

Missionary Rally At Freetown Church

A Women's Missionary Society rally was held in Freetown United Church on Thursday afternoon, July 5th. It was very largely attended. The church was beautifully decorated with summer flowers. The meeting opened with devotional exercises led by Miss Louise Calbeck. Mrs. Austin Rogers welcomed the delegates and Mrs. Norman McMurdo responded. Rev. H. E. D. Ashford gave an address, the keynote being: "Our Ambition at Home in Our Missionary Societies, in the Church and in the Broader Field," and stressed the need for young people to enter the missionary work at home and in foreign countries. He was listened to with great attention. A duet, "Whispering Hope," was sung by Catherine and Frances Craig, accompanied by Mrs. Walter Craig. In the absence of the treasurer, Mrs. Wilfred Craig gave the financial report showing an increase of \$402.42 over last year's giving. Roll call was responded to by one hundred delegates, representing fourteen auxiliaries. One new auxiliary was recently organized in Travellers Rest. Mrs. Elliot Wright read the report of the Mission Band. The aim this year is to have a Mission Band or Explorer Group in every church, and the need for more leaders and teachers is great. A solo, "Bless This House," was sung by Mrs. Lea Calbeck, accompanied by the organ by Miss Geldhart. Mrs. John Scott, secretary of Christian Stewardship, stated that although there had been an increase in giving, members should not be content, but should make sacrifices in order to raise more money so needed additions in the overseas work could be carried on. The offering was received and dedicated with prayer. Mrs. Stanley Thompson, Community Friendship Secretary asked the members to be more friendly, especially to newcomers to their communities. Mrs. Louisa Cairns reported a new C.G.I.T. group was organized in Cornwall with Mrs. Hazen Howard as leader, and gave a challenge to others to become leaders in girls' work. The secretary of Christian Citizenship spoke about Canada's liquor bill being two million dollars a day, seven times that spent on church work and four times the amount spent on education. "Are we christian citizens?" she asked, "if we allow this to continue?" She urged the necessity of women becoming more vocal, and asked each one to become a member of the Temperance Federation, thus enabling the temperance forces to speak with a united voice. A brief intermission was enjoyed when all marched around the church singing "Onward Christian Soldiers." Mrs. Allison Tait, Literature Secretary, had on display a great many books, and stressed the importance of reading good literature, especially the Bible, as

Community Honors Bride And Groom

The home of Mrs. Mamie Adams, Spring Valley was the scene of a happy gathering on Tuesday evening, June 26th, when friends and neighbors gathered to honor her son, Ivan, on the occasion of his recent marriage, and to welcome his bride, the former Earla Adams of Darnley, to the community. The event included an address read by Mrs. Charles Cole, the presentation of an eight day clock from the people of Spring Valley, a stool from the Dramatic Club, a large sum of money and other gifts. An arch, prettily decorated in pink and white, with matching streamers and pink roses, marked the bridal chair. The Wedding March was played by Mrs. Roy Bryant. The gifts were unwrapped by Mrs. Emmet MacKinnon and Mrs. Leighton Harrington, and arranged on the table by Mrs. Hubert Caseley, while Mrs. Charles Cole read the accompanying names. Ivan adequately expressed his thanks and both he and Earla were thanked. Lunch was served by the ladies, and a dance was held outside on a booth. Music was furnished by Messrs. Bernie McKinnon, Jimmie Beasisto, Carl Crozier and Delmar Woodside. The following address was read prior to the opening of the gifts. Dear Ivan and Earla, We are gathered here to-night to extend to you our best wishes and congratulations. You, Ivan, we have always known and by your pleasant disposition and willingness, to help in every community activity, you have endeared yourself to all, and we would congratulate you on the partner you have chosen to travel with you on the road of life. You, Earla, have come to our district as a stranger to most of us. We extend to you a hearty welcome and trust that you will make friends amongst us. You both will encounter many obstacles as well as pleasures as you journey along, but trust you will meet your responsibilities with courage. We ask you now to accept this gift as taken of our esteem and friendship for you both, from your friends of Spring Valley and vicinity. No other book can take its place. The Freetown C.G.I.T. presented a playette, "Work in Teulon Hospital, Manitoba." Mrs. Sterling MacKay requested Missionary Monthly subscriptions to be passed in in October. Mrs. Edna Jenkins read a paper on conditions in Korea, where there are ten million refugees who are badly in need of clothing and bedding, and asked each Auxiliary member to be a spearhead in a drive for clothing for Korea. This very inspiring rally was brought to a close with a worship service conducted by three girls from the Bedeque Canadian Girls In Training group. The Freetown Auxiliary served a delicious supper to the delegates and visitors.

Busy Day in Alberton Store

Friday was a busy day at Fraser's store in Alberton. In response to an opportunity to obtain free photographs of their children, parents brought their little ones from as far as Elmsdale, Casumpeo and Tignish. They crowded into the store until it was almost impossible for anyone to move. There were three hundred children belonging to one hundred families and all were photographed in six and one half hours, new electronic lighting being used. Early in August the photographer will return with the proofs. A photo of each child will be given free and parents may purchase any additional number.
