Hughes The Peoples' Druggist

Drugs are expensive. Sometimes they are more expensive than need be. And sometimes they are not so reliable as they ought to be.

There was a time when the prices of drugs were away up—too high altogether. That is not the case now. The Apothecaries Hall changed that some time ago.

You can get prescriptions from pure drugs at the proper prices—no fancy profits. You can get all my reliable special medicines; they've been tried and found effective.

The price—the main thing—will be found right in every case.

H. B. PLANT'S WILL.—The will of the late H. B. Plant was probated at New Haven, Conn., last week. The estate is appraised at \$8,000,000.

STORE BURGLARISED.—The store of E. McKenzie & Co., at Souris, was broken into on Saturday night and goods to the value of \$75 was taken. There is no clue to the guilty one.

FIFTY HOUSES BURNED.—The village of Grandy, in Wolf county, Que., was almost wiped out by fire on Saturday afternoon, fifty of the sixty houses being destroyed, as well as a large quantity of lumber. The loss is quite heavy and the insurance small.

PAINFUL ACCIDENT.—While Mr. Wilfrid Mackinnon, Howlan, was driving, or rather starting for a drive, Thursday last, his horse bolted, throwing him from the carriage against a fence. Mr. Mackinnon struck on his head, and was rendered unconscious, besides dislocating his shoulder and fracturing the acromion process—Agriculturist.

DANCING CHALLENGE.—Professor McQuarrie, who put on the "Carnival of Nations" in Charlottetown a few weeks ago, has been challenged to a dancing competition by John A. Anderson, of Montreal, who styles himself the champion dancer of the Dominion. The competition is to include Highland Fling, Sword Dance, Sheann Trews, Sailors' Hornpipe, Irish Jig and Irish Reel.

P. E. ISLAND MAGAZINE.—The July number of the P. E. Island Magazine is on sale at the bookstores. It will be found an especially interesting number, containing articles of historical interest as well as contributions of a lighter character. It is illustrated with views of Island scenery, etc., as well as with the photographs of our present Crescent and Abegweit football teams. Five cents a copy, sent by mail on receipt of price. Address the P. E. Magazine, Charlottetown.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

THOSE POULTRY STATIONS.

SIR, I noted your correspondence yesterday from "Wide Awake" in re the direct cause to Great Britain. I would like to speak about a minor but nevertheless important matter—the poultry-fattening stations of which we heard so much when Professor Robertson was here in the spring. We were certainly promised them. Some farmers made preparations to have an extra number of chickens ready for them. Surely if our Business is Business Government are going to fulfil their promises in this regard, it is time they were starting about it.

DIITTO.

When a man owns a blooded horse he is always careful of its health. He looks after its diet and is particular that their feeding shall be regular and right. While he is doing this it is as likely as not that he himself is suffering from some disease or disorder. When the trouble gets so bad that he cannot work, he will begin to give himself the care he gave the horse at the start. Good pure, rich, red blood is the best insurance against disease of any kind. Almost all diseases come from impure or impoverished blood. Keep the blood pure and strong and disease can find no foothold. That is the principle upon which Dr. Pierce's Golden Medical Discovery works. It cleanses, purifies and enriches the blood, puts and keeps the whole body in perfect order; makes appetite good, digestion strong, assimilation perfect. It brings ruddy, virile health. It builds up solid, wholesome flesh (not fat) when, from any cause, reduced below the healthy standard.

Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary Medical Association, Buffalo, N. Y.

The words of praise bestowed upon Hood's Sarsaparilla by those who have taken it prove the merit of the medicine.

The King of Portugal contemplates, it is said, coming to England in order to thank Queen Victoria for the recent visit of the British fleet to Lisbon.
