

DOWN THE BACK STRETCH

The writer of these notes has just recently returned from a quick trip to Florida, where a meeting of the directors of the United States Trotting Association was held at Orlando. Practically every director was present, and the business was conducted in a very satisfactory manner. This Association has grown from a small beginning in 1939 to a position where it controls all harness racing in the United States and the Maritime Provinces of Canada. Prior to its formation, there were three associations in the United States - the National, which was the oldest and had its origin in the 1870's with membership in the Eastern states and the Maritime Provinces; the two other associations divided up the balance of the United States.

There was a conflict in rules, and a horse racing in the East might be ineligible to race in similar classes in the other associations, and penalties imposed in one district might not be recognized by the others. To remedy this situation, Mr. E. Roland Hariman and other prominent horsemen called a meeting in New York during the spring of 1939. It was attended by representatives of all harness horse associations, and the United States Trotting Association was the result of their deliberations.

The thirty-six men who formed the first board of directors of the U.S.A., only two are now acting in that capacity - Lawrence B. Sheppard, Hanover, Pennsylvania, and the writer. A third man, who had the leading part in the formation of the USTA and who was its legal advisor up until last year, Frank L. Wiswall of North Castine, Maine, is now honorary vice-president of the USTA, and he attended the above meeting in Orlando. He is one of the owners of Saratoga Raceway, and while it is in operation acts as its president and general manager. It was always a pleasure to hear Frank Wiswall answer questions regarding the rules, or anything connected with racing. His remarks were clear and convincing, and showed the reason why he had been retained by some of the largest organizations in the United States as a legal advisor.

FLORIDA TRACKS
A very heavy rain on the early part of last week slowed things up for the trotters and pacers in Florida, but a couple of days later they made up for the good rest by stepping the fastest mile of the season; that is to say, for two-year-old colts. Two-year-old trotters in the Billy Haughton stable stepped miles in 2:27 3/5, which was the best for that gait so far this season. Two pacing fillies in the same stable worked in 2:28 4/5, both on a half-mile track.

Another track in Florida that has several good stables is Pompano Beach, and last week the two-year-old trotter "Plover" stepped in better than 2:25, and 2:30 miles were quite frequent.

At Cagnes-sur-Mer, France, on March 1st, the French trotter, Jamin, who is scheduled to race in the \$50,000 International Trot at Roosevelt Raceway, New York, on August 1st, broke the European mile trotting record; his time was 2:01.6.

Jamin will be remembered as having easily defeated the two American trotters that raced against him at Vincennes some weeks ago - Egyptian Princess and Great Lullwater, driven by Earl Avery and Del Miller.

The owner of Jamin has promised to bring him over to the United States this season where he will meet the best in several large stake races.

44 ELIGIBLE
John F. Cruikshank, secretary of Sackville Downs Raceway, Halifax, N.S., writes us that he has received Dr. Bishop's payment for an entry in the Halliganon No. 1 Stake. The payment was mailed in Lexington, Kentucky, on January 30, but was not received by him until February 23, due to a holdup in the mail.

The payment has been added to the list, and it makes the number still eligible to the stake \$4.

From secretary W. G. Gillespie, we are very pleased to receive the complete entry list for the 1959 Colt Futurities sponsored by the Prince Edward Island Harness Racing Club.

Sum-Hi, PWC Meet Today In Series Opener
The first game in a best two out of three series for the High School Basketball Championship of Prince Edward Island will be held in the Civic Auditorium this evening, starting at 7 p.m. Between the Prince of Wales second team and the Summerside High squad. This is the first important game to be played at Summerside this season, and it is expected a large crowd of students and others will be in attendance.

Curling Practice Is Cancelled
The regular curling practices usually held on Saturday morning for the school-boys and girls have been cancelled. It was not known at a late hour last night just when these practices will again commence.

S'ide Aces Knot Series; Come Up With 4-3 Win

The Summerside Aces tied up the final series for the Intermediate "A" championship of Prince Edward Island at Civic Stadium in Summerside last night, edging the Parkdale Royals by the score of 4-3 in one of the fastest periods seen at Civic Stadium. The Aces scored the only goal in the initial frame, though both teams came close on several occasions.

Bonnie Howatt got a second rebound off Roper's pads to slip the disk into the meshes at 14.26. Gallant and Reeves had taken prior shots at the Royal net custodian and were credited with assists.

The Aces got the only two penalties of the period, but the home forces held back the visitors without any dangerous shots coming Mann's way during the one-man shortage.

The Aces really struck their stride in the second frame and built up a 4-0 lead before the Royals broke into the scoring column. Coke Grady tipped in Benny Grady's wing shot to make it 2-0 after 2 1/2 minutes of play.

A little over a minute later Geighan picked up Gaudet's rebound to make it 3-0, and Bonnie cashed in on the opportunity.

A penalty to Skip Carver, and over-eagerness on the part of the Aces gave the Royals their first tally. With the red-shirts pressing, Merrill Pineau broke loose from the pack and coasting in on Mann alone made the score read 4-1. This ended the scoring for the period.

