THE election in North Lanark has resulted in the return of the Opposition candidate by a not very large majority. North Lanark has been a Grit stronghold for years.—Mr. Galbraith, the late member was elected there by acclamation, for three consecutive elections. At the last general election he was however too confident, and the then opposition came within 43 of defeating him. At the General Local Election last June the Grit candidate (Mr. Caldwell) was returned by the large majority of 282.

BORN UNDER PECULIAR CIRCUMSTANCES.—On Saturday afternoon while the 4:20 express from Halifax for St. John was awaiting the arrival at this Station of the English mail train, a fine young male child was born of one of the passengers under circumstances somewhat novel. The passenger, named Eva Fawcett, who had formerly been at service in Moncton, but has lately lived in Amherst, retired to the private apartments in one end of the car and gave birth to the child, which was a minute or two afterwards found by the officials lying beside the rail on the snow. The child was carried to the Dining Hall. The girl, who had returned to her seat in the car, at first denied that the child was hers, but afterwards confessed. The infant so strangely born was taken to a house in town, and medical attendance provided. It is now alive and well. No action was taken against the mother.—It is unnecessary to say that the startling and disgusting occurrence created no little excitement among those who were witnesses of it.—The girl was on her way to Petitcodiac.—*Moncton Times.*

STOCK-TAKING.

WE hereby inform the public of this city, and the Island generally, that previous to Stock-taking, we have resolved to clear out as much of our Winter Stock as possible. We are aware that at this season it is hard to get people to buy even at reduced prices; but in the face of this difficulty we have made up our mind to adopt full measures, and sell our Wool Goods and Dress Goods at a sacrifice.

Our Goods have been very cheap all winter, as the run of trade we have had fully testifies. Our store has become the resort of those Ladies who know how to make a penny go a long way, and who know a cheap article when they see it; and when we say we are going to reduce the prices of our Dress Goods and Trimmings, we know we shall be believed. We are particularly anxious to clear out our present Stock, in order to introduce as much of the newest style of Dress Material as possible, and at the very lowest prices. We shall make special prices on Black Cashmeres, Black Merinos, Black Cords and Lustres, Lustrines and Brilliantines.

Our Fancy Wool Goods will be sold at less than cost. Our Stock of this class was the largest, most select, and finest in the city, and the remains of it will be sold at a great sacrifice. Blankets, Quilts, Horse Rugs, &c., will be cleared out at great Bargains.

We make no apology to the Tea-drinking public for drawing their attention to our fine flavored and rich Teas, 32, 36, and 40 cents per lb. They are receiving the highest praise, and those who use them, strongly recommend them to others. Our trade in this article is growing rapidly. Tea appeals to the most subtle of the senses, and as the proof of the pudding is in the eating, so the proof of the Tea is in the drinking. Friends, try it.

There's a world where all are equal, we are hurrying to it fast,
We shall meet upon the level there, when the gates of death are past;
We shall stand before the Orient, and our Master shall be there,
To try the blocks we offer, with His own unerring Square.

Hands round, ye faithful Masons all, the bright fraternal chain,
To part upon the Square below, to meet in Heaven again;
Oh! what words of precious meaning, these words Masonic are,—
We meet upon the Level and we part upon the Square.

LORNE HIGHLAND WHISKEY.
THE ANALYTICAL SANITARY INSTITUTION, 54, Holborn-viaduct, E. C., London, Aug. 18, 1879, report on the "Lorne Highland Whiskey" of Messrs. Greenlees Brothers:—

"We have visited the bottling stores of Messrs. Greenlees Brothers, at Gresham-buildings, London, and have selected from the vats, samples of their Lorne Highland Whiskey, and have subjected them to careful examination and analysis. The samples were pale, showing their freedom from added coloring matter, very fragrant, mellow and of pleasant flavor; in fact, they possessed all the characteristics of pure and well-matured Scotch Whiskey of the first quality."
