Three Naval Research Est. Appointments Are Announced

Dr. John E. Keyston, 48, of Halifax, Chief Superintendent of the Naval Research Establishment (NRE) at Dartmouth, N.S., has been named Vice-Chairman of the Defence Research Board...

The new Vice-Chairman has displayed an active interest in scientific, artistic and other public activities in Halifax. He is a member of the Board of Governors of the Nova Scotia Technical College...

Archibald M. Pennie, 41, of Ottawa, former Superintendent of the Defence Research Northern Laboratory (DRNL) at Fort Churchill, Man., and now attending the National Defence College at Kingston, Ont., will succeed Dr. Langstroth as Chief Superintendent at SES about Sept. 1.

His interest in drama, developed during his residence in Nova Scotia has resulted in a series of awards as a playwright. For two successive years, he won Nova Scotia's top award for writing the best three-act play.

GEORGETOWN

Friends of Mrs. Elmer Hatch are sorry to hear that she has entered the Prince Edward Island Hospital for treatment and all wish her an early return to good health.

Mr. and Mrs. John P. Macdonald were visitors to Charlottetown on Friday, April 12th. Mr. Walter Campbell left on Friday 12th on return to his home in Boston, Mass after having been called to Georgetown, where he attended the funeral of his niece the late Miss Rita Wight.

Mr. Elmer Jeffery, Crew member of Public Works Dredge, stationed at Yarmouth N.S. arrived at his home in Georgetown on Friday, April 12th having been called to his home due to the serious illness of his father, Mr. Robert Jeffery.

Mr. Joseph Clory, who is taking a course at the Vocational School in Charlottetown was a weekend visitor to his home in Georgetown.

Mr. C. A. Fraser, accompanied by Mr. Stephen Scully motored to Charlottetown on Monday. Mr. and Mrs. Preston MacDonaid, accompanied by their son John and by Miss Geraldine Forgary of Seven Mile Road, left early in the week by car on a visit to Boston, Mass.

Mr. Arthur Vorstom who is spending the winter and spring months in Georgetown was a visitor last week to Mr. Stewart and Pisquid.

WIND POWER Windmill - driven generators in Swedish villages power as many as 1,000 lights of 60 watts each.

BOOKING ORDERS FOR LIME

RUSSELL CHING, Souris.

TIMELY NOTES ON FUR TOPICS

The Hudson's Bay Company, oldest company in the world founded in 1670, is still going strong. They recently reported record sales of \$26,380,000 for the year which ended January 31st.

The Hudson's Bay stores have been doing wonderfully well the past five years. We can well remember when Governor Sale who visited this province in 1927 decided on building a new store in Winnipeg and one in Vancouver.

EASTERN GUARDIAN

DANCE, LOWER MONTAGUE Hall, Easter Monday night. Good music.

BUY FAMILY bread, always fresh at your grocers. Try our home-made and twin loaves. Montague Bakery.

FISHERMEN! SHAVE in your car this fishing season with a Remington Auto and Home Shaver from MacLeod's Scottish Jewellery Murray River.

PRE-EASTER SERVICE - A Pre-Easter service in Murray River United Church Friday evening was largely attended. The service was conducted by the minister Rev. Mr. Woolfrey, taking for his text John 19:18.

FUNERAL AT STURGEON - The funeral of the late Arthur Thompson was held from Sturgeon Baptist Church, Saturday, April 20th, at two p.m.

PERSONALS - Miss Hazel Yeo, daughter of Mayor Bruce H. Yeo and Mrs. Yeo, has returned to Halifax following a brief visit with her parents in Montague.

THE TERRIFIC GARY COOPER HIT YOU'VE WAITED FOR SINCE 'HIGH NOON'!

THE TERRIFIC GARY COOPER HIT YOU'VE WAITED FOR SINCE 'HIGH NOON'!

PERSONALS - Miss Evelyn MacLure and Messrs. Boyd White and Kenneth McIntyre are among the P.W.C. students spending Easter holidays at their respective homes in Montague.

Peter DesRoches and Ronald Sullivan, students at St. Dunstan's College, are visiting their homes in Montague over the Easter holidays.

Easter Service At Murray River

The Easter Sunday morning service in the United Church at Murray River was largely attended. The service was conducted by the minister, Rev. Mr. Woolfrey. He took as his text, Mark 16:6 'He is risen'.

A duet 'He Arose' was very beautifully rendered by Miss Fay Keenan and Edith Johnston. Hymns sung were 'Jesus Christ Has Risen Today', 'The Day of Resurrection', 'Hear O My Lord' and 'I See Thee Face To Face'.

A pot of beautiful Easter lilies were placed in the church by the C.G.I.T. girls and added a touch of beauty to the Easter service. The service closed with the benediction.

well as increasing interest in the U.S.A. Lutetias are a highly desired color and there is a big demand for that color for cloth coat trimmings.

Maynard Johnson, Two Harbors, Minnesota, and twenty other United States and Canadian ranchers have announced the development of a new color phase. The ranchers who will produce the new color have trade marked it under the name of CAMEO.

25 PERCENT UP - Lutetias were also very strong at the above sale, 98 per cent being disposed of with an average increase from February of 10 per cent.

There was a fight in this man's heart and no man ever fought harder to hide it!

His rock-like fists, his muscled brawn and disciplined brain, his ready rifle and steady aim - all the weapons were there... waiting...

THE TERRIFIC GARY COOPER HIT YOU'VE WAITED FOR SINCE 'HIGH NOON'!

Trade Board Has Ladies' Night

On Tuesday evening the members of the Montague Junior Board of Trade entertained their wives and friends by holding a ladies night at their Guardian of the Gulf Museum.

Final Service In Series Is Held

A capacity congregation filled St. Andrews Presbyterian Church on Friday for the closing meeting of the pre-Easter services held in Montague the past week.

Birthdays were also very strong at the above sale, 98 per cent being disposed of with an average increase from February of 10 per cent.

There was a fight in this man's heart and no man ever fought harder to hide it!

Birthday Party At Murray Hbr.

Mrs. John E. Stewart, Murray Harbor, was honoured by her friends and relatives recently when they called on her to celebrate with her the happy occasion of her birthday.

ANTI-SUB

Under Dr. Keyston's leadership, NRE has made important advances in several fields of defence science. New submarine detection equipment, developed recently at the Dartmouth laboratory, is recognized by the Royal and United States Navies as the most advanced of its type.

INDUSTRIAL AREA

Swansea in Wales, besides being a big steel centre, has important copper, tinplate and zinc industries.

WIND POWER

Windmill - driven generators in Swedish villages power as many as 1,000 lights of 60 watts each.

BOOKING ORDERS FOR LIME
