IN MEMORIAM

**MRS. MARY ELLEN MORRISON**—A sad gloom was cast over Glenwood and surrounding districts when it became known that Mary Ellen Jack, widow of the late Daniel Morrison had passed away at her home on Friday evening after an illness of only two days.

Mrs. Morrison had been about her usual duties on Wednesday and retired in excellent health but suffered a severe stroke during the night from which she never regained consciousness in spite of medical care and nursing.

The deceased was born in Cavendish 81 years ago but lived all of her married life in Glenwood where she will be greatly missed both in the community and home where she was always ready with a cheerful smile and helping hand to anyone in need.

Mrs. Morrison was the last surviving member of a large family and leaves to mourn a family of three daughters — (Lucy) Mrs. Charles Bulger, Glenwood; (Ella) Mrs. Everett Wall, Indian River; and Jane in Glenwood; also one son Mannie, at home. Twenty two grandchildren and thirty great-grandchildren also survive.

A short funeral service was held from her late residence on Monday afternoon followed by service in the Glenwood United Church conducted by the Rev. D. A. Campbell of Clinton. The hymns sung were "The Lord's My Shepherd", "The Sands of Time are Sinking", "Forever with the Lord", and "Jesus Saviour Pilot Me."; also the hymn "Goodnight and Goodmornin'" was feebly rendered by the church choir. The choir also sang "We Shall Meet Beyond the River" at the graveside as the remains of a respected citizen was slowly lowered into the grave in the family plot beside those of her husband and children who have gone on before.

The pallbearers were: Atwood and Roy MacDonald, Scott Currie, Alton MacIsaac, John Clements and Arthur Lecky.

The flower bearers were Harold, Harry, James and Ivan Wall, Oliver and Edson MacDonald, Willis Bulger and Boyd Shaw.

Following is the list of the many floral tributes which testified to the esteem in which the deceased was held by the children and grandchildren.

United Church Favors \$40 Old Age Pension

**TORONTO, Sept. 19 (CP)** — The governing body of the United Church of Canada favors a \$40-a-month pension at 70 years for all Canadians without a means test.

The Church's General Council expressed its views on pensions today by adopting by a large majority a resolution which said that such pensions should be paid "as of right to all individuals, in recognition of their long services to the nation, and not as a charity."

Present rates of pensions, all requiring a means test, vary in the different Provinces, with most pensioners receiving about \$40 a month.

The General Council turned down several other clauses of the report of the Board of Evangelism and Social Service, including a proposal that the old age pension should be financed on a "pay as you go" basis by the Federal Government.

Another motion passed by the 287 delegates called for "social honesty" in Canada in such matters as payment of income tax, regard for currency regulations, and lavish spending of money on elections.

Rev. Dr. J. R. Mutchmor of Toronto, secretary of the Board of Evangelism and Social Service, said he had been told that in 1947 only 400 Quebec farmers paid income tax. He said that for the last year of record in Ontario, when a farm paper placed the total value of the farm crop at \$1,000,000,000, Ontario farmers paid \$1,720,000 in income tax—about one-third of one per cent of the gross product.

Turning over of \$550,000 worth of United Church of Canada mission properties in China and India to native churches in those countries was approved last night. Rev. J. H. Arrup, secretary of the mission Board, said missionaries will still be sent to those countries.

He added that it had always been intended that some day the title deeds to the mission property would be handed over to the native churches. In China, the emergence of a government "that looks askance at foreigners" and might seize property owned by foreign interests had hastened the change.

**OTTAWA, Sept. 19 (CP)** — Weather has been favorable for harvesting of grains in Prince Edward Island, the Dominion Bureau of Statistics weekly crop report said today, but in Nova Scotia and New Brunswick high winds and heavy rains caused some lowering of yields and quality.

Yields are generally excellent through the three Provinces.

Digging of potatoes is under way, but yields have been affected in varying degrees by late blight. Harvesting of the Nova Scotia apple crop has started but the fruit is coloring slowly. Yields have been reduced by high winds and scab.

Rains during the last 10 days delayed harvesting in Manitoba and Saskatchewan, but ideal harvesting conditions are reported from Alberta.

The Bureau said that while yields of cereals will be above average the quality of crops, particularly of wheat, will be "generally poor." Extensive areas have been affected by frost with the result that a "large portion" of Western Canada's wheat crop will grade No. 5 or lower.

