

film *Poetic Justice* because it didn't have any bluegills choking fishermen, but *Boyz N the Hood* was good because it had boys in the hood.

**FACT:** Fingernails grow at a rate of 1.5 inches a year.

**OPINION:** I wish my fingers would grow at the same rate, so I wouldn't have to cut my nails, or wear gloves.

**FACT:** Kidney disease can strike anyone at any age.

**OPINION:** Kidneys are known as "the terrorist organs."

**FACT:** Some priests in Australia advise you to say "Happy Christmas", not "Merry Christmas", because Merry has connotations of getting drunk.

**OPINION:** Australians can find connotations of getting drunk in almost every word. If you told an Australian to go fuck a kangaroo, he'd think you were offering him a beer.

**FACT:** The longest advertisement on British television was a 7 minute and 10 second slot on *Good Morning Britain* on January 20, 1985.

**OPINION:** A seven-minute tea break must have been exciting for the Queen Mum while the commercial was on the telly, but not nearly as exciting as her seven-minute pee break.

**FACT:** Bats are not blind. They are also not rodents.

**OPINION:** Well that ruins two of my favourite sayings: "Blind as a bat." and "Hey look, that fucking bat is a rodent."

**FACT:** Gorillas can live more than 50 years.

**OPINION:** They'd live even longer if they weren't so delicious.

**FACT:** A man needs sufficient levels of testosterone in order to have the desire, feel aroused, and to get an erection.

**OPINION:** Muff always helps too. A whole lot of muff.

**FACT:** According to Masters and Johnson, at least 25 to 30 percent of people in their 60s have sexual intercourse at least weekly.

**OPINION:** There's nothing wrong with old people having sex as long as they are both fully clothed.

**FACT:** Breastfed children also benefit from enhanced visual, motor, and oral development.

**OPINION:** This particular type of enhanced visual, motor, and oral development is only useful to them if they pursue a career where they are required to suck.

**FACT:** The Library of Congress contains 327 miles of book shelves.  
**OPINION:** Insert joke about book shelves here. \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**FACT:** Human eyesight peaks when people are in their 20s.

**OPINION:** Carrots are supposed to improve your eyesight, but not if you get one jammed in your eye socket.

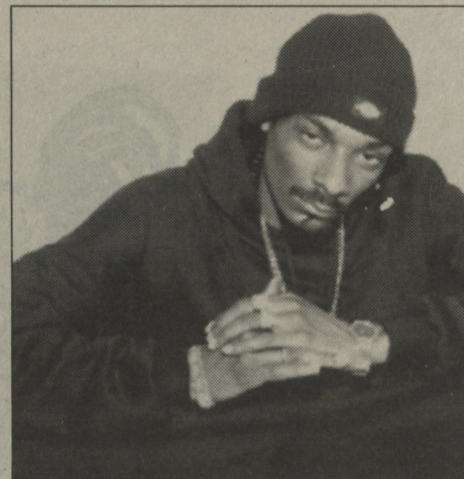

**FACT:** According to scientific research, the average Peeping Tom is 23.8 years old.

**OPINION:** If a guy watches a girl getting dressed through a window, he's a

Peeping Tom. But if someone watches the guy watching a girl getting dressed, it's called "scientific research."

**FACT:** About 1,000 people are killed every year by falling objects.

**OPINION:** Gravity sucks. Just think: if we didn't have gravity, we would weigh a lot less, birds would stop shitting on our cars and there would be no more jugglers.

**FACT:** The average number of cats in U.S. households is 2.2.

**OPINION:** The average number of dawgs in Snoop Doggy Dogg's house is nine trizay.

**FACT:** Every year, parents attack about 100 referees during youth sports events.

**OPINION:** When will parents learn that attacking the ref won't help their children win the game? They should injure the other team's goalie instead.

**FACT:** About 5,000 trees are cut down every year to make bats for major league baseball.

**OPINION:** You don't want to know how many elephants lose their testicles in the ball making process.

**FACT:** Use only water-based lubricants when having protected sex. Oil-based lubricants such as petroleum jelly should never be used because they may weaken the condom and cause it to break.

**OPINION:** Do not use glue.

**FACT:** Swimming pools in Phoenix, Arizona pick up 20 pounds of dust a year.

**OPINION:** Licking the dust off a swimming pool is one way to get a girl's attention, but Mom insists that's not how she met Dad.

**FACT:** Because of Animal Crackers, many kids until they reach the age of ten, believe the bear is as tall as a giraffe.

**OPINION:** Because of Mr. Dressup, I spent most of my childhood thinking dogs lived in tree houses.

**FACT:** In 1982, a man in southern California successfully flew up to 16,000 feet in the air in a lawn chair attached to balloons filled with helium.

**OPINION:** I can't think of a better way to spend an afternoon than relaxing in a lawn chair and catching fresh pigeons the old fashioned way.

**FACT:** Silly Putty was first called Goopy Gup.

**OPINION:** There's nothing silly about putty. Except when it bounces. That's pretty silly.

**FACT:** A pig's orgasm lasts for 30 minutes.

**OPINION:** Miss Piggy gets jiggy for half an hour? No wonder Kermit gets nervous when Piggy is horny.

**FACT:** You are more likely to be killed by a champagne cork than by a poisonous spider.

**OPINION:** I keep my champagne bottles sealed with poisonous spiders to be on the safe side.

**FACT:** The doorbell was invented in 1831.

**OPINION:** Knock Knock! Who's there? The guy who invented the doorbell. The guy who invented the doorbell who? Orange you glad I didn't say banana?
