HALIFAX, Dec. 12 (CP)—Halifax St. Mary's suffered a let-down in the third period tonight and Glac Bay Miners roared from behind to post a 3-2 victory in a regular game of the Maritime Major Hockey League.

The win boosted Bud Poile's crew into a fourth-place tie with Sydney Millionaires, and tumbled the Saints into the cellar.

Anderson, Bailey and Chorley were the Bay marksmen. The Halifax goals were scored by Morley MacNeill and Bill Ford.

Both clubs played a hard, close-checking game in the first two periods. But in the third, Saints slumped and the fresher-looking Miners took advantage of a couple of breaks to sweep through for the tying and winning markers.

# Successful Hockey School Concludes Here

Filled with hockey rules, coaching ideas and turkey, most of the candidates attending the three day hockey school in Charlottetown dispersed for their homes last night after participating in what was acknowledged to have been the best hockey school held yet.

The three-day session, which was conducted by George Hayes, N.H.L. linesman and Islanders coach Leo Lamoureux came to an end yesterday evening with a dinner at the Charlottetown at which suitable gifts were presented to the instructors.

And yesterday, as in the previous day the candidates absorbed a wealth of knowledge about the art of refereeing from George Hayes.

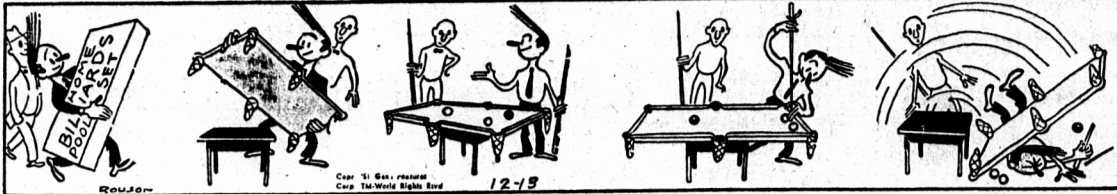

In addition they saw movies of the Stanley Cup finals and semi-finals last season and held a half hour "out session" with Mr. Hayes about present and past big league hockey players.

As a matter of fact the candidates learned more about refereeing than they had hoped. George was called on during the morning to take over a two hour session when Leo Lamoureux, who had remained on giving a coaching talk had other matters to look after.

The films were shown immediately after lunch and were watched by the members of the Islanders hockey team along with the school candidates. Mr. Hayes conducted another session on referees and after time out for tea concluded with a general discussion period. The dinner wound up (Continued on page 7)

### Islanders Score 1-0 Shutout Over Saint John Beavers

Goaltender Ray Frederick, a tall, slim Ontario hockey product with hands like lightning and nerves like ice made his first start in the M.M.H.L. an auspicious one last night as he blanketed the league leading Saint John Beavers while his team-mates up front, the Islanders, gave him a one goal working majority.

Frederick, playing behind a clever blocking defense kept the Beavers out of the danger zone most of the time, played the angles well, left few rebounds and left no doubt in anyone's mind, including the Beavers, about who was in charge.

The big fellow handled 22 Beaver drives with over half of them being from well out. His opposite in the other end, Phil Hughes, was called upon 16 times but most of his saves were from a closer range.

It was left to little Bruno (Red) Favero to decide the verdict in favor of the Islanders. Favero scored a heady goal in the second period with Phil Hughes flat on his back in the goal mouth.

The score came after a sustained attack by the Islanders. Larry Travis blazed a slap shot off the back boards on the right hand side of the net. Walt Pawlyshyn scooped the puck behind the cage and Favero took it to the goal mouth.

Hughes was flat on his back with his feet towards Favero. There was only one place "Red" could put the disc and that's where he placed it. With a flip of his stick he lifted the puck and it slowly turned end over end into the back of the net.

From then on it was a battle of the goalies with both defense units providing top notch protection. The forwards watched that men closely with the result that there were few breaks although Hughes was called upon on a couple of occasions to block blank drives.

In the dying minutes the Beavers pressed desperately to salvage a draw. Led by their ice-cop Carl Smelle they broke out towards Frederick time after time but nearly always their rushes were broken up at the Islanders blueline.

With a minute and five seconds to go the Beavers forced a shot off in the Islanders end. Beaver coach "Peas" O'Flaherty signalled goalie Hughes to move up the ice so that the Beavers might use the extra forward. But Hughes never left the ice. The Islanders got the draw and kept most of the play in the Beavers territory until the end.

The game ended with Hughes about four feet out of his net. Walt Pawlyshyn had the puck and shot one towards the cage but the Beavers Phil had the angle covered.

The visitors played without the services of their stars Johnny Ubricco and Jack Meldrum, who were given a rest. O'Flaherty himself sat out the game. The Islanders did not dress forward "Hub" Beaudry.

