

THE FACTION

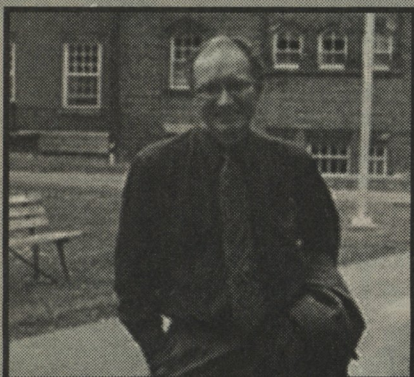

APRIL 10, 2002

The Faction is a satire. It is not *The Cadre*. *The Cadre* is in the middle of this issue of *The Faction*. You have to remove the middle spread and fold it backwards. *The Faction* uses invented names in all of its stories, except in cases where public figures are being satirized. Any other use of real names is accidental and coincidental (except for Adam Gallant's).

"Fuck sie, wenn sie können nicht einent Witz nehmen."
