Sister Pampou, the former Mary O'Sullivan of Ireland, is wheeled across border from Red China to Hong Kong Wednesday after she fainted as she and seven other nuns arrived from Peking. The nuns were expelled and their school, the Sacred Heart academy of Peking, was closed following attack by members of the militant young Red Guard last Thursday. Other nun in picture is unidentified. (AP Wire-photo via radio from Hong Kong)

MP Says Mail Opposes Integration

OTTAWA (CP)—Michael Forrestall (PC-Halifax) said here his mail has run 1,733 to one against integration and he urged Defence Minister Hellyer to make clear what is going on. The rookie MP for the riding where top naval officers this summer rebelled against integration of the armed forces also called for quick reopening of the Commons' standing committee on defence. The committee had been denied a full look into the effects of integration, he said in a Commons adjournment debate. Mr. Hellyer scolded Mr. Forrestall for having "the temerity" to suggest this when the committee had held hearings for weeks. "By and large", Mr. Hellyer claimed, the committee had been satisfied there were real advantages to integration. When legislation was introduced later this year, there would be ample opportunity for all to consider it. Mr. Forrestall said servicemen want assurance from Mr.

Hellyer and the government that they are free to decide for or against re-enlistment in an integrated command without fear of pension or other penalties.

SURVIVES SEA ORDEAL
MELBOURNE (AP)—Twelve days after a fishing boat disappeared in heavy seas off the Victoria coast, one of the boat's three crew members was found alive Tuesday.

I LIKE TO BRING A LIGHT TOUCH to Autumn meals with a luscious dessert — like CHOCONUT PARFAIT. I prepare 1-5 oz. package Shirriff Coconut Cream Pie Filling according to package directions. Divide in half; leave one half plain; add 3 tbsps. cocoa and an additional 1 1/2 tsp. butter to the other half. Layer in parfait dishes, ending with a plain layer. Garnish with grated semi-sweet chocolate. Serves 4—perfectly! For many other delectable desserts, Shirriff Bud Pie Fillings, containing the famous "Flavour Bud" with liquid flavour sealed in an airtight sugar shell, are the happy answer. Try Shirriff smooth and creamy Pie Fillings soon.

What happens to animals that eat potato tops which have been treated with REGLONE® Potato Top Killer?

Nothing.

REGLONE is non-arsenical, so it doesn't attract animals the way sweet-smelling arsenic does. Should an animal accidentally stray into the field, don't panic—while eating potato tops may not be good for it, recommended rates of REGLONE on the tops will not harm the animal. Where things will happen is in the plants REGLONE kills leaves fast, stems gradually — like "natural" maturity. It also kills weeds and reduces tuber rot. This year, don't gamble with deadly arsenic — order sure-acting, safer REGLONE from your Chipman Dealer.