Referees Elliott and Mann handed out a total of eight penalties with the Islanders receiving five of the sentences and the Beavers three. All the penalties were of the two minute variety.

Two minutes and thirty five seconds of the first period elapsed before either team had a shot on net. Johnny Morrow broke the ice when he fired a close one at Hughes but the big fellow had the angle covered and did not have to move for the save.

The first two minutes pretty well set the pattern of play for the game. The Beavers relied on shooting it into the corners from the red line and tearing in after while the Islanders usually tried to carry it in.

Left winger Jimmy MacKenzie came close to scoring in the period after taking Whitlock's pass but it was no go. "Bucko" Trainor made a dangerous solo rush but Hughes did not have to move on "Bucko's" backhand.

The second period was only seconds old when Connie Bonhomme raced in on right wing to drill one at Hughes that was knocked down. Minutes later "Dusty" Blair cut through centre to go in on Frederick but the big fellow held out the stop sign.

Shortly after Favero scored at the 6:37 mark Willie Marshall sent Bonhomme in but Connie could not get that second goal.

For several minutes the teams battled on even terms but a little after the halfway mark the Islanders drew three penalties which might have cost the game.

Phil Vitale got a two minute sentence for holding Nicolle and before he was rightly seated Johnny Dutchak joined him al-

ter he had grabbed the puck. But the Beavers could not hit paydirt. Frederick, Travis, McLagan and Trainor held the fort. The Islanders sprang to the attack as the third period opened with the "Kid Line" swarming around the net. Don Bellingher came close on a pass from Bonhomme but again it was no goal. The bumping increased in this session with Favero dumping Carl Smelle and Heon bowling over Vitale.

Jim MacKenzie sent Whitlock into the clear in the dying minutes and "Buck" struck the post. The red light flashed on but the referees ruled it was no goal. MacKenzie himself got close a little later but his backhanded missed the corner.

The ice was heavy in the last two periods and it slowed the play. The Islanders defense led by Phil Vitale was in top form and provided Frederick with the best protection it has given a goalie all season.

This afternoon the Islanders will leave for Cape Breton by bus where they play the Millionaires tomorrow night and the Miners on Saturday. They will encamp near Antigonish tonight.

Saint John—Goal, Hughes; defence, C. Smelle, Lee, Heon, Messia, Arundel; forwards, T. Smelle, Hurst, Nicolle, McCracken, Blair, Mulligan, Watson, Buchanan, Langelle.

### N.H.L. Rejects Overtime Play

NEW YORK, Dec. 12 (CP)—The National Hockey League today rejected a proposal to restore overtime play to break tie games.

A spokesman said the opinion at a league meeting which considered the proposal was that unless overtime could be played in the case of all tie games, it was not desirable to have it at all. Train schedules made that impossible.

The suggestion was raised last month by general manager Art Ross of Boston Bruins who asked league president Clarence Campbell to take an immediate telegraphic poll.

The spokesman said the league found rate receipts in all N.H.L. cities were better than a year ago except in Chicago. No attendance figures were given.

# Millionaires Down Moncton Hawks 4-1

SYDNEY, N. S., Dec. 12 (CP)—Sydney Millionaires packed their deck with 14 players, the biggest staff they've had in a month, and continued their plunge for higher rungs in the Maritime Major Hockey League by tripping a wary but willing Moncton Hawk crew 4-1 before 1,902 fans here tonight.

Hawks were one hour and 35 minutes late in arriving. When weather conditions closed out a scheduled flying trip, Hawks boarded a bus at Moncton to buffet snow and icy highways for 11 hours.

The visitors took a period to lumber up from their highway strife but when they emerged for the second and a resumption of their "storied" crowding game they were three goals in arrears.

Millionaires fired another in the second frame. Hawks had their only answer at 2:57 of the third when Morey Hamilton slapped George Robinson's pass-out past Nick Pidsodny.

Millionaires, utilizing two centres to pivot three lines, threw 22 pieces of rubber at big Don Lockhart in the Moncton cage and got three of them through.

Fred Hildebrand, in his most dazzling display here since joining the Millionaires from the Pacific Coast League Victoria Cougars, started the tally sheets off at 4:53 when he roared to the crease to deflect Joe Levandoski's shot from inside the blueline. Hawks had defenceman Tom Rockey sitting out a slashing penalty on this one. Less than eight minutes later rearguard Dean McBride slipped a 36-foot, partially-screened shot through Lockhart's skates for the second. Frank Bathgate and Hildebrand drew assists.

Moncton — Goal, Lockhart; defence, Rockey, Olsen, Milne, May, forwards, Hamilton, Kennedy, Rowe, Burman, Fillon, Scholes, Clements, Horeck, Marshall, Robinson.
