OLD LANDMARK GONE.—The church building of the Pre-byterian Church of Cavendish has been taken down. A house of worship has been on this site for about 70 years. Its removal makes quite a difference in the look of the settlement.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs Winslow's Soothing Syrup.

A WORTHY COUPLE.—On the Colville Road reside an aged but active couple in the person of Mr and Mrs Donald Dogherty. Although they are now in the "sere and yellow leaf" they are by no means laggards in life's journey. Last week Mrs Dogherty wove a large web of cloth, all her own work, and an achievement to be proud of considering that she is 82 years of age. Her husband numbers 84 years of life and still occupies himself with the small jobs on the farm. Mr Dogherty's parents came out in the "Polly" in 1803 and he was born in Belfast.

WEDDING BELLS

A quiet wedding took place at the Baptist parsonage on Wednesday, Aug. 16th, when Miss Louisa Jane McKinnon, daughter of John McKinnon, of North Milton, was united with Mr Arthur Sentner, of Hunter River. The bride looked charming in her dress of white, and was supported by Miss Thirza Ford, of Milton, while Mr Geo McKinnon stood as best man. Miss McKinnon has been for some years a most popular dressmaker and is well and favorably known in many parts of the province. Mr Sentner, too, has hosts of friends, who all join in wishing the happy couple much joy in their new home at Hunter River.

Healthy happy children make better men and women of us all. A little care and a little planning before birth is often more important than anything that can be done after. On the mother's health and strength depend the life and future of the children. A weak and sickly woman cannot bear strong and healthy children. Most of the weakness of women is utterly inexcusable. Proper care and proper medicine will cure almost any disorder of the feminine organism. Dr. Pierce's Favorite Prescription has been tested in thirty years of practice. It is healing, soothing, strengthening. It is perfectly natural in its operation and effect. By its use, thousands of weak women have been made strong and healthy—have been made the mothers of strong and healthy children. Taken during gestation, it makes childbirth easy and almost painless and insures the well being of both mother and child.

Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary Medical Association, Buffalo, N. Y.
