A DELICATE CHILD

Let a delicate child take a little Scott's emulsion of cod-liver oil after breakfast or dinner—not too much—too much will upset the stomach. Better too little than too much.

The effect will be slow; it ought to be slow. In a week, you will see it began the first day. Don't be in a hurry.

We'll send you a little to try if you like. SCOTT & BOWNE, Chemists, Toronto.

Unequal Eyes.

Do you see equally well with both eyes? If not, both may be defective. One certainly is. Have them properly examined. We prescribe glasses only when absolutely necessary and guarantee satisfaction. Consultation free.

NOTICE TO ELECTORS.

QUALIFICATION OF VOTERS, AND HOW TO VOTE.

In electoral districts of this Province the voting takes place by ballot. There is no registration of voters here.

Every male British subject of the age of 21 years and upwards who has for six months previous to the 9th day of October, A. D., 1900, been in the possession either as owner, tenant or occupant of a house or piece of land of the yearly value of six dollars shall be entitled to vote.

IN ADDITION TO ABOVE.

In country districts every male British subject of the age of 21 years who being liable to perform Statute Labour, has performed such Statute Labour or paid his commutation money for the year 1900 shall be entitled to vote, provided he has resided for twelve months in the electoral Division.

IN THE CITY OF CHARLOTTETOWN.

If a person cannot qualify as a tenant or owner, he may vote on his poll tax,

IF

He has resided for twelve months previous to the 9th day of October, A. D., 1900, either east or west of Great George Street, and has paid his poll tax of 75 cents of it for the year 1899. OR HE CAN VOTE ON HIS POLL TAX RECEIPT FOR THE PRESENT YEAR 1900. This tax may be paid at any time before the election, but not on election day.

Every resident voter must vote in the polling district where he is living on election day.

We warn poll tax electors to be prepared with their poll tax receipts, before they go into the polling booths. If you do not produce them, your votes will not be taken and you cannot again enter the booth. Tenants and owners do not require receipts.

ONLY MAKE A CROSS.

Mark your Ballot as above indicated. Simply place a X in the space containing the name of William S. Stewart, the people's candidate for West Queens. Place no other mark upon the ballot.

The cross must be made with a BLACK lead pencil. No other kind will do.

Following Irregularities Held Fatal to Votes.

- 1.—A single stroke instead of a cross.
- 2.—A mark which in itself is a means of identification, such as initials or some other mark known as used by him.
- 3.—Two single strokes not crossing.

NO PERSON who has voted at the election shall in any legal proceeding be required to state for whom he voted.—See Sec. 97 of the Election Act.

The election law of the Dominion provides for perfect secrecy of the ballot, except in case of a scrutiny before two judges of the Supreme Court. Before a scrutiny can be held, the person desiring one must deposit in Court one thousand dollars as security that he will be successful. No ballot can be examined until it has been first proved that the voter has no vote and no vote under any circumstances can be examined unless it has been marked objected to before the vote was given. No vote can be marked objected after the voter has received his ballot.

The ballots after being counted are sealed and sent to the Returning officer who without opening the packets or breaking the seals transmits them to the Clerk of the Crown in Chancery, and whilst in the custody of the Clerk of the Crown in Chancery no person is allowed to inspect them.

Besides the polling officers and the agents of the candidates, only one elector may enter the polling booth at a time; he MUST mark his ballot in secret, he MUST hand his ballot folded to the polling officer, who MUST place it in the box without opening, and there is a penalty for displaying the ballot in any way that would afford a clue as to how the elector is voting.

TIGNISH CONSERVATIVE CLUB

The first general meeting under the auspices of this club took place at their room, C. M. B. A. building, on Wednesday night, 24th inst. The 2nd Vice President of the West Prince Association, Mr. P. L. Chaisson, occupied the chair, and Mr. F. J. Buote, editor L'Impartialist; was elected Secretary.

The meeting was addressed by Mr. Gilbert Buote, of L'Impartial, Dr. Murphy, Mr. Jos. Gallant, B.A., Principal of Tignish Grammar School, Mr. J. Albert Brennan and others. The greatest enthusiasm prevailed. An active and energetic committee was appointed from whom good work is expected.

This institution is destined to greatly help the cause in the First Electoral Division. The rooms are tastefully decorated with all the posters which at a glance let in the light on Liberal mismanagement, and the literature so carefully prepared is distributed to the many people who daily and nightly visit the club. Our friends in West Prince are enthusiastic over the prospects, and look with confidence to the close of the polls on the 7th November.

Jolly Jack Tar.

"Jolly" is the word generally associated with the jack tar. He is the picture of health, and the health bubbles over in mirth and merriment. When people are sick, especially when sickness attacks the lungs the doctor often advises a sea voyage. But in the large majority of cases the sea voyage is impossible.

It is to the men and women of the workaday world to whom sea voyages or change of climate are impossible, that Dr. Pierce's Golden Medical Discovery comes as the greatest earthly boon. The effect of this medicine upon those whose lungs are "weak" is remarkable. Even where there is bronchitis, spitting of blood, emaciation, weakness, conditions which if unchecked or unskillfully treated lead to consumption, "Golden Medical Discovery" in ninety-eight cases out of a hundred works a perfect and permanent cure. It strengthens the stomach and other organs of digestion and nutrition, so that the body in all its parts is not merely fed but nourished. And it is by nourishment that Nature builds up the body to resist or throw off disease.

"I had a terrible cough something over a year ago and could find nothing to stop it, or even to do me a particle of good," writes J. M. Farr, Esq. of Cameron, Screven Co., Ga. "I chanced to see an advertisement of yours, and forthwith bought a bottle of your invaluable 'Golden Medical Discovery.' Before I had taken half a bottle I was entirely well."

THE DRINK HABIT CURED AT HOME.

Rev. Father Quinlivan's Tribute.

To whom it may concern: The good points of Mr. Dixon's new discovery for the cure of the liquor habit, in my opinion, are the following: First—If taken according to directions it completely removes all craving for liquor in the short space of three days; its use for a longer time is intended only to build up the system. Second—It leaves no bad effects, but, on the contrary, aids in every way the health of the patient, whilst freeing him from the desire for drink. Third—The patient may use it without interfering with his business or leaving his home. All other liquor cures I have yet heard of are very costly, operate slowly, are doubtful as to effects and often impair the health and constitution of the patient. I therefore look upon this remedy as a real boon, recommend it heartily to all concerned, and bespeak for it here in Montreal and elsewhere every success.—J. Quinlivan, S. S., Pastor St. Patrick's, Montreal.

Full particulars of this new medicine mailed free to all applicants. Address, Mr. Dixon, 81 Willcocks Street, Toronto, Ont.

The struggle in South Africa furnished our militia with an opportunity to display their loyalty. How well they did it, is known to us all. That we should honor them goes without saying, and that we cannot show our appreciation in a more solid manner than by giving towards the fund is indisputable. Lists are at THE EXAMINER, Guardian and Patriot offices, Davies and Revolver hotels, and the Apothecaries Hall where all who wish may put down their subscriptions.

JOHNSON'S ANODYNE LINIMENT

Fifty years ago this month, Dr. Johnson left with me some Johnson's Anodyne Liniment. I remember him distinctly, and could tell you just how he was dressed on that day. I have used Johnson's Liniment ever since. Can truly say it has maintained its high standard from that time to this. No medicine today possesses the confidence of the public to a greater extent. As a family remedy it has been used and endorsed for nearly a century. Every Mother should have it in the house for many common ailments, Internal as much as External. Our book on INFLAMMATION free. Price 25 and 50c. J. B. Johnson & Co., Boston, Mass.
