

Lockhart Family Gathers For Picnic At Darnley Beach

SUMMERSIDE — The Lockhart family held its annual picnic Thursday afternoon Aug. 20 at Darnley Beach enhanced by perfect weather and ideal surroundings.

The younger members of the group enjoyed swimming and games while others had happy fellowship together.

Some recalled how in other days they had travelled with their parents many miles by truckwagon and sturdy team of horses to this same shore whose coastline has changed considerably during the years but whose blue waters are as inviting as ever.

Besides those of the Lockhart connection whose homes are on the island, there were present, Dr. and Mrs. E. Lockhart of Little Shemogue, N.B. Dr. Lockhart who is now the senior member of the family and is retired from the active ministry, looks forward with great pleasure every year to this gathering of the clan.

Also present were Mr. and Mrs. Alex Lockhart of Cold Lake, Alberta who were delighted to be back again after 10 years absence.

Others present included G. W. Crozier and family of Hamilton, Ont.; Mr. and Mrs. Tom Taylor of Bar Harbour, Maine; A. R. Lockhart and son of Truro and G. L. Crozier and family of Madawaska, Maine, who are summering at Cavendish.

Accompanying them were Mrs. Jamieson of Campbellton, N.B., and Mrs. Lyon and daughter, Sally of Kirkland Lake, Ont.

The tables were spread on the beautifully sheltered grounds of Lloyd Adams' shore. After the

bleasing had been asked by Dr. Lockhart all fully enjoyed a very delicious supper. This was followed by the singing of "Praise God From Whom all Blessings Flow", bringing this delightful gathering to a close.