The Aces got two quick penalties in the last minute of the second period and while they were two men short in the third frame, Royals made it 4-2, Carroll scoring on a pass from Pineau.

Five minutes later Allie Carver made it 4-3, setting the stage for 14 minutes of spine tingling hockey, the Aces hanging on desperately for the victory.

As in the other games in this series, the Aces drew down the major share of penalties, getting five minors and a misconduct (to Mann the goaler) as compared to two minors for Royals.

Provincial Intermediate 'B' Hockey Finals Announced

Thursday night officials of the Island Branch AAU of C announced that the final round in the hunt for the Provincial Intermediate "B" Hockey title and Physical Fitness Trophy will get underway tonight at Crapaud when Cape Traverse Ravens will be at home to the high-flying Annandale Combines.

Tonight's opening game of a best-of-five series will get underway at 8:30 p.m. with referees appointed by the Branch handing the whistles.

Second game of the series will be played at Souris, the third back at Crapaud, etc.

In the event of a fifth game being necessary or should the series terminate in three games, the visiting team will receive half of the fate proceeds after the 1959 title.

Home team in each case, will be responsible for rink arrangements, maintenance of order among fans and will reimburse the officials.

Last year Hampshire Bulldogs won the Intermediate "B" Trophy. Cape Traverse and Annandale are both newcomers to Intermediate "B" competition although both squads have players who have played in "B" competition with other teams in past years.

Following the final game, the trophy will be presented to the winning team. At time of writing officials would not risk a guess as to which one of the competing teams will annex the 1959 title.

Canada In Scoring Spree Crushes Switzerland 23-0

By ED SIMON
Canadian Press Staff Writer
BRATISLAVA, Czechoslovakia (CP)—Canada, criticized Thursday for not showing enough scoring punch, showed its strength Friday by crushing Switzerland 23-0 in a group A game in the world hockey championships.

The win assured Canada, to no one's surprise, of a spot in the finals to be played next week in Prague.

The Belleville, Ont., club was criticized by some Czech fans for not showing enough polish around the net in disposing of Poland 9-0 in the opening game Thursday. However, the Canadians scored almost at will against the youthful Swiss club.

But for a relaxed second period, the final score could have been a lot higher.

After opening in the first period for 10 goals, the Canadians took it easy in the second, scoring only four times. They turned on the heat again in the last period, scoring nine times against the almost defenceless Swiss.

In other morning play, the U.S. clinched one of the final berths in group B by winning its second straight game at Brno, defeating East Germany 9-2. The U.S. opened its tournament play with a 10-3 win over Norway Thursday.

At Ostrava, where the third group of preliminary series is being played, West Germany won its first game, tripping Italy 7-2. The West Germans lost 5-3 to Finland Thursday and then were shut out Italy 11-0.

RUSS WIN 13-1
Russia, showing some of the power that rates her the main threat to Canada's race for another title, crushed Norway 13-1 in a night game at Brno to win the second final berth in group B. The Russians defeated East Germany 6-1 in their opening game Thursday, but observers said they appeared to be holding back then.

Czechoslovakia, playing a night game here against Poland, won the second group A final spot with a 13-1 victory. The Czechs defeated Switzerland 9-0 in their opening game.

In the group C night game, a third-battling Finnish team held the strongly favored Swedish club to a 4-4 tie Friday night to keep the race open.

Four Canadians turned in three-goal performances for Canada, as the players fattened their scoring averages.

FATTENS HIS LEAD
Red Berenson, 20-year-old centre rated one of the top junior players in Canada, added another trio to his three-goal job Thursday to maintain his position as the leading goal-getter on the Canadian club.

Johnny McLellan, veteran centre of the American Hockey League, scored three and added two assists to raise his point-total to six and the Berenson for the over-all scoring lead on the team.

Goose Gosselin, 20-year-old North Bay, Ont., left winger who scored seven goals in seven games for the Whittier, Ont., club that won the title for Canada at Oslo last year, also counted three times and added an assist for a four-point day.

Bart Bradley, another centre, scored three times, getting all of them in the first period.

TWO-GOAL MEN
Dennis Boucher, John Paul Payette, veteran defenceman Al Dewsbury and Moe Benoit each scored twice and Pete Conacher, Jean Paul Lamirande and Floyd Crawford added singles.

Sport of Kings' This May Be Year for King's In Intermediate 'B' Play

Once again we have a team advancing to the Island intermediate "B" finals. That team is course, is Lloyd MacDonald's Annandale Combines. They eliminated the Hampshire Bulldogs in five games. In all five games, the Combines outplayed the Bulldogs, but, in one game, couldn't seem to hit the net, and in another, the goalie was terrific.

