DWELLING DESTROYED AT ALBERTON

Flames and smoke can be seen billowing out from every opening of the home of Mr. and Mrs. Fred Millman at the height of the fire which destroyed their modern two-storey home at Alberton Friday afternoon. The Alberton Fire Dept. was hampered in efforts to save the dwelling by a shortage of water at the scene. Almost all household equipment and furniture was lost, including all clothing owned by Mr. and Mrs. Millman except that which they were wearing at the time.

'Shell Out' On Hallowe'en

The price of a comic book will purchase 50 glasses of milk in India in Chile the price of a cone of ice cream will protect 10 children from tuberculosis, in Nigeria the price of a candy bar will cure a case of yaws.

Armed with these and many other relevant statistics, the C.G.I.T. teen - agers of Kensington will conduct a "Shell Out" on Hallowe'en Night among the householders of the Prince County town.

In common with hundreds of youth organizations across the nation, the Kensington girls will ask the citizens of their town to give concrete support to the work carried out by the United Nations International Children's Emergency Fund.

Last year in Canada, children and teen - agers collected $42,000 in their Hallowe'en night campaign, all of which was forwarded to U.N. Headquarters in New York for the use of UNICEF, as the world group is popularly known.

Last year the Government of Canada increased to $650,000 its contribution to this international relief fund. But voluntary contributions from individual citizens is still a vital part of the UNICEF enterprise.

In Kensington the collection will be carried out between the hours of 4 and 6 p.m. The collectors will be tagged "Shell Out For UNICEF" and will carry marked milk cartons.

Alberton Pastoral Charge Observes 126th Anniversary

The 126th anniversary of Alberton Pastoral Charge of the United Church of Canada was observed at morning and evening services in the Alberton Church yesterday. Worship was conducted by the minister, Rev. J.M. Sproule, and both sermons were preached by Rev. John B. Corston, M.A., B.D., Ph. D., D.D., professor of New Testament at Pine Hill Divinity Hall in Halifax.

In the morning Dr. Corston's sermon was concerning the church. Choosing for his text, Galatians 1:26, he likened the Church, to a mother which we are proud to honor. The Church, he said, is like a mother (1) because she brought us into spiritual life; (2) because she nurtures, disciplines and comforts us; (3) because she has a place for all her children; (4) because she brings us together and sets us in families, and gives us a unity in Christ. The Church, he concluded is God at work in human lives. It redeems our lives from loneliness and causes us to know we are members of the family of God here below, counterpart of the family above; it gives us a common cause and unites us in fellowship with Christ.

At the morning service a special anniversary hymn written by Mrs. Ethel Wood of Oxford, N.S. was sung by the congregation. There was a special prayer for the Church and a solo, "Bless This Church" was sung by Mrs. Earl Atkinson. The anthem was "O For A Thousand Tongues To Sing."

In the evening the anthem was "The Lord Is My Shepherd." At both services the organist, Miss Annie Leard, was assisted by Mrs. J.M. Sproule.

The evening service opened with the choir singing "Ye Gates, Lift Up Your Heads On High."

In his evening sermon Dr. Corston likened the Christian to a responsible shopkeeper whose customers are his friends and whose needs he supplies, as compared with a huckster whose sole aim is to sell his goods and get his money. Christians, he said, are shopkeepers for Christ. A good shopkeeper for Christ is sincere and able to recommend Christ from first hand experience. Christian believers know that Christ is the only answer for our needy world. The Christian shopkeeper represents another proprietor; he is a salesman and representative for Christ in the world. All the Christian does is his and for his sake and by his power and in his strength. Life in Christ, for those who represent him and do his will, has a joy the world can never take away.

At this service two gifts were presented and dedicated. A communion table runner in memory of Mrs. George C. Gordon, the gift of her daughter, Mrs. A. C Green, of Alberton, and her son, John H. Gordon of Arvida, Quebec, was presented by Mrs. Green. The presentation of a visitors' book, gift of the Sunday School, was made by Faye Fraser.
