

Welshmen Top Juvenile Abbies

P.W.C. juveniles ran up a fast 3-goal lead and then went on to beat the Abbies 5-3 at the Sports Arena last evening.

The first period ended 3-0 for the local Collegians with Ferguson, Beaton and Hynes firing the puck past Fritzell in the Abbies cage.

MacPhail and MacDonald fired unanswered goals in the middle stanza for the Abbies.

The final period was closely fought until MacLean of P.W.C. banged home a loose puck from ten feet out. The Abbies quickly retaliated to make the score read 4-3 on MacPhail's second goal of the night.

After several minutes of score-

less hockey L. Rogerson finally hit pay-dirt with a 25-foot drive from left wing that caught the Abbie goaltender napping.

This contest marked the end of an exhibition series of juvenile hockey, and league play gets underway on Saturday with the Abbies entertaining C.D.U.

Junior Farmers Crush Hawks

New Glasgow Junior Farmers last evening crushed Charlottetown Hawks 10-2 at Kensington in a first round fixture of the Intermediate C playoffs.

John Pineau paced the winners with five goals and three assists. Teammate J. O'Connell picked up a pair. R. Larkin, G. Gallant and A. Pineau each scoring once.

L. Doiron scored both goals for the Hawks.

Cape Traverse Rovers Bop Alberton 19-3

ALBERTON — The Cape Traverse Rovers swamped Alberton Regals 19-3 in Alberton last night in the first game of a best-of-three semi-finals intermediate "B" series.

The Regals, re-organized this year following a three season lay-off, were no match for the fast skating Rovers.

The visitors went ahead 7-1 in the opening frame, continued their scoring race for a total of 13-3 in the middle frame and increased the one sided score to 19-3 in the final period.

TWO ISLAND BASKETBALL League games are on tap tonight and three of the teams involved will be shooting for possession of third place in the league standings.

Trotters face Prince of Wales in the first of a twin bill and Saints engage 'Y' in the nightcap. Win or lose the Trotters will still have a big lead over the Airmen from Summerside. The margin is now six points and it cannot be narrowed any because the Saints don't see action tonight.

What the Y.M.C.A. squad will be looking for is the Trotters to whip the Welshmen and Saints to fall victims to them. At present the Red and White and the city collegians are tied with three wins in seven starts while the 'Y' managed only two victories in eight games. If P.W.C. loses to Trotters tonight and 'Y' wallops Saint Dunstan's then the Welshmen, 'Y' and Saints are all tied for third with six points. However on a percentage basis the two college teams would be a notch better than the 'Y' who will have played one more game.

The league surely has interesting possibilities.

WALTER LEPAGE'S Trotters were not doing any boasting about that Sunday victory over RCAF Sultans. They held a 26-12 edge at half time and looked like easy winners but their second half offensive was anything but brilliant. They picked up a mere dozen points while the Sultans were grabbing 19. Twelve points for a squad like Trotters is certainly a poor show. Every player on the Trotters will wholeheartedly agree with this. What happened we don't know but we do know that Trotters intend to find the range tonight against the Welshmen. However, what they intend to do and what they will do may be entirely different things. The City Collegians are a snappy crew and could give the league leaders a real surprise.

After that one is over, 'Y' will try to atone for the lacing Saints hung on them last Saturday at the university gym. 'Y' is capable of playing a good brand of ball. If you don't believe the truth of that statement, just ask the Trotters. They just eked out a win in their last meeting. However against the Red and White Saturday, the 'Y' looked anything but good. Their players will be the first to admit that.

However, the Saints shouldn't anticipate meeting the same kind of a team tonight. This should be one of the better nights for the Joe Cullen-coached squad and if it is, then Saints are in for a really rugged time.

A GLANCE at the scoring statistics might be a bit interesting and also a wee bit surprising.

Trotters are the top offensive team with an average of 52.9 points per game. Next comes 'Y' with 49, Sultans 45.4, P.W.C. 40.4 and Saints 36.

