mark their Golden Jubilee. Tulips will be planted by the girls themselves under the direction of leaders and gardeners. The huge shipment—one of the largest tulip orders ever to be placed in Canada was shipped from Holland to the ports of Montreal and Vancouver, and the bulbs have been distributed from these points to communities in every province. Orders for each community were individually packed and labelled in Holland, and each order carries with it detailed planting instructions for the particular climate where the bulbs will grow. Next spring the Girl Guide "River of Gold" will start to bloom on Vancouver Island and will gradually flow across Canada to the coast of Newfoundland. Even the Yukon will make a special tributary to the river, with Guide companies and Brownie packs there planting special forcing bulbs in pots for gifts to churches and hospitals, replacing outdoor beds, which are impractical there.

A plea of not guilty was entered by Donald MacPhail of Cornwall in the charge of driving while intoxicated when he appeared before Magistrate James B. Johnston in Queen County Magistrate's Court yesterday afternoon.

In its place the accused offered a plea of guilty to the lesser count of driving while his abilities were impaired by alcohol. This being accepted the magistrate meted out a fine of \$75 and costs or 30 days in the Queen's County Jail.

**Montague W.M.S. Meeting Held**

The September meeting of the Montague United Baptist Church Missionary Society was held at the Parsonage, the president, Mrs. G.H. Myers, presiding.

The devotional period, which was conducted by Mrs. Jennie MacKenzie, opened with hymn, "Stand Up, Stand Up for Jesus". Scripture, Ephesians 6: 10-13 was read by Sandra Steeves. The theme of the devotional message given by Mrs. MacKenzie was "Good Assured Victory". The Christian can be assured of final and complete triumph over all that opposes the spiritual life of the soul—Satan, the world and the flesh—by abiding in Christ and being guided by His Word, doing always those things that please Him—for if we please Him, we cannot please the world. The devotional period was closed by Mrs. Steeves with prayer for several missionaries, three hospitals and medical work in India.

An item on the work of the Southern Cross Radio in Bolivia was then read by Mrs. Steeves. A lesson on "The Habitation" which was established in India over 85 years ago was given by Mrs. Myers. This told of the social, medical and political changes which the Gospel has brought about in India. As a result of the teaching of Christ and the ministry of healing, barriers of caste

**CHRIST AND BAHU'LLAH**

"I have yet many things to say unto you, but ye cannot bear them now. Howbeit, when He, the Spirit of Truth is come, He will guide you into all truth." John 16:12-13 Jesus the Christ knew all things, for He was a Manifestation of God the All-Knowing, and His Knowledge was from God and not of men. In His wisdom He also knew that the people of His day could receive only that part of His knowledge which they were mature enough to understand. But He foresaw a day of greater maturity, when the world would be able to receive a fuller measure of that same truth and He promised that, when that day dawned, Another would come, Who would be like Himself, Who would come in the glory of the Father, and Who would bring that further truth, which the world would then be able to receive. Baha'is believe that Baha'u'llah is that Spirit of Truth foretold by Jesus in John 16:12-13.

are being pulled down by the Indian Christians themselves, who are now Christian-leaders in their village, seeking to lead others to the Lord.

The number of influential people in the Hindu higher castes who are becoming Christians is increasing, and some day it may be possible for the Canadian missionaries to leave the "Habitation" in the hands of the nationals, on whose zeal and spiritual power the lasting success of the missionary work depends. Already practically all the medical, administrative and evangelistic work is under the Telugu Convention.

The lesson was followed by the business period, and meeting closed with the missionary prayer.

Refreshments were served by Mrs. June Vanderstine and Mrs. Myers.
