

OUR NEWS BUDGET for OUR SATURDAY SUBSCRIBERS

MONDAY

Murph Chamberlain's predictions that Al Millar would make the Maritimes forget Ray Frederick was fulfilled here Saturday night...

Backed by the brilliant work of Millar the Islanders forwards and defencemen played like hungry panthers on the puck...

For three periods the two teams threw everything they had into the bitter rousing battle and at the end of play the difference between them proved to be the tight defensive work of the Islanders...

Concerted action by shippers and consignees in the Maritime Provinces against the burden of increasing freight rates will undoubtedly follow the shippers' conference at Amherst on Friday...

The problem of capital and labour was discussed at the weekly luncheon meeting of the Rotary Club yesterday by Rotarian R. H. Rogers...

President Gordon Avar drew the attention of the club to the strange coincidence whereby Rotarian Rogers had addressed the club today on his eighty-first birthday...

Well-attended meetings of the P. E. I. Fishermen's Association at Murray Harbour and Georgetown yesterday endorsed the new regulations increasing the lobster carapace measurement from 2 1/2 inches to 2 3/4 inches...

tics regular goalie, accompanied the Halifax team to the Island but became ill yesterday.

More than 150 Fourth and Third Degree Knights of Columbus from all parts of the Province were present at a testimonial banquet in the Charlottetown Hotel last night...

In token of the high esteem in which he is held by the members the Doctor was presented with the full regalia prescribed for a Knight Commander of St. Gregory, an honour which His Holiness the Pope conferred on the Doctor some time ago.

Two rooms of a ground floor apartment in a five apartment building at Mount Edward Heights were out of action in a fire which broke out in the kitchen at 11.30 yesterday morning...

The apartment is occupied by Mr. Fred Senebough and owned by Mr. G. Stewart MacKay.

During the recently concluded session of the Legislature the House agreed to support the city and some members even remarked that the Province should completely underwrite any loss suffered...

When Mr. J. E. (Eddie) Cantwell eased Engine No. 40 into the C. N. R. station at Charlottetown and stepped down from his cab on completing his run from Borden on the evening of March 16...

In a long and arduous career Mr. Cantwell had but one narrow escape from death. This was when a double header snow-plow extra with which he was operating left the rails near Tignish...

TENDER

DEPARTMENT OF PUBLIC WORKS & HIGHWAYS Province of Prince Edward Island

SEALED TENDERS will be received until noon on Saturday, 25th April, 1953, for the Reconstruction of RED BRIDGE, Wilmot, Prince County, Prince Edward Island.

Tender Forms and Specifications may be obtained at the office of the undersigned.

Lowest or any Tender not necessarily accepted.

R. G. WHITE, Deputy Minister of Public Works & Highways.

Charlottetown, Prince Edward Island, 15 April, 1953.

TUESDAY

Efforts by this city to increase the tax presently assessed against the Charlottetown Hotel are apparently meeting with no success. At a meeting of the City Council last evening a letter was read from Mr. Donald Gordon, chairman and President of the Canadian National Railways, stating the company cannot recommend or accept the suggested increase.

Mr. Gordon said he had reviewed with officers of the company the matter of a grant and briefly outlined the history of the present arrangement.

HALIFAX, April 13 (Special)—The Halifax Athletics exploded for three goals in a wild third period here tonight to defeat the Charlottetown Islanders 6-2 and take a one game lead in the best of nine finals for the Maritime Major Hockey League championship, before a crowd of 5,200 fans.

The Islanders lead the series three games to two with the sixth game being scheduled for Charlottetown on Wednesday.

The Athletics led 3-2 going into the fatal third tonight and they fired two quick goals early in the frame to increase their lead to three goals. Then they hung on grimly as four quick penalties kept them playing two men short for almost four minutes.

Minor penalties to Bloom, Bowness, Laufman and Bergeron in little more than two minutes kept the Islanders shorthanded. The Islanders pulled goaltender Al Millar and used six forwards but despite their all-out efforts they were unable to organize a dangerous attack.

An apparent misunderstanding between the City and contractors exists regarding the amount of gravel used in permanent work on the streets last year. It stems from the amount charged for the gravel with City authorities stating that though they did not question the amount charged to them was used they believed that possibly the contracting company had dug deeper into the streets than had been planned and for this reason used more gravel than necessary.