However when you look at the defensive picture you'll probably get a surprise. Saints averaged 41.6 against in their battles. This is the best of the five teams participating. Next comes Trotters 42.2, Sultans 46.1, P.W.C. 46.6 and 'Y' 51.3.

ELSTON HOWARD, the first Negro to wear a Yankee uniform, has signed his 1959 contract for a nice juicy \$25,000. This represents a big boost for Elston and it couldn't happen to a nicer guy.

Howard also got the Babe Ruth award which goes annually to the player most outstanding in the world series. On his play in the outfield where he replaced the jittery Norm Siebern, he richly deserved it.

This fellow Howard can go behind the bat for you, take his position in the outfield or make a pretty fair job of playing first base. In addition to all of this he swings a mean bat. In the regular season in 1958, he hit a maddening .314.

Howard appears to be a great team man. Anything you read about this fellow is in praise of him. He turned the tide for the Yankees with his brilliant play in the outfield in that fifth game with Milwaukee last October.

Elston should have another terrific season in 1959.

HERB ELLIOTT has come a long way to have his dinner. The holder of the world's record mile will headline a parade of 25 sports greats of the past and present at the annual \$25-a-plate sports celebrities dinner in Toronto tonight. Entire proceeds of this affair go to the Ontario Society for Crippled Children.

It was this same Mr. Elliott that amazed the sport world in 1958 with his unbelievable 3:54.5 mile. One of his companions at the big event will be Saie Ste Anne's Yvon Durelle who floored Archie Moore four times in that dramatic December 10 fight in Montreal.

TWO PLAYERS who last season drew their pay from the San Francisco Giants have inked contracts for the 1959 season with Philadelphia Phillies.

They are Ruben Gomez and Valmy Thomas. Both came to the Phillies in a December trade that sent pitcher Jack Sanford to the Riney-managed outfit.

Gomez may have some good pitching years ahead of him and Thomas, a rookie catcher last season, appears to have a bright future. He does an average job behind the plate and can really wallop that ball on occasions. He showed that in his first season in 1958.

Both could be a real help to those Phillies.

THEY'RE SET

The championship match, tentatively scheduled for June, will be staged in a U.S. city to be announced within 30 days. (AP Wirephoto)

Sports Celebrities Turn Out For Benefit Dinner

TORONTO (CP) — Hammering Henry Armstrong, only man to hold three world boxing titles at the same time, Tuesday began a procession of sports notables into Toronto for the benefit of crippled children.

Armstrong flew in from Los Angeles. Baseball players Elston Howard and Bob Turley were due later in the day from New York. Runner Herb Elliott is coming from Australia.

These and a score of others are head table guests tonight at the eighth annual \$25-a-plate sports celebrities dinner for crippled children sponsored by the Ontario Sports Writers and Sportscasters Association. The money goes to the Ontario Society for Crippled Children which received close to \$145,000 from the first seven dinners.

The dinner is a sellout. All 550 seats in the main dining room, were gone 10 days ago and the association has been selling space in an adjoining room to late-comers who will move into the main room for the program.

The 46-year-old Armstrong, now a Baptist minister, held the world featherweight, lightweight and d middleweight titles for several months in 1938.

Both Howard and Turley, members of New York Yankees, won baseball awards on last season's play. Howard was voted the Babe Ruth Award as outstanding player of the world series. Turley was voted player of the year by New York Baseball Writers and won the Cy Young Award as the outstanding pitcher in the major leagues.

Two members of the National Hockey League's 1957-58 all-star team came Tuesday night—Bill Cowley from Smiths Falls, Ont., and Gordon Drillon from Saint John, N.B. Today Mervyn (Red) Dutton, who managed the old New York Americans and served as NHL president, arrives from Calgary.

One of their world series opponents, catcher Del Crandall of Milwaukee Braves, arrives this morning to round out the baseball contingent.