**NEW ANNAN W. I.**

The monthly meeting of New Annan Women's Institute met at the home of Mrs. Harold Mander on September 15th. As this was the first meeting in her new home Mrs. Stewart Moase said a few appropriate words, and Mrs. Robert Williams presented Mrs. Mander with a gift as a token of friendship from the Institute members.

The meeting then opened in usual manner with the vice president in the chair; roll call was responded by some members handing in articles for rummage sale, others promising to bring articles to next meeting. Eleven members and one visitor present, plans made for a pantry sale at Holmans.

Sick Committee made three calls. New Sick Committee, Mrs. Don Schurman and Mrs. Albert Moase. Mrs. Don Schurman, School Committee reported. Fly stickers and paper towels needed. Some bazaar articles were sold. It was moved and seconded that \$4.00 be sent to the Jubilee Endowment fund. Last year \$10.00 was sent to this fund.

The Secretary was asked to send for cards to be sold among the members and friends. The place of next meeting not decided. Lunch Committee, Mrs. Arthur Wright, Mrs. Elmer Moase and Mrs. Don Schurman.

The hostess assisted by committee in charge served a dainty lunch. The meeting closed with the National Anthem.

Scout News and Notices

The Charlottetown Scouters' Club held a very enjoyable social on Monday evening at a cottage in Brighton. There was a good attendance of Scouters and the evening commenced with a hilarious sing-song. This was followed by some magic games performed by a magician in our midst, which left us all amazed—as to the culprit—but which we thoroughly enjoyed.

Some of our workers got things buzzing in the kitchen, and the corn was put on to boil.

The entertainment was interrupted for a short business meeting, the object being to nominate four members, who will select a slate of new officers at the next meeting. Mr. and Mrs. Lynn Burnett kindly invited us to their home for the next meeting which will be held on Thursday evening, Sept. 28. The meeting was then brought to a close.

A voice whispered the corn is cooked—and was it delicious—tasted like more so we put more on to boil!

We want to thank our hostesses for offering us the use of their cozy cottage; also the record player, which contributed so much to the success of the evening.

Large-Pratt Wedding

On Wednesday evening, Sept. 6th, in Memorial United Church, Grand Falls, the marriage took place of Miss Esme Lenore Pratt, daughter of Mr. and Mrs. F. Millen Pratt to Mr. William MacKinnon Large, son of Mr. and Mrs. Frederick Large of Charlottetown. Prince Edward Island. Rev. R. B. Green officiated at the double-ring ceremony.

The church was beautifully decorated for the occasion with baskets of autumn flowers in gold and bronze, the guest pews marked with tulle bows and yellow mums. Mrs. Giles played the wedding music, and during the signing of the register, Mrs. C. Allen sang "O Promise Me."

The bride, who was given in marriage by her father, wore a model gown of imported white chiffon velvet, made on princess lines, with upstanding collar, close fitting sleeves, rounding over the hands, the bodice closed with self-covered buttons and hand-made loops, and the skirt ending in a short train. Her only jewellery was a gold and topaz ring, the gift of the groom. The bride's headdress was a matching velvet Juliet cap, with finger-tip veil of French net. She carried a Victorian bouquet of white caryanthems and baby's breath.

The Maid of Honor, Miss Rowena Mercer, wore a Tudor-style gown of shaded silk taffeta, in tones from beige to deep brown. The bridesmaid, Miss Frances Green, wore a similar gown in tones of lime and forest green. Both wore long gloves especially designed from the same taffeta as the frocks. Their matching headdresses were of shaded tulle, in tones harmonizing with their gowns, and they carried nosegays of golden pom-pom mums.

The groom was attended by Mr. George Pratt, brother of the bride, and the ushers were Mr. Robert Morrow and Mr. Edward Walsh.

The bride's mother wore a frock of taupe crepe, a brown velvet hat and mink furs, with a corsage of sweetheart roses.

Following the ceremony, a reception was held at the home of the bride's parents. Mr. L. R. Cooper proposed the toast to the bride in his usual able manner, and to this the groom responded.

The bride and groom left by train for Gander, and thence by plane for Prince Edward Island. For travelling the bride chose a tailored suit of herringbone tweed in burnt orange, a small hat of russet felt and brown accessories, and wore a corsage of sweetheart roses.

After the honeymoon Mr. and Mrs. Large will return to Kingstons, Ont., where they will reside.