City Councillor T. Roy Cudmore made a plea for the residents of unpaved city streets whom he said had lived there for years with dust blowing all around them. He asked that something be done to alleviate the condition, Councillor Frank J. Storey said that two cars of oil had been ordered, one for the first of May and the other to be delivered 10 days later. They are to be used on the non-paved streets.

WEDNESDAY

Mrs. J. Steele was re-elected president by acclamation of the Charlottetown sub-division of the Catholic Women's League at the annual meeting held last night in the League rooms. Elected to office with Mrs. Steele are: 1st vice president, Mrs. R. J. MacDonald; 2nd vice president, Mrs. Frank Walker; 3rd vice president, Mrs. Katherine Creamer; recording secretary, Mrs. C. L. MacDonald; corresponding secretary, Mrs. Maurice Griffin; treasurer, Miss Gertrude Coady; councillors, Mrs. L. Noonan, Mrs. P. J. Nealis, Miss Marion Dougan, Mrs. Arthur DeCoste, Mrs. John L. McGuigan, Mrs. Peter LeMay, Mrs. Peter Holland, Mrs. Stephen Trainor.

Captain Garnet Godfrey—A Senior Pilot with Maritime Central Airways—completed what turned out to be a very difficult landing in the rough waters off the Gaspe Coast last Saturday afternoon to pick up a seriously injured worker employed by the Gaspesia Sulphate Works. The worker, victim of a mining accident, was flown to Montreal direct from Chandler, Gaspes by Captain Godfrey and his Co-Pilot, W. J. Bruce of Charlottetown.

The call which sent out one of Maritime Central Airways Canso Flying Boats was received in Moncton and relayed to Charlottetown where action was taken immediately.

Captain Godfrey, one of the few pilots in this region who could have made the difficult landing, resides in Charlottetown and he had many years experience with Canadian Pacific Airlines, and Maritime Central Airways in Canso flying.

The taking over by the City of Charlottetown of the operation of the local airport has become a definite possibility following a meeting yesterday of a delegation from the City Council with the cabinet of the Provincial Government.

Negotiations formerly in progress with Ottawa for extension of the runways have been reopened and the final terms of the Federal Government are expected to be learned shortly.

The majority of those who spoke favored some change in the size limit but they felt that the carapace increase should be one-sixteenth of an inch this year instead of the one-eighth as called for in the new Dominion regulations.

They added that the size could be further increased by one-sixteenth next year. This would bring about the one-eighth increase over a period of two years and in this way it was felt that the fishermen would drop less poundage in their catches this year.

THURSDAY

Ignoring the inclemency of the weather and hopeful for better conditions through the day, hundreds of ardent trout fishermen fanned out from the city in every direction during the early hours of the morning yesterday.

Stewart Pierce of the Hughes Drug Company had the evidence of a good day's sport when he produced eight beauties for inspection, the largest of which weighed 4 lbs. 10 ounces and measured 22 inches long. If he knows where he made the killing, he is keeping the information to himself except to say "East of Mount Stewart".

The Charlottetown Islanders broke out in a six goal scoring spree during the last period and a half to wallop the Halifax Athletics 8-3 last night and even their best of nine final series for the Maritime Major Hockey League championship at three games each. The game was played at the Forum before a crowd of approximately 3,000 fans.

Goaltender Ronnie Cole, a last minute replacement for the flubbed Roy MacMeekin, was the victim of the Islanders' scoring outbreak. MacMeekin, the Atlanti-

FRIDAY

Although they favor any measure which tends to conserve lobsters, fishermen attending a meeting in Rustico yesterday afternoon thought the heavy losses suffered by them last year would only be added to this season by a lower catch resulting from the increase in the carapace measurement.

The largely attended meeting heard the fishermen present a brief in which they stated their case. They said that the storm landing, resides in Charlottetown and he had many years experience with Canadian Pacific Airlines, and Maritime Central Airways in Canso flying.

The taking over by the City of Charlottetown of the operation of the local airport has become a definite possibility following a meeting yesterday of a delegation from the City Council with the cabinet of the Provincial Government.

Negotiations formerly in progress with Ottawa for extension of the runways have been reopened and the final terms of the Federal Government are expected to be learned shortly.

The majority of those who spoke favored some change in the size limit but they felt that the carapace increase should be one-sixteenth of an inch this year instead of the one-eighth as called for in the new Dominion regulations.