We've had teams in the finals before, but, never have won the title. This may be our year. In the past Souris Legion, and Souris Eastparks have lost out in the finals. That could do it. They have two very good forward lines. One line is composed of Rolfe Jenkins, a sharpshooter, Claude Peters, a nifty stickhandler, and Harold MacDonald, a hard worker, and a good man at setting up goals. The other line has Richard Duffy, another fine man with a stick at centre, and Carl Peters, a high school player who shows improvement every time but. On the other wing is Paul Paquet, a hard worker, and Joe Thompson, professor of a very hard shot is alternate.

Reg Peters, formerly a forward, has been playing good hockey on defence, as have Carl MacDonald and Wesley MacLaren the other rear guards. In the net, Buddy Doucette has been sensational. He started slow, but, once the playoffs got underway he has been nothing short of terrific. Only player not mentioned above is Bobby Cheverie. A leftwinger, Bobby has been out of action with a cracked collarbone since the first game with Hampshire. It is not known definitely, as yet, whether or not Bobby will be able to play in the finals.

BRUINS HOT
After we saw the Murray Harbour Bruins in action, we said that they might go a long way along the Intermediate "C" trail. This week past they knocked Summerside out of the running in two straight games. We were given to understand that they've now advanced to the finals. We've mislaid our schedule, so we don't know how many teams are left in the running at this level. If the Bruins, however, we could have two intermediate titles in King's.

On the high school front, Souris and Morell will clash, either in a best of three series, or in a sudden-death game to determine the championship of Eastern King's. Whether or not the winner will advance any further along the playoff route seems to be the sixty-four dollar question.

Montague Pee Wees and the Murray Harbour Bantams won King's County titles last week, by defeating teams from Souris. The Pee Wees series was a close one, and but, for the fact that the young lads from Souris were unable to complete their plays it might have had a different ending. In the other series, Murray Harbour easily controlled the play in both games, and only for terrific work of Errol Cheverie in the Souris net, the games wouldn't have been as close as they were.

TWO STRAIGHT
After losing the first game, the Sure Shots took two straight, to eliminate the Cameos, in the first round of the Souris Women's Bowling League. In winning, they got enough pinfall to draw the bye into the finals. The semi-finals got underway this week with the Teen-Agers meeting the Lucky Six.

The defending champion Perfectionists eliminated the Federals in straight game and met the Ramblers in the semi-finals of the Men's League. The Ramblers won the first game 3-2, the Perfectionists the second 3-2, and the teams fought to a draw in the third game. We are given to understand that the deciding game will not be played for two weeks.

While watching minor hockey over the past few weeks, we saw three young players who might be future stars (at least in intermediate hockey). Mike Kelly, forward-defence, for the Morell Pee Wees is a smart and capable young fellow. The other two were goalies. One was Richard Gallant of the Souris Pee Wees and the other Errol Cheverie of the Souris Bantams.

By the way, the biggest crowd of the season, slightly over 750 people watched the last game of the series between Annandale and Hampshire. The crowds in the finals will probably be as large, so if you're going, be early.

WHIPS ALBERTA 12-6 IN PLAYOFF

Saskatchewan Wins Dominion Curling Title

QUEBEC (CP)—Saskatchewan, smarting from an afternoon defeat which forced a play-off, took command early and piled it on Friday night to defeat Alberta 12-6 to win the Canadian curling championship.

Saskatchewan proved so strong in Friday night's match that the game was almost anti-climatic. The clubs had met in the fourth round of the week-long tournament, and at that time Saskatchewan was rolled to a 13-1 victory. In other 11th-round afternoon games Ontario defeated British Columbia 10-8, Newfoundland crushed Prince Edward Island 16-4 and New Brunswick handed Quebec its 10th straight defeat by mauling Jack Bergman's Montreal Outrigger quartet 16-6.

Tigers, Bulldogs Clash Tonight

Winslow Tigers and Nine Mile Creek Bulldogs clash tonight in the first game of the semi-finals for the W. R. Shaw trophy. This league has been dishing out a top-notch brand of hockey all season and tonight's game will be no exception. A big turnout is expected for this thriller.

2 Weekend Games Slated In Hoop Loop

Two games which mean little to one of the competing teams, much more to the other two will be played in the Island Senior Basketball League this weekend. The pace-setting Trojans, assured of a first place finish in the loop, will meet Prince of Wales College this afternoon at Birchwood High School and the Trojans take on Saints Sunday afternoon at the SDU gym.

The games are highly important to both the Wolfmen and Saints, involved in a battle for third place. The Birchwood game starts at 1:15 today and tomorrow's game starts at 3:30.

Following are standings:

NEW STAFF APPOINTMENTS AT GOODSPEEDS (P. E. I.) LTD.

BERT STEELE
Sales Manager
Bert comes to our firm from Nelson Motors in Triton, a business he joined in 1950 as a salesman. Through his efforts and enterprise he became their top salesman and, in 1957, was appointed assistant sales manager.
A son of the late Mr. and Mrs. Herbert Steele of Charlottetown, Bert was born here and educated at Queen Square School and St. Dunstan's University. During World War Two he served in the Royal Canadian Navy.