Minor Hockey Action Tuesday

Yesterday's activity at the Sports Arena centered around the Peeewe Midget and Juvenile brackets. In the first game the Peeewe Rams defeated the Jays by a score of 7-1. High scorer for the victorious Rams was Billy Weatherbie with 5 goals.

Also scoring was Harvey Cormier and Roland MacLanis. For the Jays Lloyd Blanchard scored the only goal.

In the Midget game the Arrows and Darts fought for the lead for two periods, the Arrows finally going out in front to win 4-2. For the winners Mike MacDonald and Ronnie Rice both netted two goals while Allan Dover and Emmett Ellsworth scored singles for the Darts.

Here are unofficial scoring statistics for Summerside Aces to date:

Name	G	A	Pts.
Vance Harris	10	15	25
Ulric Gallant	10	14	24
Claude Gaudet	15	14	19
Greg Deighan	9	8	17
Bonnie Howatt	10	7	17
Benny Grady	10	5	15
Leroy Clow	6	9	15
Coke Grady	3	9	12
Doug Williams	3	8	11
Gerry Ronahan	6	0	10
Eustace Reeves	7	1	8
Ron MacArthur	1	5	6
Jamie Phillips	0	3	3
Grant Grady	0	1	1

The Harris-Gallant-Howatt line

has pulled up on even terms with the "Kid Line" — of Gaudet, Deighan and Ronahan, each having scored 30 goals. The Grady-Grady-Glow trio have started to gain too, but are still well behind with 19 counters. In the matter of total points the H-G-H line is far ahead with 66. The "Kid Line" has 46 points, and the G-C-G line, 23 points.

Since the Charlottetown terms have pulled up their socks, and made it tough going for the Aces, it is noticeable that the "Kid Line" has faltered a little and the other two lines have gained on the youngsters. On the defence the same trend is apparent. Reeves and MacArthur are closing in on Williams. Maybe it's just another illustration of the old saw—"An old dog for a hard road, a pup for a path."

We'd like to throw a posy at young Ron MacDougall for his work in the Summerside net on Friday evening. Getting his baptism of fire against the Charlottetown Juniors, he turned in a steady game and shows promise of being a top-notch netminder. It is reassuring to know we have such dependable reinforcement in one of the key positions of hockey.

Eric Gemmill scored 11 points to lead Summerside High School basketball team in their 48-32 victory over a YMCA team at the Charlottetown "Y" last Saturday. Don MacEachern had nine points and David Weale eight. It is significant that all players on the high school team were in on the scoring. While Mike Scott was a member of the team, his shooting was so accurate that the other boys kept feeding him, now that he is gone he will be missed, of course, but when the team reorganizes its playing tactics, they will have a more evenly balanced attack, and will perhaps be more potent because of this.

ARSENAULT TOP SNIPER

Navy Tars Overwhelm Garrison Juniors 9-4

Apps Arsenault paced the Navy Tars to a 9-4 victory over Orin Carver's Garrison Juniors last evening at the Sports Arena, scoring three goals, including the hat trick. Jack Kane and Dick Carroll each picked up a pair for the winners.

The Tars, with Eddie Murray of Brackley in the nets, opened the scoring, defence-man Joe Coyle, connecting on a screen shot from just inside the blue line. This was the only goal scored in the first frame.

In the middle stanza the Sailors outscored the Juniors three goals to one. Marksmen for the Navy were Wally Shepherd, Dick Carroll and Apps

with less than three minutes left in the game, coach Carper came through with a pair for the Juniors.

Referees for last night's fixture, Moe Goodwin and Walter Lawlor, called a total of six penalties.

Again early in the final period while Murray was coping off in the penalty box on a second tap Apps Arsenault fired one past Ward to make it 5-1 for the Sailors. They picked up two more before the Juniors could make the red light blink. B. Mulligan did the honors for the Juniors while the Navy squad was short-handed.

Two more goals by Arsenault and Simmonds of the Navy made the scoreboard read 9-2 but
