*Holloway's Ointment.*—Sores, wounds, ulcerations, and other diseases affecting the skin, are amendable by this cooling and healing urgent. It has called forth the loudest praises from persons who had suffered for years from bad legs, abscesses, and chronic ulcers, after every hope of cure had passed away. None but those who have experienced the soothing effect of this Ointment can form an idea, of the comfort it bestows, by restraining inflammation and allaying pain. Whenever this Ointment has been used it has established its own worth, and has again been eagerly sought for as the easiest and safest remedy for all ulcerous complaints. In neuralgia, rheumatism and gout, the same application properly used, gives wonderful relief.
