Beaver Club Hall In Montague To Be Busy Spot On August 8th

The Montague Red Cross Blood Donor Clinic to be held in the Beaver Club Hall on Friday evening, August 8th, promises to be a busy one with the attendance of donors from the well-populated areas in the environment.

Donors are expected from Montague, Georgetown, Cardigan, Murray Harbour and Murray River and all the districts in between, and there will be keen competition to see which community can produce the highest percentage of donors.

The many patients throughout the Province who benefit by the more than 200 bottles of blood that are used each month can show their appreciation of the service by inducing others to attend the clinics as donors.

Mr. Gilbert Clements of Montague is again leading up the organization of this Clinic while the Women's Institutes will provide the refreshments for the donors and, with the assistance of Mrs. Walter Beer, the workers to help the Mobile Team.

BEXLEY, Kent, England — (CP) — A black Persian kitty, back arched and spitting, stood before 150 dogs here recently — and nothing happened. The dogs, undergoing obedience training, didn't budge.
